

J D COLLEGE OF ENGINEERING AND MANAGEMENT, NAGPUR

DEPARTMENT OF MECHANICAL ENGINEERING

SESSION- 2016-17

Association of Radiant Mechanical Engineers (A.R.M.E.): 2016-17

The Department of Mechanical Engineering of JDCOEM installed “**Association of Radiant Mechanical Engineers- A Student Forum**” for the session 2016-17. The main purpose of this forum is to bring forefront the hidden talents of the students and their all round development.

Mr. Mukund Mohata, MD- Kapilansh Dhatu Udyog Pvt. Ltd., Nagpur graced the function as the Chief Guest and encouraged the students to participate in forum activities and explained the importance of internships in engineering career. Dr. S. R. Chaudhari, Principal, JDCOEM, president of the function highlighted the significance of discipline & extra-curricular activities. HOD Prof. B. R. Mahajan explained the significance of this forum and advised the students to fully utilize the opportunities provided by the college.

The program was conducted successfully by Prof. Anup A. Junankar & faculty members of department. The management, Principal and Vice Principal wished the forum a grand success and assured of whole hearted support.
