

National & International Conferences of Staff member

Sr. No.	Name of staff member	Title of paper	National Conference	International Conference	Venue & Date
1.	Prof S.V. Sonekar	A Comparative Study of Anomaly Detection Schemes in Network Intrusion Detection	--	International Conference	1 st -2 nd April, 2010 at S.E.S. College of Engineering, Navalnagar.
		A Power Model For Intrusion Detection And Defense System In Ad Hoc Network	--	International Conference	Futuristic Computer Applications, IISc Bangalore
		Broadband radio LANs and the evolution of wireless beyond 3G	National Conference	--	2010
		Wireless Communications and Mobile Computing Conference In Conjunction With High Performance Computing & Simulation	--	International Conference	21-24 JUNE 2009, at LEIPZIG, GERMANY.
		A Collaborative Approach for Intrusion Detection & Defense System in Ad hoc Wireless Network	--	International Conference	2009 at IEEE International Advance Computing Conference IACC'09, Punjab
2.	Mr. Kemal Koche	Comparison of Template Matching and Neural Network for Identification of characters on License plate	--	International Conference	2010
		Comparison of Signal processing Techniques and Neural Network for Identification of characters on License plate	National Conference	--	2010
3.	Mr. Chetan D. Bawankar	Binary Cipher Algorithm Under Symmetric Encryption Strategy	--	International Conference	2009

		Stegno Algo. With pattern matching		International Conference	
		Steganography with External Hardware	National Conference	--	2009
		Sky Drive	National Conference	--	2009
4.	Mr. Shrikant B Ardhapurkar	E-Privacy and Data Protection	National Conference	--	26 th March 2010 at Emerging Trend in network and security BBDIT Ghaziabad, Delhi
5.	Mr. Roshan T. Bhandarkar	Security of MANET Without Centralized Server-Trust Creation	National Conference	--	2010
		A Comparative Study of Anomaly Detection Schemes in Network Intrusion Detection	--	International Conference	2010

National & International Journals of Staff member

Sr. No.	Name of staff member	Title of paper	National Journal	International Journal	Venue & Date
1.	Prof S.V. Sonekar	A Power Model For Intrusion Detection And Defense System In Ad Hoc Network	--	International Journal	2010
		A Power Model for Life Maximization in Ad hoc Wireless Networks	--	International Journal	October 2009-March 2010
		Algorithmic Approach For Malicious Node Detection in Mobile Ad hoc Networks	--	International Journal	October 2009-March 2010
		A Secured Response Algorithmic Approach For Intrusion Detection In Ad Hoc Network	--	International Journal	1 st March 2009
		Wireless Local Area Network 802.11b Coexistence Mechanism For Wpan	--	International Journal	14 th February 2009
		A Collaborative Approach For Intrusion Detection And Defense System In Mobile Ad Hoc Networks	--	International Journal	April 2009
2.	Mr. Chetan D.	Pattern Matching with	--	International	

	Bawankar	External Hardware for Steganography Algorithm		Journal	
		A Robust Steganography Algorithm based on Pattern Matching	--	International Journal	
3.	Mr. Shrikant B Ardhapurkar	E Privacy and Data Protection in Indian Perspective Legal, Technical and Political Challenges, Proposed	--	International Journal	--
