VISION	MISSION
To be a center of excellence imparting professional education satisfying soceital and global needs.	1. Transforming students into lifelong learners through quality teaching, training and exposure to concurrent technologies. 2. Fostering conducive atmosphere for research and development through well equipped laboratories and qualified personnelin collaboration with global organization.

Alumni Event & Expense Details (ETC / CIVIL / IT / CSE / MBA / ME / CE)

Sr. NO.	Date	Name of the Event	Faculty Coordinator	Department	Name of the Alumni	Amount Spent (Rs.)
1	20-Jan-21	Seminar on "Software Development with GOLang"	Prof. Mrajul Haqque	CSE	Priyanka Dewangan	4000
2	03-03-21	Seminar on "Oracle APEX"	Prof. Chetan Padole	CSE	Ankita Bambole	4000
3	30-05-21	Seminar on Construction Practices	Mr. Nilesh Pal	Civil Engineering	Mr. Alpesh Chawre (2016-17)	2700
4	29-11-20	Seminar on Planning and Development	Mr. Nilesh Pal	Civil Engineering	Miss. Rasika Choudhari (2017-18)	1600
5	16/2/21	Workshop on "How to prepare for Competitive Exam"	Prof. Mrajul Haqque	IT	GAZALA HABIB KHAN	3500
6	17/3/21	Seminar on "AGILE & DevOps"	Prof. Chetan Padole	IT	Charulata Bhad	3500
7	08-Jun-20	Webinar on careers in Merchant Navy	Prof. Suhas Rewatkar	Mechanical Engineering	SOURABH A. CHOUDHARI, Merchant Navy	3000
8	13/04/2021	Seminar on CAREERS IN BANKING SERVICES	Prof. Rohit B. Sharma	Mechanical Engineering	Akshay Meshram, Probationary officer, Bank of India, Navi Mumbai.	3000
9	16/05/2021	Workshop on advances in cryogenics and refrigeration	Prof. Suhas Rewatkar	Mechanical Engineering	Mr. Mayank Talreja, IOCL Mumbai	3000
10	31/09/2020	Session on Alumni Talk	Prof.M.Isasare	Electrical Engineering	Miss. Ankita Makade (Alumni 2019-20)	3000
11	15-02-21	Session on "Python"	Prof. Pratiksha Panchbhai	Electrical Engineering	Miss. Shamali Kamane (Alumni 2019-20)	3000
12	01-06-20	Webinar on "Microelectronics: Know What's Inside Intel	Prof. Amol Dhankar Prof. Avinash K. Ikhar	ETC	Prof. Ritesh Chandekar	3000

Department of Electronics/Electronics and Telecommunication Engineering

"Rectifying Ideas, Amplifying Knowledge"

2020-21 (Odd /Even Sem)

| VISION	MISSION
To be a Department providing high quality & globally competent knowledge of concurrent technologies in the field of Electronics and Telecommunication."	1. To provide quality teaching learning process through well-developed educational environment and dedicated faculties. 2. To produce competent technocrats of high standards satisfying the needs of all stakeholders.

Report: Seminar on "Xilinx Vivado Tool Training"

Held on :31/05/2020

Time: 10 am onwards

Venue: Online
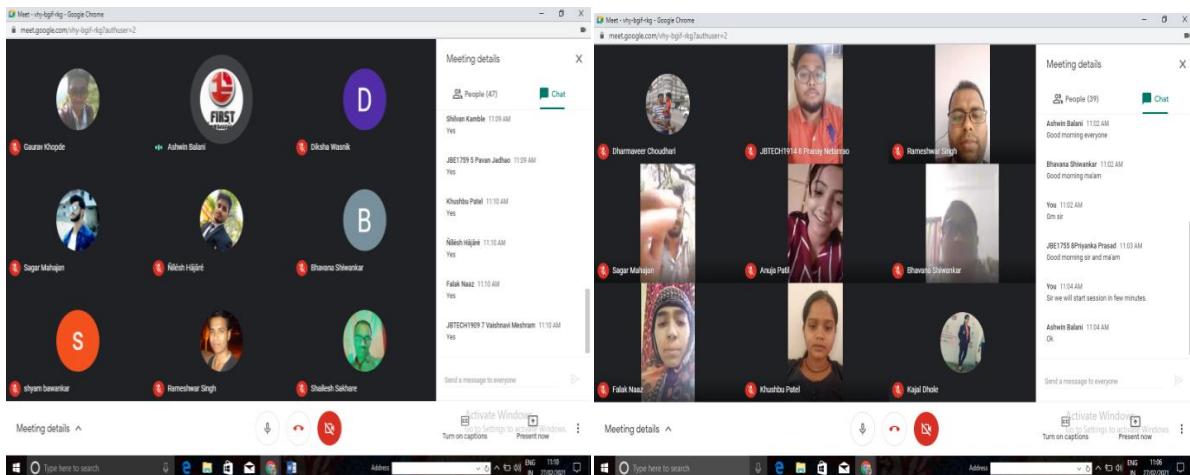

2020-21 ETC ALUMNI LECTURE

Rational/ Concept of the event:

The concept of a seminar conducted on information security involves creating a platform where participants can gain insights into the dynamic field of Xilinx Vivado Tool Training. Here's a conceptual overview of such a seminar:

1. Introduction to information security:
2. Industry Overview:
3. Career Opportunities:
4. Industry Trends and Innovations:
5. Real-world Applications:

PO mapping and attainment :

PO	PO1	PO2	PO3	PO4	PO5	PO6	PO7	PO8	PO9	PO10	PO11	PO12
Alumni Meet	1	3	3	2	3	2	1	1	2	3	2	3

Pre event feedback:
1. Evaluate the qualifications and expertise of the speakers. Participants are more likely to find value in the seminar if the speakers are knowledgeable and experienced in the field of Xilinx Vivado Tool .
2. Assess the relevance of the topics to be covered. Ensure that the seminar addresses current trends, challenges, and opportunities in the Xilinx Vivado Tool industry to keep participants engaged and informed.
3. Understand the expectations of the target audience. Ensure that the seminar aligns with what participants are seeking, whether it's career guidance, industry insights, or practical skills development.

Objectives:
1. The primary goal of the seminar could be to educate participants about the field of Xilinx Vivado Tool , its significance, and its role in various industries.
2. Showcase the diverse career opportunities available in the field of Xilinx Vivado Tool . Discuss the demand for Xilinx Vivado Tool professionals in sectors such as finance, healthcare, marketing, and technology.
3. Discuss the latest trends and advancements in Xilinx Vivado Tool . Cover topics like machine learning, artificial intelligence, big data, and predictive analytics to give participants a comprehensive understanding of the evolving landscape.
4. Demonstrate how Xilinx Vivado Tool is being applied in real-world scenarios.
5. Create a platform for participants to connect with professionals in the Xilinx Vivado Tool field. Encourage networking among attendees, speakers, and industry experts to facilitate potential collaborations and opportunities.

Modalities: The seminar began with a welcome address and an overview of the agenda. The sessions were designed to cover a broad spectrum of topics, ensuring a comprehensive understanding of the opportunities available in information security and cryptography. Alumni named Ashish S. Khachne of class 2014 attended the event. Event ended with a vote of thanks.
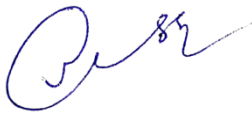

No of attendees: 32

Financial implications:

Sr. No.	Items	No.	Cost
3	Remuneration		3000
Total			3000 /-

Post event publicity: Status of Creation and circulation of post for whatsapp, instagram, news for the media etc.

Post Event Feedback:

1. The seminar effectively conveyed fundamental concepts and techniques in Xilinx Vivado Tool . The content was well-structured, making it accessible to both beginners and those with some background in the field.

2. The discussions on career opportunities were highly informative. The seminar succeeded in highlighting the diverse paths available in Xilinx Vivado Tool , and the insights provided about the demand in various industries were valuable for career planning.

3. The use of case studies and success stories effectively demonstrated how Xilinx Vivado Tool is applied in practical scenarios. This approach helped bridge the gap between theory and real-world implementation.

4. The seminar provided excellent networking opportunities. The chance to interact with speakers, industry experts, and fellow participants was appreciated, and I believe it will lead to valuable connections in the future.

5. The emphasis on fostering a culture of innovation within Xilinx Vivado Tool was inspiring. It encouraged participants to think creatively and explore new possibilities within the field.

Report: Seminar on "AGILE & DevOps"

Held on :17/03/2021

Time: 12 AM onwards

Venue: CC LAB

2020-21 IT ALUMNI GUEST LECTURE

Rational/Concept of the event: A seminar on "Agile & DevOps" could cover various aspects related to these two methodologies that are widely used in the software development and IT industry.

PO mapping and attainment :

PO	PO1	PO2	PO3	PO4	PO5	PO6	PO7	PO8	PO9	PO10	PO11	PO12
Alumni Meet	1	2	1	1	2	-	-	-	2	1	2	3

Pre event feedback:
1. Ensure that the objectives of the seminar are clear and well-defined. Participants should have a clear understanding of what they will gain from attending the seminar.
2. Consider the background and expertise of your target audience.
3. Interactive elements such as Q&A sessions, discussions, and workshops to keep participants engaged and encourage active participation.

Objectives:
1. Provide an introduction to Agile and DevOps methodologies.
2. Explain the fundamental principles and values of Agile and DevOps.
3. Increase awareness about the benefits of Agile and DevOps in software development and IT operations.
4. Discuss how these methodologies facilitate faster development, frequent releases, and efficient operations.
5. Identify common challenges in adopting Agile and DevOps and discuss potential solutions.

Modalities: A seminar on "Agile & DevOps" could cover various aspects related to these two methodologies that are widely used in the software development and IT industry. Here's a conceptual outline :

1. Introduction:
   Welcome and Registration

Brief Overview of the Seminar's Objectives
2. Understanding Agile Methodology:
   Definition and Core Principles of Agile
   Agile Manifesto and its Values
3. Agile and DevOps Integration:
   The Synergy Between Agile and DevOps
   Overcoming Silos: Streamlining Communication and Collaboration
4. Future Trends and Innovations
5. Q&A

No of attendees: 74

Financial implications:

Sr. No.	Items	No.	Cost
1	Bouquet	1	100
2	Snacks & Tea	1	300
3	Remuneration		3000
4	Misc.		100
Total			**3500 /-**

Post event publicity: Status of Creation and circulation of post for whatsapp, instagram, news for the media etc.

Post Event Feedback:
1. The seminar offered a well-rounded overview of the entire Agile & DevOps, covering each phase in sufficient detail. This comprehensive approach allowed attendees to gain a holistic understanding of the subject matter.
2. The presenters demonstrated a commendable ability to convey complex concepts in a clear and concise manner
3. The inclusion of real-world case studies was particularly beneficial. These examples helped bridge the gap between theory and practical application, providing valuable insights into the challenges and successes encountered in actual software development projects.
4. The interactive sessions and workshops added a dynamic element to the seminar. The opportunity to engage in discussions and ask questions fostered a deeper understanding of the material.

Report: Workshop on "How to Prepare for Competitive Exams"

Held on :16/02/2021

Time: 11 AM onwards

Venue: VS 207
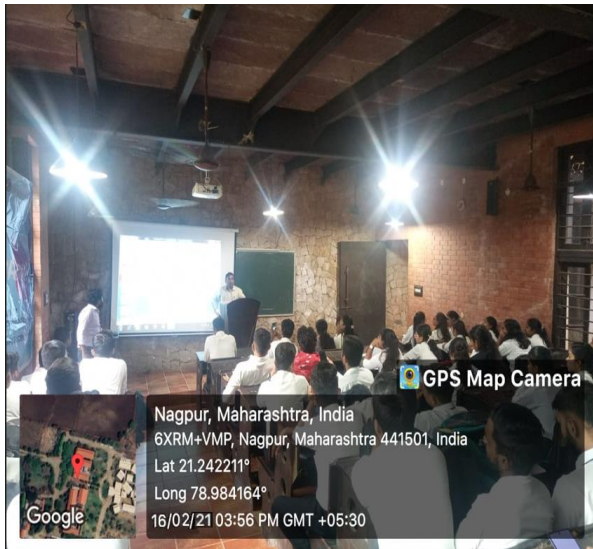

2020-21 IT ALUMNI GUEST LECTURE

Rational/Concept of the event: A workshop on "How to Prepare for Competitive Exams" aims to equip participants with effective strategies, study techniques, and a positive mindset to excel in competitive examinations. The workshop can cater to a diverse audience, including students preparing for entrance exams, job seekers preparing for competitive job exams, or any individual aiming to enhance their competitive exam performance.

PO mapping and attainment :

PO	PO1	PO2	PO3	PO4	PO5	PO6	PO7	PO8	PO9	PO10	PO11	PO12
Alumni Meet	1	2	-	1	-	-	1	1	2	1	-	2

Pre event feedback:
1. Plan for interactive sessions, such as Q&A sessions, and group discussions.
2. Most of the students are unaware about the ongoing government exams.
3. Some Students are aware but they don't know the topics and how to tackle the questions.

Objectives:
1. Understand the strategies and techniques for effective exam preparation.
2. Learn time management and stress reduction techniques.
3. Gain insights into the specific requirements of various competitive exams.
4. Develop a personalized study plan.

Modalities: Organizing a workshop on "How to Prepare for Competitive Exams" involves careful planning to ensure it provides valuable insights and practical tips for participants. Here are the modalities:

1. Identify the specific competitive exams your workshop will focus on (e.g., SAT, GRE, UPSC, etc.).
2. Overview of different competitive exams.

3. Analysis of exam patterns and question types.
4. Memory enhancement techniques.
5. Strategies for allocating time to different sections.

No of attendees: 72

Financial implications:

Sr. No.	Items	No.	Cost
1	Bouquet	1	100
2	Snacks & Tea	1	300
3	Remuneration		3000
4	Misc.		100
Total			**3500 /-**

Post event publicity: Status of Creation and circulation of post for whatsapp, instagram, news for the media etc.

Post Event Feedback:

1. In-depth insights into Exam preparation strategies.
2. Interactive sessions addressing common government exam challenges.
3. Importance of GATE exam is explained in full details.
4. Students wants this type of workshop more in the future.

Report on Webinar on Careers in Merchant Navy

Held on: 8-Jun-20

Time: 10.00 A.M. to 12.00 P.M.

Venue: Virtual Event (Due to COVID-19 Pandemic)
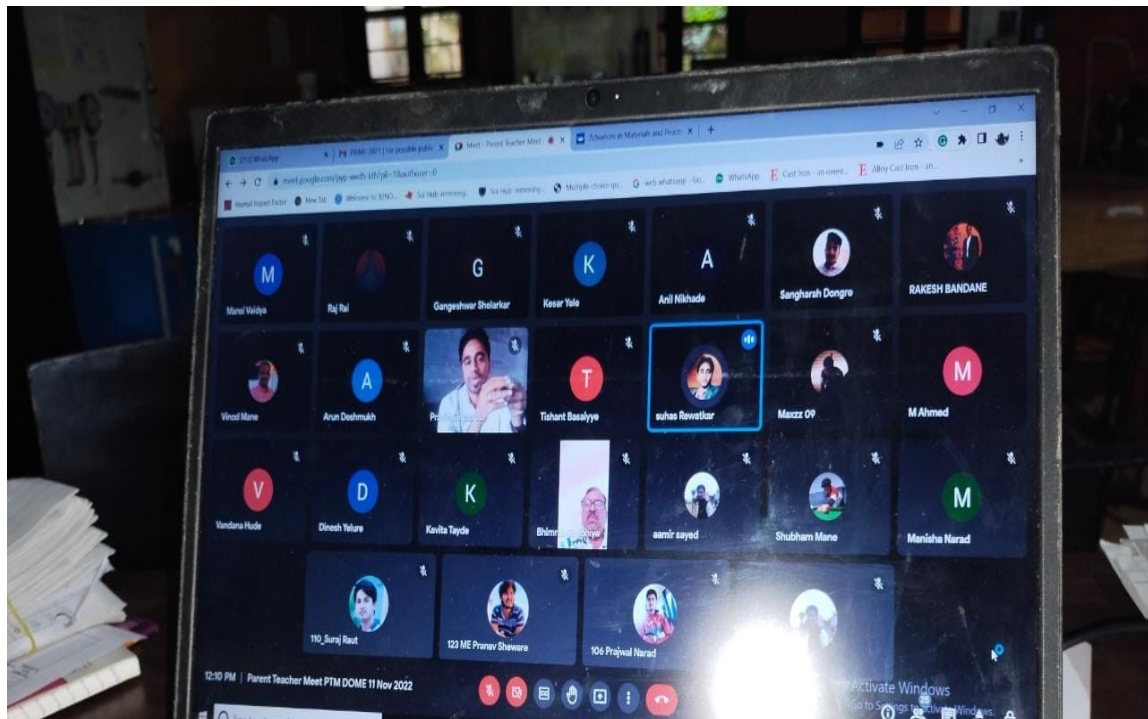

Rationale/Concept of the Event:

The Webinar on Careers in Merchant Navy aimed to provide students with insights into the opportunities and challenges of pursuing a career in the Merchant Navy. This virtual event allowed participants to explore different career paths, understand industry expectations, and receive guidance from Sourabh A. Choudhari, an experienced professional in the Merchant Navy.

CO Mapping and Attainment:

The webinar aligned with the course outcomes by enhancing students' understanding of potential career paths in the Merchant Navy. It facilitated the mapping of theoretical knowledge to practical applications, even in the unique context of a maritime career.

Pre-event Feedback:

1. "Exciting opportunity to learn about careers in Merchant Navy, especially in these challenging times."

2. "Great initiative to bring in a professional to guide us virtually."

3. "Hope to gain insights into the Merchant Navy industry and its future prospects."

Objectives:

1. To introduce students to various career paths in the Merchant Navy.

2. To provide guidance on the unique challenges and opportunities in maritime careers.

3. To connect students with an experienced professional, Sourabh A. Choudhari, currently serving in the Merchant Navy.

Modalities: (How the Event Was Conducted)

The webinar featured a presentation by Sourabh A. Choudhari, followed by a Q&A session where students could seek advice and clarification. The virtual format allowed for seamless interaction despite the challenges posed by the COVID-19 pandemic.

No of Attendees:

Approximately 85 students and faculty members attended the virtual webinar.

Financial Implications:

The event incurred expenses related to the virtual platform, promotional materials, and speaker honorarium. The total expenditure was INR 3100. Detailed financial reports are available upon request.

Post-event Publicity:

Efforts were made to create and circulate posts on online platforms, emphasizing the adaptation to a virtual format due to the ongoing COVID-19 pandemic.

Post-event Feedback:

1. "Insightful webinar, learned a lot about the Merchant Navy industry."

2. "Connecting with a professional virtually was a unique and beneficial experience."

3. "Appreciate the effort in organizing events even during the pandemic, keeping us informed about potential career paths."

Outcome:

1. Increased awareness of the diverse career opportunities in the Merchant Navy.

2. Strengthened alumni-student connections, providing students with valuable insights into maritime careers.

3. Positive feedback from attendees highlighted the success of the webinar in achieving its objectives, despite the challenges posed by the COVID-19 pandemic.

Mapping & Attainment (CO/PO):

Report on Webinar on Careers in Banking Services

Held on: 13-Apr-2021

Time: 12.00 P.M. to 02.00 P.M.

Venue: Online (Google Meet)
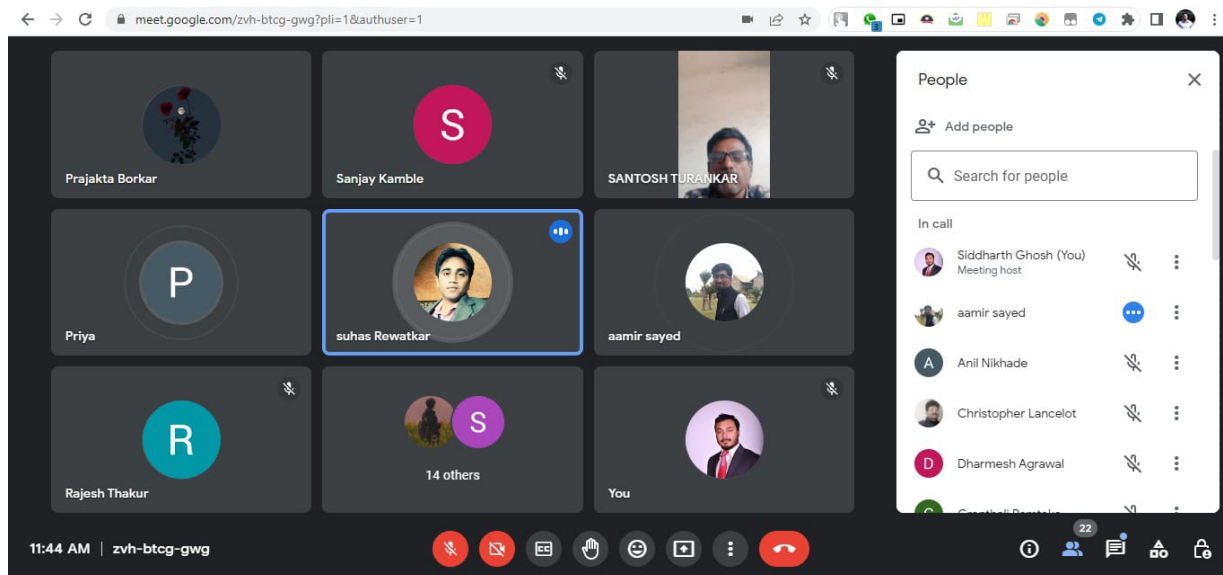

Rationale/Concept of the Event:

The Seminar on Careers in Banking Services aimed to enlighten students about the diverse career opportunities in the banking sector. The event provided a platform for participants to explore different roles, understand industry expectations, and gain insights from Akshay Meshram, a Probationary Officer at Bank of India, Navi Mumbai.

CO Mapping and Attainment:

The seminar aligned with the course outcomes by enhancing students' understanding of potential career paths in banking services. It facilitated the mapping of theoretical knowledge to practical applications, emphasizing the role of mechanical engineers in the financial sector.

Pre-event Feedback:

1. "Exciting opportunity to learn about careers in banking, expanding our horizons beyond traditional paths."

2. "Great initiative to bring in a professional from the banking sector to guide us."

3. "Hope to gain insights into the banking industry and its connection with mechanical engineering."

Objectives:

1. To introduce students to various career paths in banking services.

2. To provide guidance on the recruitment processes and specific requirements for banking roles.

3. To connect students with an experienced professional, Akshay Meshram, currently serving as a Probationary Officer at Bank of India, Navi Mumbai.

Modalities: (How the Event Was Conducted)

The seminar featured a presentation by Akshay Meshram, followed by a Q&A session where students could seek advice and clarification. The virtual format allowed for seamless interaction, adapting to the ongoing challenges posed by the COVID-19 pandemic.

No of Attendees:

Approximately [Insert Number] students and faculty members attended the virtual seminar.

Financial Implications:

The event incurred expenses related to the virtual platform, promotional materials, and speaker honorarium. The total expenditure was INR 3300. Detailed financial reports are available upon request.

Post-event Publicity:

Efforts were made to create and circulate posts on online platforms, highlighting the insights gained from the banking services seminar, despite the challenges posed by the COVID-19 pandemic.

Post-event Feedback:

1. "Insightful seminar, learned a lot about the banking industry and its potential for mechanical engineers."

2. "Connecting with a professional from the banking sector was invaluable for understanding career prospects."

3. "Appreciate the effort in organizing events, even during the pandemic, broadening our career horizons."

Outcome:

1. Increased awareness of the diverse career opportunities for mechanical engineers in the banking sector.

2. Strengthened alumni-student connections, providing students with valuable insights into banking careers.

3. Positive feedback from attendees highlighted the success of the seminar in achieving its objectives, adapting to the challenges posed by the COVID-19 pandemic.

Report on Workshop on Advances in Cryogenics and Refrigeration

Held on: 16-May-2021

Time:12.30 A.M. to 2.30 P.M.

Venue: Mechanical Engineering Department

Rationale/Concept of the Event:

The Workshop on Advances in Cryogenics and Refrigeration aimed to delve into the cutting-edge developments in the field, providing participants with insights into the latest technologies and applications. The workshop facilitated an exploration of cryogenic and refrigeration advancements, with expert guidance from Mr. Mayank Talreja, an expert from Indian Oil Corporation Limited (IOCL) Mumbai.

CO Mapping and Attainment:

The workshop significantly contributed to the attainment of course outcomes by enhancing students' understanding of advanced concepts in cryogenics and refrigeration. It aligned theoretical knowledge with practical applications, emphasizing the importance of staying updated on emerging technologies in the field.

Pre-event Feedback:

1. "Exciting opportunity to learn about the latest developments in cryogenics and refrigeration."

2. "Great initiative to bring in an expert from IOCL; looking forward to practical insights."

3. "Hope to gain hands-on experience and understand the industrial applications of these advancements."

Objectives:

1. To introduce students to the recent advancements in cryogenics and refrigeration.

2. To provide hands-on experience and practical insights into industrial applications.

3. To connect students with an industry expert, Mr. Mayank Talreja, from IOCL Mumbai.

Modalities: (How the Event Was Conducted)

The workshop included presentations, demonstrations, and hands-on sessions led by Mr. Mayank Talreja. The interactive format allowed participants to engage directly with advanced equipment and technologies.

No of Attendees:

Approximately 33 students and faculty members attended the workshop.

Financial Implications:

The event incurred expenses related to venue arrangements, workshop materials, and speaker honorarium. The total expenditure was INR 3200. Detailed financial reports are available upon request.

Post-event Publicity:

Efforts were made to showcase the workshop's success through online platforms, emphasizing the practical insights gained and the relevance of the workshop to the field.

Post-event Feedback:

1. "Invaluable workshop; gained practical insights into the advancements in cryogenics."

2. "Connecting with an industry expert like Mr. Mayank Talreja was a unique and beneficial experience."

3. "Appreciate the effort in organizing workshops, keeping us updated on industry trends."

Outcome:

1. Increased awareness of the recent advancements in cryogenics and refrigeration.

2. Enhanced practical knowledge and hands-on experience for students in the field.

3. Positive feedback from attendees highlighted the success of the workshop in achieving its objectives and providing real-world insights.
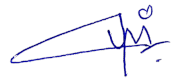

Mapping & Attainment (CO/PO):

VISION	MISSION
To be a center of excellence imparting professional education satisfying societal and global needs.	1. Transforming students into lifelong learners through, quality teaching, training and exposure to concurrent technologies. 2. Fostering conducive atmosphere for research and development through well-equipped laboratories and qualified personnel in collaboration with global organizations.

Introduction:

The Exit Seminar for MBA students took an insightful turn as Mr. Ashish Agrawal, Major Account Manager at Ricoh India Ltd., Bangalore, graced the virtual stage to share his wisdom on "Beyond the Classroom: Navigating the Real World." This report encapsulates the essence of Mr. Agrawal's session, highlighting key takeaways for the graduating cohort.

Key Insights: Mr. Agrawal commenced the seminar by reflecting on his own journey post-MBA, emphasizing the transition from academic learning to real-world application. He stressed the importance of adaptability and resilience in navigating the complexities of the corporate landscape, urging students to embrace challenges as opportunities for growth.

A central theme of Mr. Agrawal's discourse was the significance of interpersonal skills and relationship-building in professional success. He shared practical tips and anecdotes to underscore the importance of effective communication, networking, and collaboration in achieving career objectives.

Furthermore, Mr. Agrawal shed light on the evolving nature of industries and the need for continuous learning. He encouraged students to stay updated with market trends, technology advancements, and industry best practices, emphasizing the role of lifelong learning in staying relevant and competitive.

Conclusion:

In conclusion, Mr. Ashish Agrawal's address at the Exit Seminar provided MBA students with invaluable insights and strategies for navigating the transition from academia to the corporate world. His emphasis on adaptability, interpersonal skills, and continuous learning resonated deeply with the graduating cohort, empowering them to embark on their professional journeys with confidence and determination.

Introduction:

The Exit Seminar for MBA students took an enlightening turn with the presence of Mr. Praful Bhuyar, Senior Manager, KPMG Advisory Services Pvt. Ltd., Mumbai. His session, titled " The MBA Roadmap: Alumni Navigating Career Landscapes" provided a profound insight into navigating the professional world post-MBA. This report encapsulates the essence of Mr. Dayma's session, delineating key takeaways for the graduating cohort.

Mr. Praful Bhuyar initiated the seminar by delving into his personal journey following his MBA, emphasizing the pivotal shift from theoretical knowledge to practical application. He underscored the paramount importance of adaptability and resilience in maneuvering through the intricacies of the corporate sphere, urging students to view challenges as catalysts for personal and professional growth.

A recurring theme throughout Mr. Praful Bhuyar discourse was the indispensable role of interpersonal skills and relationship-building in fostering career advancement. He supplemented his insights with practical advice and illustrative anecdotes, highlighting the significance of effective communication, networking, and collaborative prowess in accomplishing career aspirations.

Moreover, Mr. Bhuyar shed light on the dynamic landscape of industries and the imperative of perpetual learning. He urged students to remain abreast of market dynamics, technological advancements, and industry benchmarks, emphasizing the pivotal role of lifelong learning in sustaining relevance and competitiveness.

Conclusion:

In conclusion, Mr. Bhuyar's address at the Exit Seminar bestowed invaluable insights and strategic guidance upon MBA students, facilitating their transition from academia to the corporate realm. His emphasis on adaptability, interpersonal acumen, and continuous self-

VISION	MISSION
To be a center of excellence imparting professional education satisfying societal and global needs.	1. Transforming students into lifelong learners through, quality teaching, training and exposure to concurrent technologies. 2. Fostering conducive atmosphere for research and development through well-equipped laboratories and qualified personnel in collaboration with global organizations.

Education to Eternity

Recommendations:

Future sessions within the framework of "The MBA Odyssey: Alumni Tales of Triumph" should continue to feature industry experts like Mr. Hore. This ensures that students receive practical guidance and real-world perspectives, enriching their MBA experience and preparing them more effectively for their professional endeavors.

REPORT ON ALUMNI SESSION

CONDUCTED BY: Department of Business Management

DATE OF EVENT: 13/07/2021

NAME OF SPEAKER: Mr. Ketan Bhute, Team Leader, Cognizant, Pune

TOPIC: Success Beyond the Degree: Alumni Stories and Strategies

MODE: Online

MBA: Alumni Expert Guest Lecture

JAIDEV EDUCATION SOCIETY'S
J D COLLEGE OF ENGINEERING AND MANAGEMENT
KATOL ROAD, NAGPUR
Website: www.jdcoem.ac.in   E-mail: info@jdcoem.ac.in

VISION	MISSION
To be a center of excellence imparting professional education satisfying societal and global needs.	1. Transforming students into lifelong learners through, quality teaching, training and exposure to concurrent technologies. 2. Fostering conducive atmosphere for research and development through well-equipped laboratories and qualified personnel in collaboration with global organizations.

Introduction:

Mr. Ketan Bhute, Team Leader at Cognizant, Pune, who shared his insights on "Success Beyond the Degree: Alumni Stories and Strategies." This report encapsulates the essence of Mr. Bhute's session, focusing on key takeaways for the graduating cohort.

Mr. Bhute initiated the session by delving into his personal journey post-MBA, emphasizing the transformative nature of the experience. He underscored the transition from academia to the corporate world as a critical phase in every MBA graduate's journey, stressing the importance of resilience and adaptability in navigating the professional landscape.

A central theme of Mr. Bhute's discourse revolved around the significance of alumni stories and strategies in achieving career success. He shared practical tips and anecdotes to illustrate the importance of leveraging alumni networks, mentorship opportunities, and strategic planning in realizing professional aspirations beyond the degree.

Furthermore, Mr. Bhute shed light on the evolving nature of industries and the imperative of continuous skill development. He encouraged students to embrace lifelong learning, stay updated with industry trends, and proactively seek growth opportunities, emphasizing the role of self-improvement in sustaining relevance and competitiveness.

Conclusion:

In conclusion, Mr. Ketan Bhute's session on "Success Beyond the Degree: Alumni Stories and Strategies" provided MBA students with invaluable insights and actionable strategies for their professional journeys. His emphasis on resilience, alumni networks, and continuous skill development resonated deeply with the graduating cohort, empowering them to navigate the corporate landscape with confidence and determination.

JDCOEM/DOCE /ACES/LETTER/_____   **DATE**:– 28th March 2021

REPORT- "ALUMNI MEET 2k21"

OBJECTIVES:-

➢ To interact with alumni and meet with everyone after many years through google meet.
➢ Members of association of civil engineering student (ACES) forum, organize 'Alumni Meet' for our alumni's bring them to college.

PLANNING & PREPARATION:-

➢ The ACES Forum planned to organize the **"Alumni Meet 2k21"**.
➢ The event was planned to be executed on **27/03/2021** at 11:00 am through Google Meet.
➢ With due Permission of Dr. N. V. Pradnyakar, Dean Student & Capacity Building, JDCOEM, Nagpur & Prof. Atika Ingole, HOD Civil Engineering Department, JDCOEM, Nagpur we started the preparation of event under the guidance of Prof. Ankit Konlade, Coordinator, ACES Forum, Civil Engineering Department, JDCOEM, Nagpur.
➢ The promotion for the event was started from 24/03/2021 by 2 videos and event posters displayed on 27/03/2021 morning at 10:00 am.
➢ Promotional posters and messages were circulated with alumni of batches 2015- 2021 and ACES Forum, JDCOEM, Nagpur.
➢ The Google Meet link of program was floated on only Alumni's group at 10:00 am.
➢ All the above preparation and work was under the control the instructions of HOD civil department.

EXECUTION:-

➢ Event started on 27/03/2021 and the work has been executed under the guidance of Prof. Atika Ingole, HOD, Civil Engineering, JDCOEM, Nagpur, and all faculty members.
➢ In the event, the alumni, ACES forum and all faculties had been participated.
➢ Prof. Atika Ingole, HOD, Civil Engineering, JDCOEM, Nagpur welcomes the guest and shared with us old sweet memories that they spent with our alumni, Prof. Atul Gautam and Prof. Nilesh Pal also share their views and experience with alumni.
➢ Prof, Suhash Rewatkar, Alumni In-charge, JDCOEM, Nagpur told us about **"MY ALUMNI NETWORK"** application and also its benefits.
➢ We took some activities for the enjoyment of our alumni, in which our alumni enjoyed a lot.

➢ The program is ended with vote of thanks by Prof, Shakil Khan, Alumni Coordinator, JDCOEM, Nagpur.

Event date: 27/03/2021
Event time: 11:00 am – 12:25 pm
Google Meet: http://meet.google.com/vrq-mkgh-rmg
No. of Attendees: 80

FLOW OF EVENT: -

Sr. No.	Event	Date	Time/Duration
1.	**Arrival of Alumni**		11:00 am – 11:10 am
2.	**Welcoming of Guest**		11:10 am – 11:15 am
3.	**Introduction of ACES & Alumni Meet**		11:15 am – 11:20 am
4.	**Welcome Note:** Prof. Atika Ingole Head of Department, Civil	27/03/2021 (Sunday)	11:20 am – 11:25 am
5.	**Alumni In charge Speech:** Prof. Suhash Rewatkar Alumni In charge, JDCOEM Nagpur		11:25 am – 11:30 am
6.	**Activity**		11:30 am – 11:50 am
7.	**Alumni Speech**		11:50 am – 12:15 pm
8.	**Vote of Thanks:** Prof. Shakil Khan Alumni Coordinator		12:15 pm – 12:25 pm

OUTCOME: -

➢ Juniors got to hear the experience from their alumni, and alumni also enjoy the meet and they enjoyed every moment.

CONCLUSION: -

➢ The Event was conducted successfully by efforts of Faculty Coordinators and ACES Forum.
➢ Alumni meet with their faculties and relive their old memories.
➢ Student should do bonding and conversation with their alumni for good experience and career guideline.

Department Of Electrical Engineering
"Igniting minds to illuminate the world"
2020-21 (Odd Sem)

VISION	MISSION
"To develop competent and committed Electrical Engineers to serve the society"	1. To impart quality education in the field of Electrical Engineering. 2. To be excellent learning centre through research and industry interaction.

Report on
"STUDENT-ALUMNI INTERACTION"

Held on: 30/09/2020

Time: 11 to 12.30 p.m

Venue: Online Mode
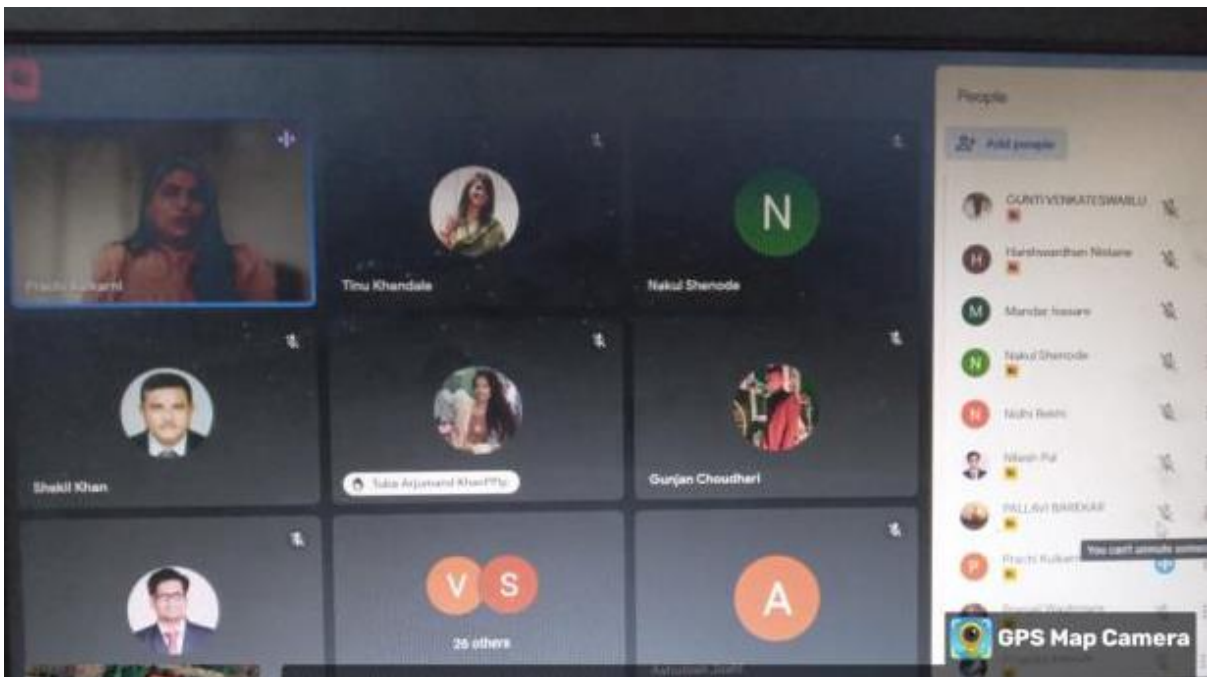

Online Alumni Interaction
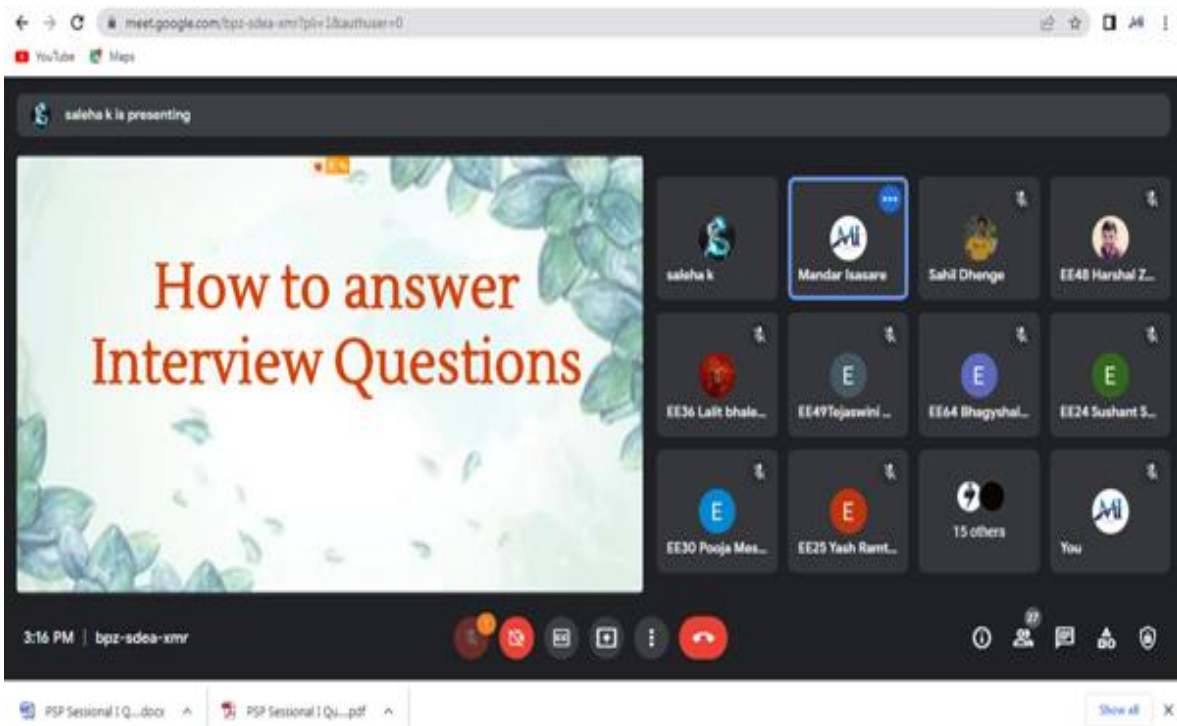

Online Alumni Interaction

Rational/Concept of the event:

Alumni refer to former students of a particular school or college. Electrical Engineering Society was very fortunate to organize an alumni meet for the current batch students. Ms.Ankita Makade from 2020 pass out batch was invited to speak with the Electrical Engineering students. She was asked to motivate and guide them through her past and present experiences as being an ex-student of the department as well as an employee of IT industry.

The students also were so much enthusiastic to see Ms. Ankita Makade as she was very recent senior to many of the students.

Pre event feedback:
1. Date and time of the alumni was taken well in advance for the session.
2. Information was gathered from the current students to test their knowledge of placement preparation.

Objectives:
1. The objective of the program was to make students understand how they can have a successful engineering career in future.
2. To act as a link between the "college and the "Alumni" (the past students).
3. To provide a platform for interaction between alumni, present students, faculty of the college and college administration.
4. To improve the facilities and infrastructure of the college with the help of active participation of the alumni.

Modalities:

The program started with welcome speech by Dr.V.S.Dhok, H.O.D, EE Department where she introduced Ms.Ankita Makade with Electrical Engineering students. She also shared her memory about Ms.Ankita Makade and congratulated her on successful career at Traya Health.

Ms.Ankita Makade started her speech with special thanks to all the faculties as well as staffs for supporting and guiding her continuously throughout 4 years of engineering journey at JDCOEM.She expressed her special gratitude towards Dr. V.S.Dhok, H.O.D, EE Department who has been her friend philosopher as well as her guide and has provided her with the platform to launch himself in today's competitive world.

Ms.Ankita Makade in her speech highlighted some of the important criteria's which current industry normally seeks from any candidate and motivated the students to understand the fundamentals of every subject so that after completion of their course it becomes easy for them to choose a specific field. She also encouraged the students to perform group studies and to do various software as well as hardware projects which will increase the weightage of their CVs. While interacting with the students, she urged every student to develop some key skills which will act as their asset at the time of their placements.

The program ended with vote of thanks by Forum president who thanked Ms.Ankita Makade for taking out time from her busy schedule and motivating as well as guiding the students of EE Department for better carrier growth.

No of attendees: 35

Financial implications: 3000/-

Post event publicity: Status of Creation and circulation of post for whatsapp, instagram, news for the media etc.

Post Event Feedback:
1. What is your level of satisfaction with this event?
2. Was the event helpful to you?
3. Are you being aware about the future challenges?

Outcome:
1. Inspire the students through their success stories.
2. Create opportunities for jobs and internships for students. Make Wider Professional Network.
3. Access College resources for further studies.

Report on
"Session on Python"

Held on: 15/02/2021

Time: 3 to 3.30 pm

Venue: Online Mode
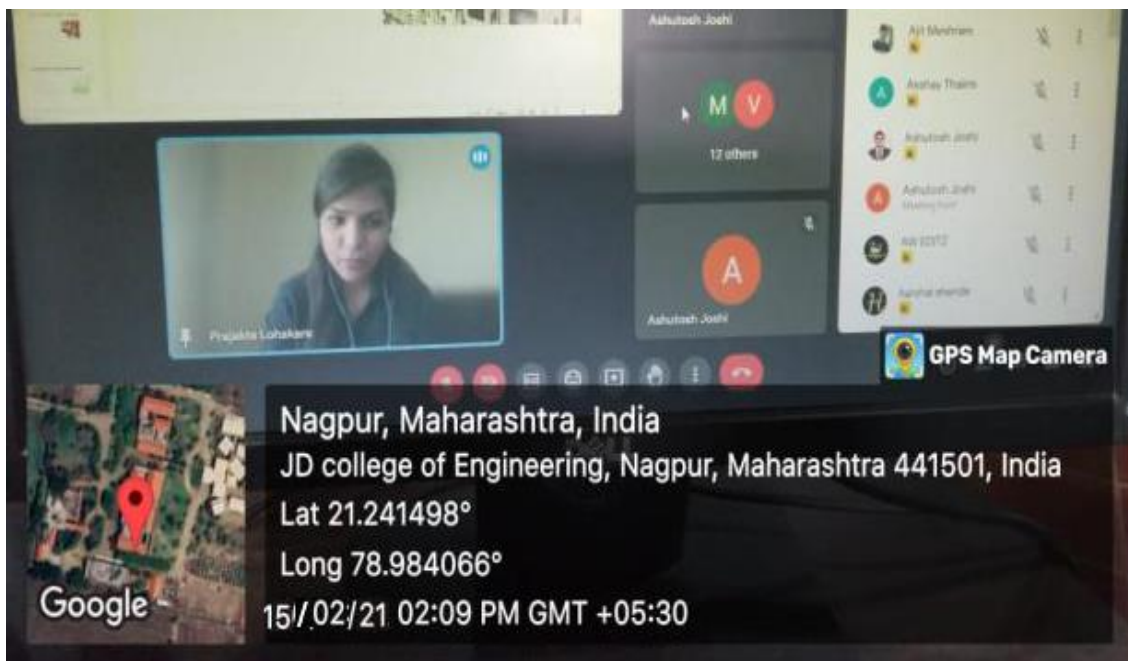

Alumni Interaction of Ms. Shamali Kamane

Rational/Concept of the event: Python is a computer programming language often used to build websites and software, automate tasks, and analyze data. Python is a general-purpose language, not specialized for any specific problems, and used to create various programmed.Python has a simple syntax similar to the English language. Python has syntax that allows developers to write programs with fewer lines than some other programming languages. Python runs on an interpreter system, meaning that code can be executed as soon as it is written. This means that prototyping can be very quick.

Pre event feedback:
1.Do you aware of Python language.
 2.Do find software language is important.

Objectives:
1. To understand why Python is a useful scripting language for developers.
2.To learn how to design and program Python applications.
3.To learn how to use lists, tuples, and dictionaries in Python programs.
4.To learn how to identify Python object types.

Modalities: Event started with welcoming of alumni by the delta forum president. Alumni student Shamali Kamane gave a brief on her journey in college She also speak about Python Programming is intended for software engineers, systems analysts, program managers and user support personnel who wish to learn the Python programming language. Student of 3rd and 4th year discussed their queries about interview preparations and final year project. Event ended with a vote of thanks.

No of attendees: 25

Financial implications: 3000

Post event publicity: Status of Creation and circulation of post for whatsapp, instagram, news for the media etc.

Post Event Feedback:
1. What is your level of satisfaction with this event?
2. Which of the following is not a keyword?
3. Which of the following is true for variable names in Python

Outcome:
    1. To understand why Python is a useful scripting language for developers.
    2. To learn how to design and program Python applications. To learn how to use lists, tuples, and dictionaries in Python programs
    3. To learn how to identify Python object types.

Report on Seminar on "Oracle APEX"

Held on: 03/03/2021

Time: 12pm to 2pm

Venue:Lab 5
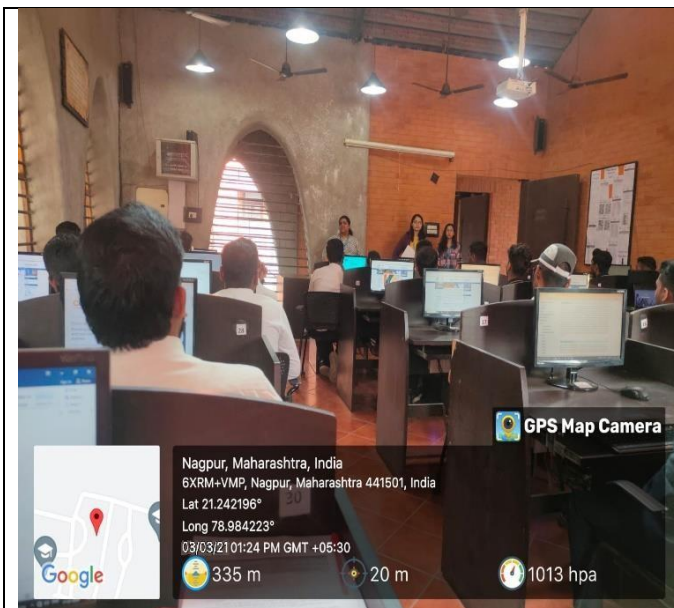

Mrs. Ankita Bambole Share the knowledge of Oracle
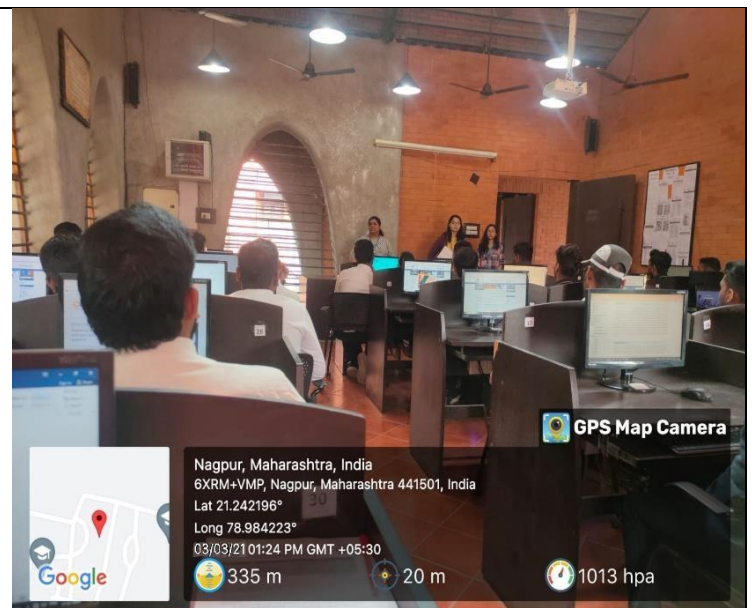

Expert Perform the Practical on APEX

Rational/Concept of the event:

The rational concept of a seminar on Oracle APEX involves providing participants with a comprehensive understanding of Oracle Application Express and its capabilities. The seminar aims to deliver valuable insights, knowledge, and practical skills related to the development of web applications using Oracle APEX. Here are key components of the rational concept for a seminar on Oracle APEX: The main motive of the seminar is to equip participants with the knowledge and skills needed to leverage Oracle APEX for efficient web application development. It should inspire confidence in using APEX and encourage participants to explore its capabilities in their own projects.

CO mapping and attainment:

Pre event feedback:
1. Seminar Outline and Agenda:
   - It would be immensely helpful to receive a detailed agenda or workshop outline in advance. Having a clear understanding of the topics to be covered, the structure of the workshop, and any planned breaks will allow participants to prepare effectively.
2. Prerequisites and Setup Instructions:
   - If there are any prerequisites or specific setup requirements for participants (e.g., software installations, account creations), please provide clear instructions in advance. This will help ensure that everyone is ready to actively participate in the hands-on components of the workshop.
3. Interactivity and Participant Engagement:
   - As a participant, I am particularly interested in the level of interactivity planned for the workshop. Are there opportunities for participants to ask questions, seek clarification, and actively engage with the instructors and fellow participants?
4. Networking Opportunities:
   - Workshops provide an excellent environment for networking and knowledge exchange. If there are any planned networking activities or opportunities for participants to connect with each other, please provide details on how these interactions will be facilitated.
5. Technical Support:
   - In case participants encounter technical issues during the hands-on sessions, having clear information about the technical support available would be reassuring. This could include contact details or a dedicated support channel.

Objectives:
1. Introduction to Oracle APEX:

   - Provide participants with a clear understanding of what Oracle APEX is and its role in application development.
2. Overview of Features and Components:
   - Familiarize participants with the key features, components, and architecture of Oracle APEX.
3. Hands-On Experience:
   - Offer hands-on workshops or demonstrations to allow participants to actively engage with the Oracle APEX environment and gain practical experience.

4. Data Modeling and Database Integration:
   - Cover the data modeling capabilities of Oracle APEX, emphasizing its integration with the Oracle Database.
5. Application Design and Development:
   - Explore the design principles and development methodologies for creating applications in Oracle APEX.
6. Real-World Use Cases:
   - Present real-world use cases and examples of successful implementations of Oracle APEX in different industries.

Modalities: (How the event was conducted)

Program was conducted by the JDCOEM under the banner **SCHOLOGAMA** on the 31/08/2021 at **JDCOEM, Nagpur**. The seminar was conducted for third and final year students of CSE. **Mrs. Ankita Bambole** keynote speaker engaged the audience through a captivating lecture, bringing together a diverse audience interested in exploring the advancements and applications of AI and deep learning. The event successfully achieved its objectives of providing valuable insights, fostering knowledge.

A dedicated Q&A session allowed students to interact directly with Mr. Anant Sinha, clarifying doubts.

Post-event, resources were distributed by Prof. Manoj Titre, ensuring a comprehensive understanding of the policy changes.

The session came to a formal end as Prof. Manoj Titre delivered the gracious vote of thanks.

The seminar started at 10:30am and went up to 2:00pm in the Day.

No of attendees:93

Financial implications:3300

Post event publicity:Whats app

Post Event Feedback:

Effectiveness of the Activity
   o Did the seminar contribute to a clearer understanding of key objectives? [Yes/No]
   o Did the event meet your expectations? [Yes/No]
   o Were the interactive workshops and visual presentations effective? [Yes/No]

   Organization and Execution
   o Was the event well-organized? [Yes/No]
   o Were the necessary resources and materials available? [Yes/No]
   o Were you satisfied with the overall organization and execution of the event? [Yes/No]

   Suggestions for Improvement
   o What aspects of the activity could be improved? [Provide suggestions]

- o What additional resources or materials would have been helpful? [Provide suggestions]

Overall Experience
- o Would you participate in a similar activity in the future? [Yes/No]
- o Any other comments or suggestions? [Provide comments or suggestions]

Outcome:
1. Increased Understanding of Oracle APEX:
   - Participants should have gained a deeper understanding of Oracle APEX, including its key features, components, and the overall architecture.
2. Enhanced Skills in Application Development:
   - The hands-on workshops and practical exercises would have equipped participants with practical skills in designing and developing applications using Oracle APEX.
3. Improved Knowledge of Data Modeling:
   - The seminar likely covered data modeling capabilities within Oracle APEX, enabling participants to create and manage database objects effectively.
4. Security Best Practices Awareness:
   - Understanding the security considerations and best practices in Oracle APEX would have increased participants' awareness of securing their applications.
5. Performance Optimization Strategies:
   - The seminar likely covered strategies for optimizing the performance of Oracle APEX applications, ensuring efficiency and responsiveness.
6. Real-world Application Insights:
   - The inclusion of real-world use cases and examples would have provided participants with practical insights into how Oracle APEX is applied in different industries.

Report on Seminar on "Software Development with GOLang"

Held on: 10/02/2021

Time: 12:30 pm to 3:00 pm

Venue: VS-204

Expert deliver knowledge of Go Language

Student perform practical of Go Language

Rational/Concept of the event:

The rationale and concept behind a seminar on "Software Development with Go (Golang)" revolve around the growing popularity and efficiency of the Go programming language in modern software development. The overall concept is to provide participants with a comprehensive understanding of Go as a programming language, equip them with practical development skills, and inspire confidence in leveraging Go for building efficient and scalable software solutions. The seminar aims to empower developers to embrace Go in their projects and contribute to the growing success of the language in the software development landscape.

CO mapping and attainment:
Pre event feedback:
Objectives:
1. How did you hear about this seminar?
   - ☐ Email
   - ☐ Social Media
   - ☐ Company/Institution Announcement
   - ☐ Colleague Recommendation
   - ☐ Other (please specify): [Text Box]
2. What is your current level of experience with Go (Golang)?
   - ☐ Beginner
   - ☐ Intermediate
   - ☐ Advanced
3. What specific topics or aspects of Go development are you most interested in learning about during the seminar?
4. Are there any challenges or questions related to Go development that you hope the seminar will address?
5. Do you have any specific expectations for hands-on coding exercises or demonstrations during the seminar?
6. How would you rate your internet connectivity for participating in the seminar?
   - ☐ Excellent
   - ☐ Good
   - ☐ Fair
   - ☐ Poor
7. Would you be interested in receiving additional resources or materials related to Go development after the seminar?
   - ☐ Yes
8. How do you prefer to engage in virtual events?
   - ☐ Active participation in discussions

- ☐ Passive observation
- ☐ Balanced combination of both

Modalities: (How the event was conducted)

Program was conducted by the JDCOEM under the banner **SCHOLOGAMA** on the 10/02/2021 at **JDCOEM, Nagpur**. The seminar was conducted for third and final year students of CSE. Ms. Priyanka dewangan, keynote speaker engaged the audience through a captivating lecture, bringing together a diverse audience interested in exploring the advancements and applications of Software Development with GOLang. The event successfully achieved its objectives of providing valuable insights, fostering knowledge exchange, and creating a platform for networking &addressing concerns of complexity.

A dedicated Q&A session allowed students to interact directly with Ms. Priyanka dewangan, clarifying doubts.

Post-event, resources were distributed by Prof. Prof. Mrajul Haqque, ensuring a comprehensive understanding of the policy changes.

The session came to a formal end as Prof. Prof. Mrajul Haqque delivered the gracious vote of thanks.

The seminar started at 11:30am and went up to 2:00pm in the Day.

No of attendees:55

Financial implications:4000

Post event publicity: Status of Creation and circulation of post for whatsapp, instagram, news for the media etc.

Post Event Feedback:
Effectiveness of the Activity
  o Did the seminar contribute to a clearer understanding of key objectives? [Yes/No]
  o Did the event meet your expectations? [Yes/No]
  o Were the interactive workshops and visual presentations effective? [Yes/No]

  Organization and Execution
  o Was the event well-organized? [Yes/No]
  o Were the necessary resources and materials available? [Yes/No]
  o Were you satisfied with the overall organization and execution of the event? [Yes/No]

  Suggestions for Improvement
  o What aspects of the activity could be improved? [Provide suggestions]
  o What additional resources or materials would have been helpful? [Provide suggestions]

  Overall Experience

- o Would you participate in a similar activity in the future? [Yes/No]
- o Any other comments or suggestions? [Provide comments or suggestions]

Outcome:

1. Use of Modern Development Tools:
   - Familiarity with modern Go development tools, such as package management, testing frameworks, and documentation practices.
2. Cross-Platform Development Capability:
   - Ability to develop cross-platform applications with Go, allowing for flexibility and compatibility across different operating systems.
3. Effective Error Handling:
   - Mastery of Go's approach to error handling, leading to more robust and resilient code.
4. Web Development Competence:
   - Knowledge and skills in Go web development, including the use of web frameworks and libraries for building scalable and performant applications.
3. Efficient Software Development:
   - Participants learn how to leverage Go's simplicity and efficiency to streamline the software development process, leading to faster and more maintainable code.

An Autonomous Institute, with NAAC "A" Grade
Department of Computer Science and Engineering
"A Place to Learn ; A Chance to Grow"
2020-21 (Odd /Even Sem)

| VISION	MISSION
To be recognized for excellent innovative engineering developing global leaders both in educational and research in the domain of computer science and wireless engineering.	1. 1. To create self learning environment by facilitating leadership qualities team spirit and ethical responsibilities. 2. 2. To improve department industry collaboration and interaction with professional society through technical knowledge and internship program. 3. 3. To promote research and development with current techniques through well qualified resources i n the area of computer science and wireless engineering.

Report of "Workshop on Big Data Analytics"

Held on: 04/03/2021

Time: 10:30 to 4:00 pm

Venue:Dr. APJ Abdul Kalam Auditorium, JDCOEM, Nagpur

Expert deliver knowledge of Big Data
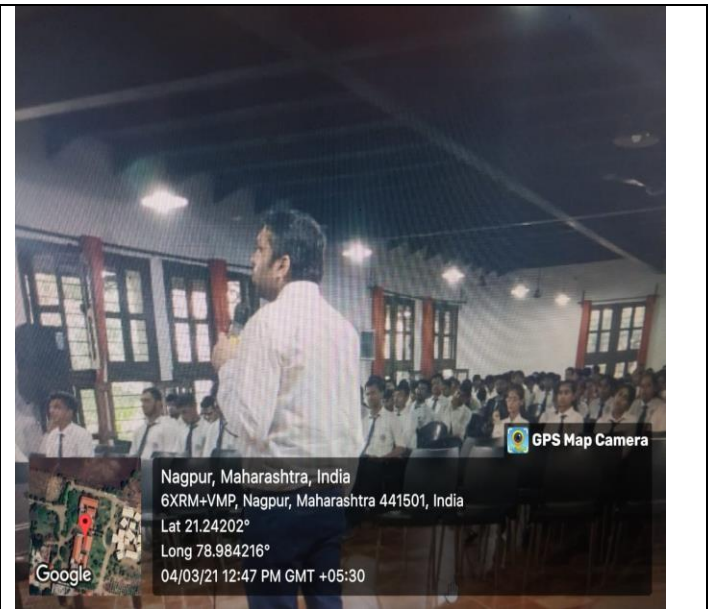

Student Interact with expert

Rational/Concept of the event:

A "Workshop on Big Data Analytics" is a strategic and educational event designed to immerse participants in the principles, tools, and applications of big data analytics. The rational concept behind such a workshop revolves around providing a structured and hands-on learning experience to empower participants with the skills needed to harness the potential of big data. This Workshop can provide participants with a comprehensive and practical understanding of the field, preparing them for the challenges and opportunities in the rapidly evolving landscape of big data analytics.

CO mapping and attainment:

Pre event feedback:
1. Participant Expectations:
   - Ask participants about their expectations for the workshop. What specific topics or skills are they hoping to learn? Understanding their expectations allows organizers to align the workshop content with participants' needs.
2. Skill Level Assessment:
   - Assess participants' current skill levels in big data analytics. This could include questions about their familiarity with relevant tools, programming languages, and previous experience with data analysis. This information helps in tailoring the workshop content to the appropriate skill levels.
3. Preferred Learning Methods:
   - Inquire about participants' preferred learning methods. Some individuals may prefer hands-on exercises, while others may benefit more from theoretical explanations or group discussions. Understanding these preferences helps in designing a workshop that caters to diverse learning styles.
4. Areas of Interest:
   - Identify specific areas of interest within big data analytics. Participants may have preferences for certain aspects such as data visualization, machine learning, or real-world applications. Tailor the workshop agenda to cover these areas of interest.
5. Technical Requirements:
   - Ask participants about their technical setup and requirements. This includes whether they have access to specific software, tools, or hardware needed for hands-on exercises. Ensure that participants have the necessary resources to actively participate in practical sessions.

Objectives:
1. Introduction to Big Data:
   - Provide a foundational understanding of what constitutes big data, emphasizing the key characteristics such as volume, velocity, variety, and veracity.
2. Fundamental Concepts of Analytics:
   - Introduce participants to the fundamental concepts of analytics, explaining its role in extracting meaningful insights from large datasets.
3. Hands-on Exposure to Tools and Technologies:
   - Offer practical exposure to key big data analytics tools and technologies, including Hadoop, Spark, and relevant programming languages like Python or R.

4. Real-World Case Studies:

- Incorporate real-world case studies and examples that showcase the practical applications of big data analytics in various industries.
5. Problem-Solving Skills:
    - Foster problem-solving skills by presenting participants with challenges and scenarios that require the application of big data analytics techniques to find solutions.
6. Industry Insights and Trends:
    - Provide insights into current trends, best practices, and challenges in the field of big data analytics, possibly through guest lectures or presentations by industry experts.

Modalities: (How the event was conducted)

Program was conducted by the CSE Dept., JDCOEM under the banner **SCHOLOGAMA** on the 04/03/2021 at **JDCOEM, Nagpur**. The workshop was conducted for third and final year students of CSE. Mr. Pratik Thakare, keynote speaker engaged the audience through a captivating lecture, bringing together a diverse audience interested in exploring the advancements and applications of AI and deep learning. The event successfully achieved its objectives of providing valuable insights, fostering knowledge.

A dedicated Q&A session allowed students to interact directly with Mr. Pratik Thakare, clarifying doubts.

Post-event, resources were distributed by Prof. Manoj Titre, ensuring a comprehensive understanding of the policy changes.

The session came to a formal end as Prof. Manoj Titre delivered the gracious vote of thanks.

The workshop started at 10:30am and went up to 4:00pm in the Day.

No of attendees: 103

Financial implications: 3000

Post event publicity: Status of Creation and circulation of post for whatsapp, instagram, news for the media etc.

Post Event Feedback:
   Effectiveness of the Activity
   o Did the workshop contribute to a clearer understanding of key objectives? [Yes/No]
   o Did the event meet your expectations? [Yes/No]
   o Were the interactive workshops and visual presentations effective? [Yes/No]

   Organization and Execution
   o Was the event well-organized? [Yes/No]
   o Were the necessary resources and materials available? [Yes/No]
   o Were you satisfied with the overall organization and execution of the event? [Yes/No]

   Suggestions for Improvement
   o What aspects of the activity could be improved? [Provide suggestions]
   o What additional resources or materials would have been helpful? [Provide suggestions]

   Overall Experience

- o Would you participate in a similar activity in the future? [Yes/No]
- o Any other comments or suggestions? [Provide comments or suggestions]
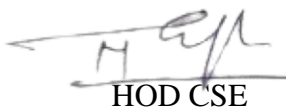

Outcome:
1. Understanding of Big Data Concepts:

   - Define and understand the fundamental concepts of Big Data, including volume, velocity, variety, veracity, and value.
   - Gain insight into the challenges and opportunities presented by large-scale data sets.
2. Familiarity with Big Data Technologies:
   - Explore popular Big Data technologies such as Hadoop, Spark, and others.
   - Understand the role of distributed computing frameworks in handling massive datasets.
3. Data Processing and Analysis Skills:
   - Acquire hands-on experience in processing and analyzing large datasets using relevant tools and techniques.
   - Develop skills in data cleaning, transformation, and preparation for analysis.
4. Real-world Case Studies:
   - Analyze real-world case studies showcasing successful applications of Big Data Analytics in different industries.
   - Discuss challenges faced and solutions implemented in these cases.
5. Practical Skills and Tools:
   - Develop practical skills using tools commonly used in Big Data Analytics, such as Apache Hadoop, Apache Spark, Python, R, etc.
   - Gain hands-on experience through workshops and exercises.
