Igniting Minds To Illuminate The World

One Page Report On HYDROWAR

J D College of Engineering And Management has conducted an all India Technical Fest under the title BRAINWAVE 2018 in college campus itself. It is a platform where students can explore their technical knowledge by taking part in various activities.

One of such activity was HYDROWAR event held under BRAINWAVE 2018. This event was organized by Electrical Engineering Department on 28th of March 2018. This was about robot race in water. The total of 89 entries were registered for the event which include the spot entries. The scenario of the game was divided in three stages. Stages are as **Robot Relay Race, Race with Hurdles, Sine wave.**

There was lot of enthusiasm in the students as this kind of event was first of its kind to organize by our department in college. After the completion of all rounds we were with our winners who were awarded with exciting prizes. And all the participants were felicitated with their Certificates.

Below are some glimpses of HYDROWAR
