DELTA FORUM REINSTALLATION 2K18

Department of Electrical Engineering of J D College of Engineering & Management Nagpur has done Student forum (Delta) reinstallation on 8th of August 2018. The program was started with the lamp lighting and Saraswati Vandana. In his inaugural speech, Head of the Department, Prof. S. R. Gupta appreciated the efforts and gesture of the Department in conducting such informative and educative program to groom and nurture young engineering students to meet the forthcoming challenges..

Dr. S. P. Gawande sir was the chief guest (Assistant Professor, YCCE, Nagpur) and **Mr. Gaurav Chandak (Head of Manufacturing and Engineering Services, ACME Technology, Aurangabad)** Guest of Honor was invited as guest for the programme.

The aim of the program was to give the students a bird's eye view about various dimensions of engineering and the career opportunities for the engineering students and to acquaint them with the systems by exploring and involving themselves in various activities to nurture their personality in all aspects.

Dr. S. V. Sonekar (Vice-principal, JDCOEM) briefed the audience about the achievements of the Institute and importance of the activities conducted under the forum. The chief guest of the function Dr. S.P. Gawande sir shared his experience and expressed his views regarding the technologies & practices relating to the academics, motivating the students to activate themselves in all parts of engineering and technology. Guest of honor Mr. Gaurav Chandak shared his views and ideas relating to startup and business.

Prof. Yogesh Mundhada (Delta forum In charge) gave the information about the delta forum activity and announced the elected body members of the delta forum followed by the felicitation of the students with badges. The department also felicitated students who had done excellent work in academics, sports, cultural etc

Miss Stuti Patil (Vice-president, Delta forum) gave the vote of thanks.
