PROJECT COMPETITION

Department of Electrical Engineering of J D College of Engineering & Management Nagpur has organized project competition under **Brainwaves-2018** on date 26th March 2018. Project Increases and strengthens institutional cooperation at all levels of the education sector for the students. As a result, the positive outcomes helps to multiply there knowledge and these benefitted not only outstanding students but also helps to develop their own personality in technical sector.

Student groups from various colleges in Vidharbha region were participated in event. Each project had been evaluated on the basis of Concept, Hardware Design, Relevance & Effectiveness, Application and the presentation of the project. The total of 11 teams from different colleges had participated. The winner teams were awarded with cash prize. Also the Certificates of participation were issued to all participated students.

Expert Judge: Mr. Manish Agrawal
Assistant Professor,
Ragiv Gandhi College of Engg. and Research,
Nagpur.
