INDUCTION PROGRAM 2K18

The department of EN/ETC organized induction program for budding Engineers at JDCEM under the IETE student forum (ISF) for the session 2018-19 on 11th July, 2018. The main purpose of the Induction Program is to make the newly joined students feel comfortable, sensitize them towards exploring their academic interests and activities, reducing competition and making them work for excellence, promote bonding within them, build relations between teachers and students, give a broader view of life, building of character, bring forefront the hidden talents of the students and their all-round development. Dr. Prashant Maheshwary, Director, JDCEM, Nagpur graced the function with his valuable presence. HOD Prof. N. N. Gyanchandani enlightened the young Engineers with the wide opportunities in electronics domain, motivated them to get the maximum benefits of E-learning sources and advised the students to fully utilize the opportunities provided by the college. Prof. T. N. Mohotafurther guided students with the fundamental knowledge of Electronics and motivated them to participate in National Level Events and register themselves in various Technical courses. Student Mentor Mr.KetanKakkad gave a detailed insight about the IETE forum and department.

The program was conducted successfully under the able guidance of Prof. Shweta Sharma and Prof. Sangeeta Palekar. The management, Principal and Vice Principal wished the students a grand success and assured of whole hearted support.
