PERFORMANCE REPORT ON OPEN MIC UNDER KAUSHALYA BY DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING AND INFORMATION TECHNOLOGY STUDENTS

J D College of Engineering & Management, Nagpur

Activity	: OPEN MIC Under Kaushalya
Date	: 11th Sep 2019
Time	: 12.45 PM
Topic	: SAVE ENVIRONMENT
Venue	: Between Phase1 and Phase2

- **Objective :**

To promote awareness among students as well as faculties that saving the environment doesn't mean protecting only our immediate environment, but also our parks, forest reserves and wildlife sanctuaries too. There is no reason to doubt that we all owe this responsibility to make our Mother Earth; a cleaner and safer place to live in.

- **Activity Details :**

As Natural environment refers all ecological units naturally present on earth in form of land, water, air, soil, forest, sunlight, minerals, living organisms, etc. All the surrounding of natural things, which are counted as the creator and operator of life on this earth, is called as environment. The declining environment has now become a very serious issue for all, as the beauty or even existence of environment is in big danger due to some objectionable acts of human being on this earth. As saving environment is an integral part of human beings and to pass the awareness about various social topics among the people. The students of IT_CSE department performed the Open Mic event to make other students aware about importance of saving the surroundings.

Idea behind the OPEN MIC was to spread the awareness about topics as “Save Environment” where they have spread the message about importance of Use Reusable Bags, Print as Little as Necessary, Recycle, Use a Reusable Beverage Containers, Don't Throw Your Notes Away, Save Electricity!, Save Water, Avoid Taking Cars or Carpool When Possible. This Open Mic performed by 2nd, 3rd and 4th year students of IT_CSE department. Total participants were 16.

- **Targeted Audience :**

Our Targeted Audience was from all the students, of all the branches.

- **Outcome of Activity :**

The Open Mic was successfully arranged on Wednesday, **11th Sep 2019** by the Department of CSE/IT under the Head Kaushalya. Through this event students were able to find a way to speak up with confidence boosting skill. Also they were able to gain awareness about keeping the environment clean.

Activity : Sport Activity

Date : 15/06/2019

Time : 2PM to 4PM

Event : Cricket (Male)

Event Venue : Playground No.01

Objective : The primary objective of the Cricket - Male event is to promote friendly competition among the students of J D College of Engineering & Management. This engaging sport aims to foster a sense of camaraderie and sportsmanship, providing an opportunity for participants to showcase their agility, precision, and teamwork.

Introduction : Welcome, participants, to the exhilarating Cricket - Male event! We believe in the holistic development of our students, and what better way to achieve this than through a fun and competitive sports activity. This event is designed to not only test your physical parameters but also enhance your strategic thinking and coordination skills.

Experience a burst of excitement as teams of talented students compete in a challenge that combines speed, accuracy, and teamwork. The objective is simple yet thrilling: score maximum goals as you can within the allotted time. This event encourages you to strategize with your teammates, communicate effectively, and, most importantly, have a great time.

Rules and Regulations:

1. Cricket is a team sport played by 2 teams of 11 players each.
2. Games have at least one inning, during which each side alternates between batting, fielding, or bowling.
3. The batmen who attempt to hit the ball with their bat will get the ball from a bowler on the fielding team.
4. The fielding crew makes an effort to dismiss the batters by:
 5. Hitting the wickets
 6. Catching a shot
 7. Or hitting the wickets before the batsmen reaches the pitch
8. Before being thrown out, the batters attempt to score as many runs as they can by:
 9. Hitting the ball and running
 10. Hitting the ball on the boundary
 11. Hitting the ball over the boundary
12. Before the fielding team can switch and begin batting, they must dismiss 10 batters.
13. To win, your side must score as many runs as possible before the opposing team's fielding squad claims 10 wickets. The group scoring the most runs prevails.
