

IETE Student Forum Inauguration Function

The department of EN/ETC/EE of JDCEM inaugurated the IETE student forum (ISF) for the session 2016-17 on 26/08/2016. The main purpose of this forum is to bring forefront the hidden talents of the students and their all round development. Dr. Manish Shukla, Principal, RTTC, Nagpur graced the function as the Chief Guest and encouraged the students to participate in forum activities and explained the importance of internships in engineering career. Shri. Ajayji Agrawal, Secretary of JES and the president of the function highlighted the significance of team work and leadership with a motivational story of Dr. A.P.J. Abdul Kalam. Prof. S. M. Bang, Director of JES felicitated the students Anjali Agrawal (ETC) and Dinesh Pradhan(EE) for 3rd and 10th Univerisity rank respectively in Second sem BE examinations. HOD Prof. S.R.Gupta explained the significance of this forum and advised the students to fully utilize the opportunities provided by the college. Shubham Verma final year student was elected as the president of the forum and informed the gathering about the events planned for this session.

The program was conducted successfully under the able guidance of Prof. Avinash K. Ikhhar. The management, Principal and vice principal wished the forum a grand success and assured of whole hearted support.
