INDUCTION PROGRAM 2K18

Department of Electrical Engineering of J D College of Engineering & Management Nagpur has conducted induction program for Second year students of 4-year B tech degree course on 19th of July 2018. Head of the Department, Prof. S. R. Gupta in his inaugural address appreciated the efforts and gesture of the Department in conducting such informative and educative program to groom and nurture young engineering students to mold student fraternity in the days to come.

The aim of the program was to give the students who are joining the college a bird's eye view about various dimensions of engineering and the career opportunities for the engineering students and to acquaint them with the systems and procedures of the college. The program aimed to give a proper orientation to the new students about the course, about engineering and about the future prospects as well as the methodology of learning to be adopted to be successful in life.

The guest of the function, Head of the First year Department, Dean Student Affairs, Prof. Namrata Pradnyakar Madam guided students about overall aspects of the engineering and how the program relates to it. Topics included were yoga, motivation, communication, leadership skill, interpersonal skills, stress management, group dynamics and team building, time management. The other sessions were carried out by the departmental faculty Prof. R. R. Hete madam exploring the department's vision, about the curriculum, teaching methodology, Industrial visits and various procedures and protocols of the department. Followed by Prof. Y. P. Mundhada about the Moral Ethics and change in Education Style, Prof. Salim Sheikh Sir from Cultural department exploring students about the drama, skits and 'Swar' in Sanskrit. Prof. R. Sharma carried out the technical session nurturing students about aspects of engineering related other sectors i.e. interdisciplinary nature.

Team of EE Department would like to express their gratitude to the Dean, all teaching and nonteaching staff of department, and the students of second year B Tech Course for their kind cooperation in this novel experiment.

Some of the glimpses of the day are,
