2021-22 IT ALUMNI GUEST LECTURE

Rational/Concept of the event: The webinar on "Challenges & Opportunities in IT Industry" was conducted on 18/11/2021 to explore the dynamic landscape of the Information Technology sector. The event aimed to provide valuable insights into the current challenges faced by the industry and the opportunities that arise from navigating these challenges.

PO mapping and attainment :

PO	PO1	PO2	PO3	PO4	PO5	PO6	PO7	PO8	PO9	PO10	PO11	PO12
Alumni Meet	2	2	2	1	3	3	-	-	-	2	1	3

Pre event feedback:

Objectives:

1. Identify and discuss the primary challenges impacting the IT industry.
2. Explore opportunities for growth and innovation within the IT sector.
3. Provide a platform for industry experts to share their perspectives and insights.

Nagpur - 431 501

PO	PO1	PO2	PO3	PO4	PO5	PO6	PO7	PO8	PO9	PO10	PO11	PO12
Alumni Meet	-	-	-	-	-	1	2	2	3	3	1	3

Pre event feedback:

1. The alumni students were intimated about the meet well in advance through telephonic conversation.
2. The date and time of the alumni meet was decided as per the feedback given by the alumni students.

Objectives:

1. Maintaining the updated and current information of all Alumni.
2. To encourage, foster and promote close relations among the alumni themselves
3. To keep a roster of all Alumni of college and their pertinent data.

Modalities: All alumni meet started with welcoming of alumni. Follow by distribution of mementoes as a token of love. After that alumni interacted with their teachers and juniors shared their experiences outside college. Alumni also interacted with the students and gave career guidance regarding higher studies and placements. Fun game was arranged for them. Event ended with a vote of thanks.

No of attendees: 40

Financial implications: Nil

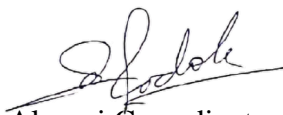

Post event publicity: Status of Creation and circulation of post for whatsapp, instagram, news for the media etc.

Post Event Feedback:

1. Alumni students expressed their happiness for having them in our esteemed institute after graduation.
2. They also expressed their gratitude regarding the care taken by the institute for the Growth of alumni.
3. They were happy to connect with batch mates.

Outcome:

1. Alumni Meet, creates a special bonding between the students who have passed out & who have established themselves already in the big, outside world.
2. Alumni meetings aim to help college staff recognize the contribution of their ex-students in the professional world.

2. To impart soft skills and hard skills to achieve the institutional vision.

# Report on Alumni Meet

Held on: 16-May-2022

Time: 10.00. A.M. to 4.00. P.M.

Venue: Mechanical Engineering Department

**Rationale/Concept of the Event:**

The Alumni Meet aimed to reconnect and strengthen the bond between the department and its esteemed alumni. This offline event provided an opportunity for alumni to share their experiences, achievements, and insights with current students. Prof. Suhas Rewatkar, the coordinator, played a crucial role in organizing the meet.

**CO Mapping and Attainment:**

While the Alumni Meet may not directly contribute to specific course outcomes, it fosters a sense of community and offers students valuable insights into the practical applications of their education through alumni experiences.

**Pre-event Feedback:**

1. "Exciting opportunity to interact with successful alumni and gain insights into industry trends."
2. "Great initiative to bring alumni back to the campus; looking forward to networking opportunities."
3. "Hope to learn about the diverse career paths our alumni have taken."

**Objectives:**

1. To reconnect with alumni and provide a platform for sharing experiences.
2. To offer current students insights into various career paths and industry trends.
3. To create networking opportunities between students and successful alumni.

**Modalities: (How the Event Was Conducted)**

The Alumni Meet included speeches, panel discussions, and interactive sessions where alumni shared their experiences and offered career advice. Networking sessions allowed students to connect with alumni on a personal level.

**No of Attendees:**

Approximately 92 students, faculty members, and alumni attended the offline Alumni Meet.

**Financial Implications:**

The event incurred expenses related to venue arrangements, refreshments, and logistical support. The total expenditure was INR 31,500. Detailed financial reports are available upon request.

**Post-event Publicity:**

Efforts were made to highlight the success of the Alumni Meet through online platforms, showcasing the valuable connections made and the shared experiences of alumni.

**Post-event Feedback:**

1. "Invaluable insights gained from alumni; inspired to pursue various career paths."
2. "Connecting with successful alumni was motivating and provided clarity about our future."
3. "Appreciate the effort in organizing events that facilitate interactions with alumni."

**Outcome:**

1. Strengthened connections between the department, current students, and alumni.
2. Valuable insights gained by students from alumni experiences and diverse career paths.
3. Positive feedback from attendees highlighted the success of the Alumni Meet in achieving its objectives and fostering a sense of community.

# Report on Workshop on MATLAB Programming for Engineers

Held on: 12-Dec-2021

Time: 10.30 to 12.30 P.M.

Venue: CAD Lab

**Rationale/Concept of the Event:**

The Workshop on MATLAB Programming for Engineers aimed to enhance participants' skills in MATLAB programming, a vital tool in the field of Mechanical Engineering. The workshop provided a comprehensive understanding of MATLAB applications for engineering tasks. Mr. Varun Bangre, an expert from Albot Technology Pune, shared practical insights and applications.

**CO Mapping and Attainment:**

The workshop significantly contributed to the attainment of course outcomes by bridging theoretical knowledge with practical applications in MATLAB programming. It emphasized the importance of mastering MATLAB as a powerful tool for engineers.

**Pre-event Feedback:**

1. "Exciting opportunity to enhance our MATLAB skills with practical insights from an industry expert."
2. "Great initiative to bring in an expert from Albot Technology Pune."
3. "Hope to gain practical experience and real-world applications of MATLAB in engineering tasks."

**Objectives:**

1. To enhance participants' skills in MATLAB programming for engineering tasks.
2. To provide practical insights into real-world applications of MATLAB.
3. To connect students with an industry expert, Mr. Varun Bangre, for a deeper understanding of MATLAB in industrial settings.

**Modalities: (How the Event Was Conducted)**

The workshop included hands-on sessions, demonstrations, and interactive discussions led by Mr. Varun Bangre. Participants had the opportunity to work on MATLAB exercises and gain practical insights into its applications.

**No of Attendees:**

Approximately 22 students and faculty members attended the workshop.

**Financial Implications:**

The event incurred expenses related to venue arrangements, workshop materials, and speaker honorarium. The total expenditure was INR 4050. Detailed financial reports are available upon request.

**Post-event Publicity:**

Efforts were made to highlight the success of the workshop through online platforms, showcasing the practical insights gained from the hands-on experience with MATLAB programming.

**Post-event Feedback:**

1. "Invaluable workshop; gained practical insights into MATLAB programming for engineering tasks."
2. "Connecting with an industry expert like Mr. Varun Bangre was a unique and beneficial experience."
3. "Appreciate the effort in organizing events that provide hands-on experience with essential engineering tools."

**Outcome:**

1. Increased proficiency in MATLAB programming among participants.
2. Enhanced understanding of real-world applications of MATLAB in engineering tasks.
3. Positive feedback from attendees highlighted the success of the workshop in achieving its objectives and providing hands-on experience with a crucial engineering tool.

**Mapping & Attainment (CO/PO):**

# Report on Workshop on Autonomous Navigational Robots

Held on: 15-Mar-2022

Time: 2.30 to 4.30 P.M

Venue: Mechanical Engineering Department

**Rationale/Concept of the Event:**

The Workshop on Autonomous Navigational Robots aimed to provide participants with hands-on experience and insights into the rapidly evolving field of autonomous robotics. The workshop facilitated learning about the design, development, and applications of autonomous navigational robots. Mr. Ashish Kawale, an Engineer from Tata Motors, shared his expertise to enhance participants' understanding of the industry applications.

**CO Mapping and Attainment:**

The workshop significantly contributed to the attainment of course outcomes by bridging theoretical knowledge with practical applications in the field of autonomous robotics. It emphasized the importance of staying updated on emerging technologies and their applications in real-world scenarios.

**Pre-event Feedback:**

1. "Exciting opportunity to explore the world of autonomous navigational robots with hands-on experience."
2. "Great initiative to bring in an industry expert from Tata Motors."
3. "Hope to gain practical insights into the design and development of autonomous robots."

**Objectives:**

1. To provide hands-on experience and insights into the design and development of autonomous navigational robots.
2. To connect students with an industry expert, Mr. Ashish Kawale, for a deeper understanding of the applications in the automotive sector.
3. To foster practical skills in the field of autonomous robotics through interactive sessions and demonstrations.

**Modalities: (How the Event Was Conducted)**

The workshop included practical sessions, demonstrations, and interactive discussions led by Mr. Ashish Kawale. Participants had the opportunity to work with autonomous robot models and gain practical insights into their functionalities.

**No of Attendees:**

Approximately 31 students and faculty members attended the workshop.

**Financial Implications:**

The event incurred expenses related to venue arrangements, workshop materials, and speaker honorarium. The total expenditure was INR 3250. Detailed financial reports are available upon request.

**Post-event Publicity:**

Efforts were made to highlight the success of the workshop through online platforms, showcasing the practical insights gained from the hands-on experience with autonomous navigational robots.

**Post-event Feedback:**

1. "Invaluable workshop; gained practical insights into the design and development of autonomous robots."
2. "Connecting with an industry expert like Mr. Ashish Kawale was a unique and beneficial experience."
3. "Appreciate the effort in organizing events that provide hands-on experience with emerging technologies."

**Outcome:**

1. Increased awareness of the design and development of autonomous navigational robots.
2. Enhanced practical skills and understanding of the applications of autonomous robots in the automotive sector.
3. Positive feedback from attendees highlighted the success of the workshop in achieving its objectives and providing hands-on experience with cutting-edge technologies.

# Report on Seminar on Research and Development

Held on: 16-Feb-2022

Time: 1.30 to 3.30 P.M.

Venue: Mechanical Engineering Department

### **Rationale/Concept of the Event:**

The Seminar on Research and Development aimed to foster an understanding of the significance of R&D in the field of Mechanical Engineering. This event provided a platform for participants to explore the challenges, innovations, and real-world applications of research and development. The seminar featured insights from industry professionals, including Ms. Shradha Wasmik, Mr. Jay Gajbhiye, and Mr. Pramod Ingle from Aurangabad Electrical CIE Ltd.

### **CO Mapping and Attainment:**

The seminar significantly contributed to the attainment of course outcomes by connecting theoretical knowledge with practical applications. It emphasized the importance of research and development in advancing the field of Mechanical Engineering.

### **Pre-event Feedback:**

1. "Exciting opportunity to delve into the world of research and development in our field."
2. "Great initiative to bring in professionals from Aurangabad Electrical CIE Ltd."

3. "Hope to gain insights into the practical applications of R&D in the industry."

**Objectives:**

1. To introduce students to the importance and challenges of research and development in Mechanical Engineering.
2. To provide insights into real-world applications of R&D through experiences shared by industry professionals.
3. To connect students with professionals from Aurangabad Electrical CIE Ltd. for a deeper understanding of R&D in the industry.

**Modalities: (How the Event Was Conducted)**

The seminar featured presentations, case studies, and interactive sessions led by Ms. Shradha Wasmik, Mr. Jay Gajbhiye, and Mr. Pramod Ingle. The diverse format allowed for engaging discussions and knowledge sharing.

**No of Attendees:**

Approximately 23 students and faculty members attended the seminar.

**Financial Implications:**

The event incurred expenses related to venue arrangements, promotional materials, and speaker honorarium. The total expenditure was INR 3450. Detailed financial reports are available upon request.

**Post-event Publicity:**

Efforts were made to highlight the success of the seminar through online platforms, showcasing the valuable insights gained from the professionals at Aurangabad Electrical CIE Ltd.

**Post-event Feedback:**

1. "Insightful seminar, gained a deeper understanding of the role of R&D in our industry."
2. "Connecting with professionals from Aurangabad Electrical CIE Ltd. was a unique and beneficial experience."
3. "Appreciate the effort in organizing events that provide practical insights into our field."

**Outcome:**

1. Increased awareness of the importance and challenges of research and development in Mechanical Engineering.
2. Enhanced understanding of real-world applications of R&D through interactions with industry professionals.
3. Positive feedback from attendees highlighted the success of the seminar in achieving its objectives and fostering a deeper appreciation for research and development.

VISION

To be a center of excellence imparting professional education satisfying societal and global needs.

MISSION

1. Transforming students into lifelong learners through, quality teaching, training and exposure to concurrent technologies.
2. Fostering conducive atmosphere for research and development through well-equipped laboratories and qualified personnel in collaboration with global organizations.

## Introduction:

The MBA students were treated to an illuminating guest lecture titled "Success Unveiled: Alumni Unravelling the MBA Experience" by Mr. Noman Ahmed, Territory Manager at Extra Marks Education App and Assistant Manager in Nagpur. This report encapsulates the essence of Mr. Ahmed's session, providing a glimpse into the valuable insights shared with the students.

## Key Insights:

Mr. Ahmed commenced the lecture by delving into his own MBA journey, offering profound reflections on the transformative power of the experience. He emphasized the importance of seizing opportunities, taking risks, and embracing challenges as integral components of the MBA trajectory.

A focal point of Mr. Ahmed's discourse was the significance of leveraging the MBA experience for personal and professional growth. He shared practical strategies and anecdotes to illustrate how students can maximize their learning, network effectively, and carve out successful paths in their respective fields.

Furthermore, Mr. Ahmed shed light on the evolving landscape of the education sector and the opportunities it presents for MBA graduates. He emphasized the importance of innovation, adaptability, and continuous learning in navigating the dynamic terrain of the industry.

## Conclusion:

In conclusion, Mr. Noman Ahmed's guest lecture provided MBA students with invaluable insights and inspiration for their own journeys. His emphasis on seizing opportunities, leveraging experiences, and fostering a spirit of innovation resonated deeply with the audience, empowering them to chart their paths to success with confidence and determination.

#### VISION

#### MISSION

To be a center of excellence imparting professional education satisfying societal and global needs.

1. Transforming students into lifelong learners through, quality teaching, training and exposure to concurrent technologies.
2. Fostering conducive atmosphere for research and development through well-equipped laboratories and qualified personnel in collaboration with global organizations.

### Introduction:

MBA students recently had the privilege of attending an illuminating guest lecture titled "The Road Ahead: Interaction with the Alumni" by Mr. Virendra Patle, representing Shinex Mosaics in Nagpur. Mr. Patle's session provided invaluable insights into the journey ahead for MBA graduates, offering guidance and inspiration from his own professional experiences. This report aims to summarize the key highlights of Mr. Patle's lecture.

### Key Insights:

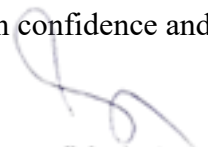

Mr. Patle commenced the lecture by sharing his personal journey post-MBA, highlighting the challenges and triumphs he encountered along the way. He emphasized the importance of perseverance, adaptability, and continuous learning in navigating the ever-changing landscape of the business world.

A central theme of Mr. Patle's discourse was the significance of leveraging the MBA experience to forge meaningful connections and opportunities. He encouraged students to proactively network with alumni, industry professionals, and mentors to broaden their horizons and open doors to potential career paths.

Furthermore, Mr. Patle offered practical advice on carving out a successful career path, emphasizing the importance of defining one's goals and values. He stressed the need for self-reflection and strategic planning to align personal aspirations with professional pursuits effectively.

### Conclusion:

In conclusion, Mr. Virendra Patle's guest lecture provided MBA students with valuable insights and perspectives on navigating the road ahead. His emphasis on resilience, networking, and strategic career planning resonated deeply with the audience, empowering them to approach their post-MBA journey with confidence and clarity.

## Introduction:

The MBA students were treated to an insightful guest lecture titled "Success Unveiled: Alumni Unravelling the MBA Experience" by Mr. Prallek Ganvir, HR Executive at Sleek-Asian Paints. Mr. Ganvir's session provided a unique perspective on the MBA journey, offering invaluable insights into the keys to success beyond academic realms. This report encapsulates the essence of Mr. Ganvir's engaging discourse.

## Key Insights:

Mr. Ganvir commenced the lecture by sharing his personal MBA journey, highlighting the pivotal moments and lessons learned along the way. He emphasized the importance of resilience, adaptability, and seizing opportunities in navigating the dynamic landscape of the corporate world.

A central theme of Mr. Ganvir's talk revolved around the significance of soft skills in complementing academic knowledge. He emphasized the importance of effective communication, interpersonal relationships, and emotional intelligence in driving professional success. Drawing from his experience in HR, Mr. Ganvir provided practical strategies for honing these skills and leveraging them in the workplace.

Furthermore, Mr. Ganvir shed light on the role of HR in organizational success, offering insights into talent management, employee engagement, and organizational culture. He stressed the importance of aligning HR strategies with business objectives and fostering a culture of inclusivity and collaboration.

## Conclusion:

In conclusion, Mr. Prallek Ganvir's guest lecture provided MBA students with invaluable insights and inspiration for their own career journeys. His emphasis on resilience, soft skills,

## Introduction:

MBA students recently had the privilege of engaging in an enlightening guest lecture titled "The Road Ahead: Interaction with the Alumni," facilitated by Miss Neha Thakre, a distinguished Data Analyst at CRISIL in Pune. Miss Thakre's session offered invaluable insights into the post-MBA journey, enriched by her personal experiences. This report aims to distil the essence of Miss Thakre's lecture, including expectations of the industry from freshers' appointments.

## Key Insights:

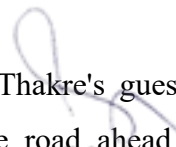

Miss Thakre commenced the lecture by sharing her post-MBA journey, emphasizing the importance of adaptability, resilience, and continuous learning in today's dynamic business environment. She highlighted the significance of seizing opportunities and building a strong professional network to navigate the complexities of the corporate world.

A key aspect of Miss Thakre's discourse was the expectations of the industry from freshers' appointments. She emphasized the importance of not only possessing academic knowledge but also practical skills and a willingness to learn and adapt. Employers seek candidates who demonstrate initiative, problem-solving abilities, and effective communication skills, along with a strong work ethic.

Furthermore, Miss Thakre shed light on the growing importance of data analytics in various industries. She outlined the basic expectations of the industry from freshers entering the field of data analytics, including proficiency in data manipulation tools, analytical thinking, and the ability to derive actionable insights from data.

## Conclusion:

In conclusion, Miss Neha Thakre's guest lecture provided MBA students with invaluable insights into navigating the road ahead in their professional journeys. Her emphasis on

Student Alumni Interaction

Student Alumni Interaction

Rational/Concept of the event: Our alumni impart their knowledge and experience to the students on a one-to-one basis to help them train for the real-world experience through various events organised by the Alumni Relations Committee. The event navigated the students' efforts toward honing the skills required for a successful professional career

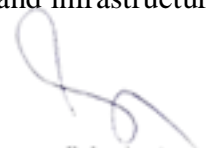

CO mapping and attainment:

Pre event feedback:

1. Date and time of the alumni was taken well in advance for the session.
2. Information was gathered from the current students to test their knowledge of placement preparation.

Objectives:

1. To act as a link between the "college and the "Alumni" (the past students).
- 2) To provide a platform for interaction between alumni, present students, faculty of the college and college administration.
- 3) To improve the facilities and infrastructure of the college with the help of active participation of the alumni.

  
 Principal  
**Principal**  
 J D College of Engineering & Management  
 Khandala, Katol Road  
 Nagpur - 441 501

Modalities: The event was conducted in online mode. Event started with welcoming of alumni by the delta forum president. Alumni student gave a brief on her journey in college She also speak about how to prepare for interview. Student of 3<sup>rd</sup> and 4<sup>th</sup> year discussed their queries about interview preparations and final year project. Event ended with a vote of thanks.

No of attendees: 29

Financial implications: 3000/-

Post event publicity: Status of Creation and circulation of post for whatsapp, instagram, news for the media etc.

Post Event Feedback:

1. What is your level of satisfaction with this event?
2. Was the event helpful to you?
3. Are you being aware about the future challenges?

Outcome:

1. Inspire the students through their success stories.
2. Create opportunities for jobs and internships for students. Make Wider Professional Network.
3. Access College resources for further studies.

## Alumni Interaction Sesion

Rational/Concept of the event: Guest lecturers provide an important educational experience for students based on their real-world life experiences. Students get to see the insight and perspective of the guest lecturers' specific field. The format can enable students to interact with professionals in formal and informal settings. An EV is defined as a vehicle that: Does not have the ability to be propelled by gasoline. Draws electricity from a battery with a capacity of at least four kilowatt-hours and is capable of being charged from an external source.

Pre event feedback:

1. Date and time of the alumni was taken well in advance for the session.
2. Information was gathered from the current students to test their knowledge on Electric Vehicle.

Objectives:

1. To act as a link between the “college and the Alumni” (the past students).
- 2) To provide a platform for interaction between alumni, present students, faculty of the college and college administration.
- 3) Reduce Air Pollution and health issues caused by it. Reduce dependence on petroleum. Reduced Noise Pollution. Electric Vehicles do not consume energy when stationary.

Modalities: The event was conducted in offline mode. Event started with welcoming of alumni by the delta forum president. Alumni student Mr. Vikas Raghotre gave a brief on the topic Electric Vehicle modelling and manufacturing process. Student of 3<sup>rd</sup> and 4<sup>th</sup> year discussed their queries about interview preparations and final year project. Event ended with a vote of thanks.

No of attendees: 30

2. To produce competent technocrats of high standards satisfying the needs of all stakeholders.

# Report: Seminar on "Career Opportunities in Drone Technology"

Held on :11/01/2022

Time: 10 am onwards

Venue:Online

2021-22 ETC ALUMNI LECTURE

Principal  
Principal  
J D College of Engineering & Management  
Khandala, Katol Road  
Nagpur - 441501

Rational/ Concept of the event:

The concept of a seminar conducted on information security involves creating a platform where participants can gain insights into the dynamic field of Career Opportunities in Drone Technology. Here's a conceptual overview of such a seminar:

1. Introduction to Career Opportunities in Drone Technology:
2. Industry Overview:
3. Career Opportunities:
4. Industry Trends and Innovations:
5. Real-world Applications:

PO mapping and attainment :

PO	PO1	PO2	PO3	PO4	PO5	PO6	PO7	PO8	PO9	PO10	PO11	PO12
Alumni Meet	1	3	2	1	3	3	1	3	3	3	2	3

Pre event feedback:

1. Evaluate the qualifications and expertise of the speakers. Participants are more likely to find value in the seminar if the speakers are knowledgeable and experienced in the field of Career Opportunities in Drone Technology.
2. Assess the relevance of the topics to be covered. Ensure that the seminar addresses current trends, challenges, and opportunities in the Career Opportunities in Drone Technology industry to keep participants engaged and informed.
3. Understand the expectations of the target audience. Ensure that the seminar aligns with what participants are seeking, whether it's career guidance, industry insights, or practical skills development.

Objectives:

1. The primary goal of the seminar could be to educate participants about the field of Career Opportunities in Drone Technology, its significance, and its role in various industries.
2. Showcase the diverse career opportunities available in the field of Career Opportunities in Drone Technology. Discuss the demand for Career Opportunities in Drone Technology professionals in sectors such as finance, healthcare, marketing, and technology.
3. Discuss the latest trends and advancements in Career Opportunities in Drone Technology. Cover topics like machine learning, artificial intelligence, big data, and predictive analytics to give participants a comprehensive understanding of the evolving landscape.
4. Demonstrate how Career Opportunities in Drone Technology is being applied in real-world scenarios.
5. Create a platform for participants to connect with professionals in the Drone Technology field. Encourage networking among attendees, speakers, and industry experts to facilitate potential collaborations and opportunities.

Modalities: The seminar began with a welcome address and an overview of the agenda. The sessions were designed to cover a broad spectrum of topics, ensuring a comprehensive understanding of the opportunities available in Career Opportunities in Drone Technology. Alumni named Apeksha Nimje of class 2017 attended the event. Event ended with a vote of thanks.

No of attendees: 49

Financial implications:

Sr. No.	Items	No.	Cost
3	Remuneration		3000
Total			3000 /-

Post event publicity: Status of Creation and circulation of post for whatsapp, instagram, news for the media etc.

Post Event Feedback:

1. The seminar effectively conveyed fundamental concepts and techniques in Career Opportunities in Drone Technology. The content was well-structured, making it accessible to both beginners and those with some background in the field.
2. The discussions on career opportunities were highly informative. The seminar succeeded in highlighting the diverse paths available in Career Opportunities in Drone Technology, and the insights provided about the demand in various industries were valuable for career planning.
3. The use of case studies and success stories effectively demonstrated how Career Opportunities in Drone Technology is applied in practical scenarios. This approach helped bridge the gap between theory and real-world implementation.
4. The seminar provided excellent networking opportunities. The chance to interact with speakers, industry experts, and fellow participants was appreciated, and I believe it will lead to valuable connections in the future.
5. The emphasis on fostering a culture of innovation within Career Opportunities in Drone Technology was inspiring. It encouraged participants to think creatively and explore new possibilities within the field.
