2021-22 (Odd Sem)

| VISION	MISSION
"To be a Department providing high quality & globally competent knowledge of concurrent technologies in the field of Electronics and Telecommunication."	1. To provide quality teaching learning process through well-developed educational environment and dedicated faculties. 2. To produce competent technocrats of high standards satisfying the needs of all stakeholders.

## GUEST LECTURE ON EMERGING TREND IN EMBEDDED SYSTEM

1) Name of the Event   : Guest Lecture On Emerging Trend In Embedded System

2) Under the Aegis of   : Institute of Electronics & Telecommunication Engineers.

3) Date & Time   : 20th November, 2021 from 12.30 p.m. to 2:00 p.m.

4) Program Coordinators : Prof. Avinash K. Ikhar

5) Event details:

Department of Electronics and Telecommunication of J D College of Engineering and Management, Nagpur which is the first Autonomous Institute under Dr. Babaseheb Ambedkar Technological University, Lonere with NAAC 'A' grade, organised **Guest Lecture On Emerging Trend In Embedded System** for 3rd, 5th and 7th semester students under the banner of IETE student forum (ISF) for the session 2021-22 on 20th November, 2021 using Online Platform Google meet in this Pandemic situation. The Guest lecture was conducted by Prof. Poorvi Joshi, Assistant Professor, RCOEM, Nagpur. It was aimed in making the students aware about the Emerging Trend in Embedded System.

The guest lecture received an overwhelming response from all. At the end, the students got cleared with the doubt session by Expert. Prof. Avinash Ikhar co-ordinated the programme, constant support was provided by Dr. N. N. Gyanchandani, Head ETC Department. This guest lecture was a part of events which college organizes regularly for the students to make them aware of the happenings in outer world.

Session: 2021-22 (Odd Sem)

Education to Eternity

VISION	MISSION
"To be a Department providing high quality & globally competent knowledge of concurrent technologies in the field of Electronics and Telecommunication."	1. To provide quality teaching learning process through well-developed educational environment and dedicated faculties. 2. To produce competent technocrats of high standards satisfying the needs of all stakeholders.

Report on Guest Lecture (Online)

1)	**Name of the Topic**	"Career Opportunities in Drone Technology"
2)	**Under the Aegis of**	PDRL, Nasik, India
3)	**Date & Time**	January 11, 2022
4)	**Resource Person**	Ms. Kanchan Borade, Head of Product Engineering and AI Strategist, PDRL, Nasik
5)	**Guest Lecture Coordinator**	Prof. Mohammad Hassan

6) Event Details:

The Department of Electronics & Telecommunication Engineering at JD College of Engineering & Management has Organized Guest Lecture on **"Career Opportunities in Drone Technology"** through Google Meet online platform under the aegis of PDRL, Nasik, India. Student Chapter for the Students of M.Tech and B.Tech on 11th January, 2022. The resource person for the Guest Lecture was Ms. Kanchan Borade, Head of Product Engineering and AI Strategist, PDRL, Nasik . The Lecture was specially designed to introduce students Career Opportunities in Drone Technology. Total 82 students Participated in the Guest Lecture.

❖ **Objective of Guest Lecture:**
1. To introduce students Career Opportunities in Drone Technology and its applications.
2. To motivate Students to understand utilization of the available spectrum optimally.

Summary of Event:

The objective of this lecture was to discuss the Career Opportunities in Drone Technology and research Challenges in the field. Drone Technology is an intelligent wireless or wired communication system that is aware of its surrounding environment, learns from the environment and adapts its internal states to statistical variations in order to achieve predefined objectives As an expert, the resource Person provided a perspective of the research frontiers of Drone Technology, identifying early stage key technologies of strategic importance and its applications.

Overall the Session was very informative and a great learning experience. Students were excited about the event and expressed desire to attend such type of events in future.
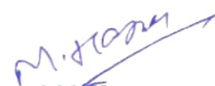

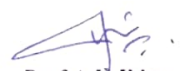

❖ **Outcome of Event:**

After attending the workshop, the students will be able to
1. Understand Career Opportunities in Drone Technology.
2. Understand the advances and research challenges in Drone Technology
3. Understand fundamental issues regarding dynamic access of Drone and Technology resource management for better technology exploitation.

Report on Guest Lecture (Online)

1) **Name of the Topic**   "Overview of Cognitive Radio Communication"

2) **Under the Aegis of**   Institution of Engineers, India

3) **Date & Time**   January 21, 2022

4) **Resource Person**   Dr. Rajeshree Raut ,Professor & Head ETC Dept,

                                        Govt. College of Engineering, Nagpur.

5) **Guest Lecture Coordinator** Prof. Gayatri Bhoyar

6) Event Details:

The Department of Electronics & Telecommunication Engineering at JD College of Engineering & Management has Organized Guest Lecture on **"Overview of Cognitive Radio Communication "** through Google Meet online platform under the aegis of Institution of Engineers, India Student Chapter for the Students of M.Tech and B.Tech on 21st January, 2022. The resource person for the Guest Lecture was Dr. Rajeshree Raut ,Professor & Head ETC Dept at Govt. College of Engineering, Nagpur. The Lecture was specially designed to introduce students fundamentals of Cognitive radio Communication. Total 53 students Participated in the workshop.

❖ **Objective of Guest Lecture:**
1. To introduce students Fundamentals of Cognitive radio Communication and its applications.
2. To motivate Students to understand utilization of the available spectrum optimally.

Summary of Event:
The objective of this lecture was to discuss the fundamentals of Cognitive radio Communication and research Challenges in the field. Cognitive radio is an intelligent wireless communication system that is aware of its surrounding environment, learns from the environment and adapts its internal states to statistical variations in order to achieve predefined objectives As an expert, the resource Person provided a perspective of the research frontiers of Cognitive Radio communication, identifying early stage key technologies of strategic importance and its applications.

It was indeed a great opportunity for the Post Graduate and Undergraduate students to understand the new technology and they remained enthusiastic throughout the Session.
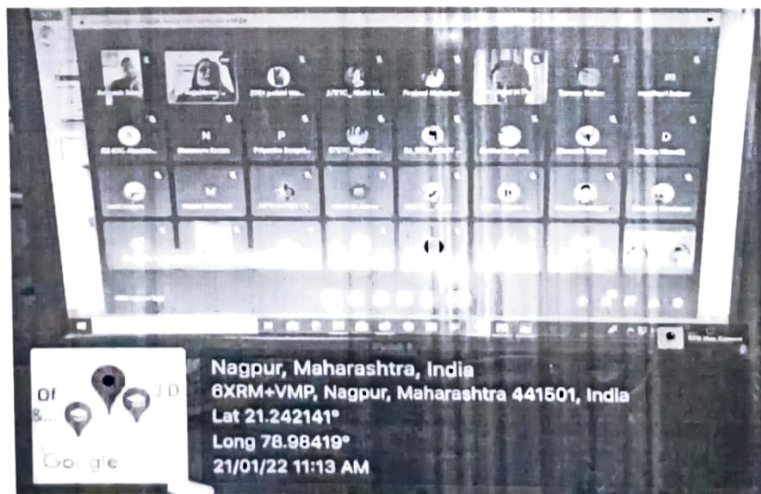

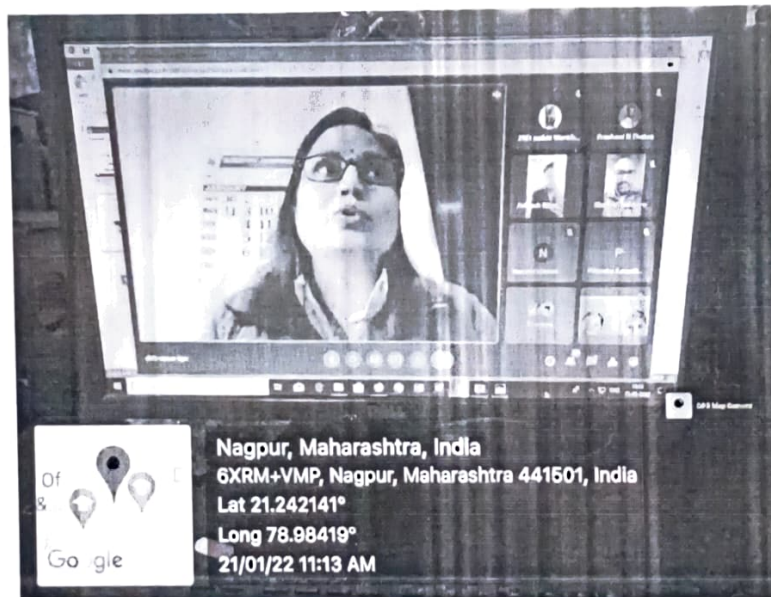

Overall the Session was very informative and a great learning experience. Students were excited about the event and expressed desire to attend such type of events in future.
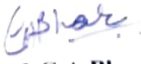

❖ **Outcome of Event:**

After attending the workshop, the students will be able to

1. Understand fundamentals of Cognitive radio Communication.

2. Understand the advances and research challenges in Cognitive radio Communication.

3. Understand fundamental issues regarding dynamic spectrum access and radio resource management for better spectrum exploitation.

Report of "Seminar on Career in Cloud Computing"

1) **Name of the Event**   : Seminar on Career in Cloud Computing

2) **Under the Aegis of**   : Institute of Electronics & Telecommunication Engineers

3) **Date & Time**   : April 1st, 2022 from 02.45P.m. to 5 P.m.

4) **Departmental Program Coordinator**   : Prof. Avinash K. Ikhar

5) **Resource Person**   : Mr. Raj Arora, Director, Revat Networks, Nagpur

6) **Details of Event**   :

The Department of Electronics & Telecommunication Engineering at J D College of Engineering and Management, Nagpur in association with IETE Nagpur centre organized a Seminar on **"Career in Cloud Computing"** on April 01, 2022. About 35 students of 6th & 4th Semester from the Department attended the Seminar. The spokesperson of Seminar was Mr. Raj Arora, Director, Revat Networks. The Seminar was aimed in making the students aware about the career opportunities available in Cloud Computing. Also hands-on practical was taken by the expert.

Cloud Computing is the delivery of computing services—including servers, storage, databases, networking, software, analytics, and intelligence—over the Internet ("the cloud") to offer faster innovation, flexible resources, and economies of scale. You typically pay only for cloud services you use, helping lower your operating costs, run your infrastructure more efficiently and scale as your business needs change.

The Seminar received an overwhelming response from all. At the end of the seminar, students got cleared with the doubt session. This seminar was a part of events which college organizes regularly for the students to make them aware of the happenings in outer world.

Report of "Webinar on Soft Skills & Communication Basics - I"

1) Name of the Event : Webinar on Soft Skills & Communication Basics - I

2) Under the Aegis of : Institute of Electronics & Telecommunication Engineers

3) Date & Time : June 25, 2021 from 1 p.m. to 3 p.m.

4) Departmental Program Coordinator : Prof. Avinash K. Ikhar & Dr Neeta Thune

5) Resource Person : Mr. Ritesh Chandekar, Public Speaker & Soft Skill Trainer

6) Details of Event :

The Department of Electronics / Electronics & Telecommunication Engineering at J D College of Engineering and Management, Nagpur in association with IETE Nagpur centre organized a Webinar on **"Soft Skills & Communication Basics"** on June 25, 2021. About 40 students of 3rd and 4th year of the department attended the Webinar. The Webinar was conducted by **Mr. Ritesh Chandekar, Public Speaker & Soft Skill Trainer**. The webinar was aimed in making the students aware about the importance of Public Speaking & Soft Skill in our life while facing any kind of situation either its professional or personal. It focussed on how to build Public Speaking & Soft Skill. Sir has also discussed Soft skills Vs Hard Skills, Interdisciplinary relevance, Global and national perspective on soft skills.

The Webinar received an overwhelming response from all. At the end of the webinar, students got cleared with the doubt session by Experts. Prof. Neeta Thune co-ordinated the programme ,constant support was provided by Prof. Avinash Ikhar, Academic Incharge and Prof. N. N. Gyanchandani, Head ETC Department. This seminar was a part of events which college organizes regularly for the students to make them aware of the happenings in outer world.

VISION

MISSION

To be a Department providing high quality & globally competent knowledge of concurrent technologies in the field of Electronics and Telecommunication."

1. To provide quality teaching learning process through well-developed educational environment and dedicated faculties.
2. To produce competent technocrats of high standards satisfying the needs of all stakeholders.

Report of "Employability & Skill Development(Problem Solving Techniques)"

1) Name of the Event : "Employability & Skill Development(Grammar & Comprehensions)"

2) Under the Aegis of : Institute of Electronics & Telecommunication Engineers

3) Date & Time : June 22, 2021 from 1 p.m. to 3 p.m.

4) Departmental Program Coordinator : Prof. Avinash K. Ikhar & Dr Neeta Thune

5) Resource Person : Ms. Surabhi Pranav (Dean Capacity Building , JDCOEM)

**6) Details of Event** :

The Department of Electronics & Telecommunication Engineering at J D College of Engineering and Management, Nagpur in association with IETE Nagpur centre organized a Webinar on**"Employability & Skill Development(Problem Solving Techniques)"** on June 22, 2021. About 100 students of 3rd and 4th year of the department attended the Webinar. The Webinar was conducted by **Ms. Surabhi Pranav (Dean Capacity Building , JDCOEM).**

The webinar was aimed in making the students aware about the importance of Problem-Solving techniques in our life while facing any kind of situation either its professional or personal. It focussed on how to take decisions in tough situations as well as how we can keep our behaviour calm and balanced while giving interviews, viva or any other conversations.

The Webinar received an overwhelming response from all. At the end of the webinar, students got cleared with the doubt session by Experts.

Session 2022-23

REPORT ON WORKSHOP ON DATED 29 November, 2022

J D College of Engineering & Management, Nagpur

Objective:

1. This workshop's primary goals are to support startups, create jobs, and increase wealth.
2. Students need to understand how product and service development and innovation may be used to start new businesses at low cost.
3. Students should learn how to establish a business with a fresh idea and how to deal with issues that arise when a business is first starting out.
4. How students can develop their businesses and deal with issues that arise during small business starting.
5. How students might develop their careers as entrepreneurs.
6. Useful actions that can be taken to develop into a successful entrepreneur.

Activity Details:

For the students of J D College of Engineering and Management in the second year CSE/IT/AI/ME/EE/ETC, the information technology department hosted a workshop on " **Problem Solving and Ideation Workshop**" held on November 29, 2022, under the auspices of Institution Innovation Council (IIC), IQAC, and Pragyan Forum.

Miss Ketaki Butale from 2nd year IT student gave an introduction of the session and HOD of IT Prof. Mirza Moiz Baig welcomes all the dignitaries on the dais and off the dais, he emphases on how to discover the societal problems and how to create new businesses for startups by turning those solutions into enterprises. The seminar was delivered by the expert **Mr. Sumedh Boudh** ,CEO and Founder of TARS Solution Pvt Ltd. Nagpur and **Mr. Amol Rangari ,Senior Expert in Cognizant Solutions,Nagpur**. This expert lecture was conducted under the banner of IIC, in accordance with the instructions of Dr. Namrata Pradnyakar (Dean Student/IIC). The department thanked to the Hon. Principal, Dr. S. V. Sonekar for their continuous supports and guidelines.

The session was attended by all the 2nd year students from CSE/IT/AI/ME/EE & ETC Department

Activity	:	Offline
Date	:	29th November 2022
Time	:	12:30 pm to 4:00 pm
Venue	:	Dr.A.P.J. Abdul Kalam Auditorium Hall

Dr. Namarata Pradnyakar (Dean Student/IIC President)
Dr. Bhagyshree Madan(Academic In-charge IT Branch)
Prof. Swati Raut (Academic In-charge CSE/AI Branch)

Targeted Audience:
Our targeted Audience was from 2nd year students from CSE/IT/AI/ME/EE & ETC Department and Faculty Members of all the Department.

Total No. of Participants Turned up: Total: 109

No. of Bus/Vehicles Used   - NIL

Total Expenditure   - NIL

Sponsorship Amount   - NIL

Outcome of Activity:

The Department of Information Technology successfully organized the Offline Workshop on November 29, 2022. Studen

ts learned a lots how to develop a career as an entrepreneur as well as how to employ technologies for the startup of small businesses. This is absolutely a healthy development and it should be encouraged to all the students and definitely this session can lead to new innovations and job creation around the nearby areas and can be positively impact on the social economic conditions of our region.

There was positive responses from all the students, and a few of them came forward to ask questions regarding the startup programme that the Indian government and JDCOEM had created. Students wants such technical activities in the near future.

PRAGYAN

Date: 13/01/20:

REPORT

Name of the event: Workshop on " Role of Machine Learning in Cyber Security".

Date of the event: 11st January, 2023.

Objectives:

- To plan the algorithms that allow a computer to show the behavior learned from past encounters.
- Providing knowledge to students about online frauds.
- Advantages of ML in Cyber Security.

About the event:

- Department of Information Technology & Computer Science (Data Science) organized workshop "Role of Machine Learning in Cyber Security" in association with Internal Quality Assurance Cell (IQAC) & Institution's Innovation Council (IIC).
- The event was started at 12:00 PM at APJ Abdul Kalam Auditorium.
- The event was open for the students of CSE, IT and AI of our college.
- Dr. Arshad Shareef, Managing Director, Brillect Tech Solutions Pvt. Ltd.is the key- speaker of this workshop.
- He acknowledged everyone about Trending Technologies of Machine Learning, Why it is Important, Its Advantages and its role in Cyber Security.
- He also told about online safety and Security.
- Total 128 students takes benefits of this workshop.
- The event ended at 3:00 PM with Q & A session at the end.

The outcome of the event:

- Students were able to understand the importance of Machine Learning in Cyber Security.
- Students learn the basics of Safety & Security related to Cyber.

REPORT

Name of the event: Workshop on " UBUNTU & SQL".

Date of the event: 21ˢᵗ March, 2023.

Objectives:

- To improve professional training & understanding cutting-edge technologies including SQL Programming Ubuntu Terminal.
- Providing knowledge to students about Structured Query Language and Linux.
- Learn to write SQL queries, building & understanding database logic.

About the event:

- Department of Information Technology & Computer Science (Data Science) organized workshop on SQL and UBUNTU in association with Internal Quality Assurance Cell (AQIC) & Institution's Innovation Council (IIC).
- The event was started at 11:30 AM in LAB 1, VS-111 and CAD LAB (TS Building) in parallel session.
- The event was open for the students of CSE, IT and AI of our college.
- Total 135 number of students attended this workshop.
- Mr. Kshitij Chaubey, Trainer, Unisoft Tecnologies along with Mr. Prasanna Khapekar, Mr. Saurabh Joshi and Mr. Bodhiratna Sir conducted are the speaker of this workshop.
- He acknowledged everyone about trending technologies, advantages of sql and Ubuntu.
- He also told the basic difference between sql, mysql and nosql.
- The event ended at 4:00 PM with Q & A session at the end.

The outcome of the event:

- Students were able to understand the importance of SQL.
- Students learn the basic difference between SQL & NOSQL.
- At the end of this session students learnt the basics about SQL and UBUNTU.

VISION	MISSION
To be recognized as a centre of excellence in the field of Information Technology where inquisitive minds of students are fostered, leading to skills professionals for satisfying the needs of society.	1. Apply knowledge of engineering fundamentals & cutting-edge technology to identify and implement innovative solutions for engineering problems and issue in society at large. 2. Build strong interpersonal skills and will engage in life long learning to enhance their career positions, both as team members and leaders.

LETTER OF APPRECIATION

To,   Date:- 23.03.2023

Mr. Kshitij Choubey,
Trainer,
Unisoft Technologies,
Nagpur.

Dear ,

Thank you for conducting the session on **"UBUNTU & SQL"** on 21/03/2023. The students of IV & VI Semesters of CSE-IT-AI enjoyed the session and found it very informative. Feedback from the students has been positive and they are looking forward to more sessions in the future.

I appreciate all your efforts in making the Workshop a success. Thank you once again for your contribution.

Sincerely,

Prof. Mikhal John   Prof. M. M. Baig
Academic Incharge   HOD, IT
