

VISIT TO AREA LOAD DISPATCH CENTER AMBAZARI

The Department of Electrical Engineering at J D College of Engineering and Management, Nagpur organized an industrial visit to “**Area load dispatch center, ambazari, amravati road, nagpur**” on **25/07/2017** for the students of 5th SEM Electrical Engineering . Total 26 students of 5th SEM EE as well as 3 faculty members Prof. R.R.Hete , Prof.H.Pillewan, Prof.H.Hatnapure accompanied students to this Industrial visit.

“**Load dispatch center, Ambazari ,Amravati road, NAGPUR**”, is one of the load dispatch center in India located at Amravati Road Nagpur . The Load Dispatch Department is the nerve centre for the operation , planning , monitoring and control of the power system . Electricity cannot be stored and has to be produced when it is needed. It is therefore essential that power system is planned and operated optimally & economically.

Deputy Executive Engineer, MSETCL, Mr.S.S.Kamble explained different aspects like how to Maintain system frequency in 49.7 Hzs to 50.2 Hzs range , Outage planning and monitoring, Load Shedding Implementation.
