Environment Cell Activity: Visit To Raman Science Centre, Nagpur

Year 2018-19

Name : Environment Conservation Awareness

Place : Raman Science Centre, Nagpur

Date : 16/08/18

Activity Details

Department of Management studies, J D College of Engineering & Management organised a visit to Raman Science Centre, Nagpur as a part of Environment Cell Activity for MBA Second Year Students. Overall it was a very informative visit.

The Objectives of the visit:

- To provide students insights of rainwater harvesting.
- To provide knowledge regarding desalination and groundwater conservation.
- To familiarize students with how technology and physics contribute in environment conservation.
- To help students to realize the significance of conservation of environment and to acquaint them with different types of pollution and hazards caused to the environment.

Prof Aditi Saha had arranged the visit and took great efforts in making this visit beneficial to the students.
