"Rectifying Ideas, Amplifying Knowledge"
2021-22 (Even Sem)

<u>VISION</u>	<u>MISSION</u>
"To be a Department providing high quality & globally competent knowledge of concurrent technologies in the field of Electronics and Telecommunication."	<ol style="list-style-type: none">1. To provide quality teaching learning process through well-developed educational environment and dedicated faculties.2. To produce competent technocrats of high standards satisfying the needs of all stakeholders.

Report of "Shiv Swarajya Diwas Celebration"

- 1) Name of the Event** : Shiv Swarajya Diwas Celebration
- 2) Under the Aegis of** : Institute of Electronics & Telecommunication Engineers.
- 3) Date & Time** : 6th June, 2022 from 03 P.m. to 04.30 P.m.
- 4) Program Coordinator** : Prof. Avinash K. Ikhar
- 5) Student Coordinator:** Vaidehi Meshram, Ruchika Chatap, Akash Shahastrabudhe, Simran Tiwari
- 6) Event details:**

Department of Electronics and Telecommunication of J D College of Engineering and Management, Nagpur which is the first Autonomous institute under Dr. Babaseheb Ambedkar Technological University, Lonere with NAAC 'A' grade, celebrated an **Shiv Swarajya Diwas** followed by story and dialogue competition with 2nd, 3rd and 4th year students under the banner of IETE student forum (ISF) on 6th June, 2022. Around 60 Students and 10 Faculty members were present.

This was the day when Chhatrapati Shivaji Maharaj was crowned in 1674. The event proved to be the watershed moment in Maratha history as it also marked the beginning of Hindavi Swarajya in India. It is also significant to know that on this day, Shivaji was given the title of 'Shakakarta' which means 'founder of an era' in English and 'Chhatrapati' (paramount sovereign). He also took the title of Haindava Dharmodhhaarak (protector of the Hindu faith) during his coronation ceremony in Raigad. Over the course of his life, Shivaji made history with some of the most significant battles of the Maratha empire. He is mostly known for expanding the Maratha empire and establishing a progressive civil rule with well-structured administrative organisations. He is also revered as the hero of Hindus as he revived ancient Hindu political traditions and court conventions during his rule as King.

Prof. Gayatri Bhojar addressed the students regarding importance of Shiv Swarajya Diwas to the gathering. The event received an overwhelming response from all. Ruchika Chatap, Vaidehi Meshram, Akash Shahastrabudhe and Simran Tiwari coordinated the event,

VISUAL ARTS CLUB
REPORT FOR INSTALLATION OF ACES FORUM

OBJECTIVES:

- To give technical support in "Reinstallation Ceremony of ACES Forum 2021-22" of Civil Engineering department.
- To make good relationship with team ACES.
- To develop technical skills and strengthen and reinforce other skills such as, communication and to handle instruments.
- To build up their social skills and to develop technical skills.

PLANNING & EXECUTION:

- The event was planned to be executed on 27th December 2021 at 2 pm in TS-108, Takashashila, JDCOEM, Nagpur and Google Meet platform.
- The Forum members planned to organize the Reinstallation Program in offline as well as online mode so we have planned our setup according to that before an execution day.
- Also a day before the program all instruments were checked properly.
- Again, in the morning instruments were checked properly before the session starts and then arranged it properly in the classroom of Civil 3rd Year.
- With due Permission of respected Prof. Atika Ingole, HOD Civil Department, we setup our instruments.
- Speakers, Mic were properly arranged before guest arrived.
- Guest of event were Dr. S. V. Sonekar, Principal, JDCOEM, Nagpur and Dr. N. V. Pradnyakar, Dean, Student, JDCOEM, Nagpur.
- Sharp at 2PM program get started and devices were handled properly during the program.
- A flow of program was made for the event. With technical and musical support made the event graceful.
- At the end of the program all members were appreciated with bouquets.

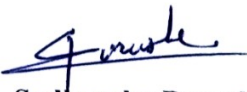

OUTCOME:

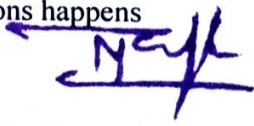

- Reinstallation Program was conducted successfully by guidance & efforts of Faculty Coordinators, ACES team members and Visual Arts Club members.
- Good relationship has been formed between two organizations.

WHAT WENT WRONG:

- Due to on time technical problems, some voice interruptions happens

"A Place to Learn, A Chance to Grow"

2021-22 (Even Sem)

VISION

To be a recognized as an Excellent Innovative Engineering Department through Academic Programme which develops leaders in Education and Research in Computer Science.

MISSION

1. To create self-learning environment by facilitating leadership qualities, team-spirit and ethical responsibilities.
2. To Strengthen department-industry collaboration and interaction with professional society through technical knowledge and internship program.
3. To promote research and development with current techniques through well qualified resources in the area of computer science and wireless engineering.

Report

On Thursday, dated 28 April 2022, Students of CSE, IT & AI branch organized a department forum installation ceremony named as "**Schologamma**", Schologamma is a department student forum, it is the first forum established in 2009. The Main aim of the student forum "*Schologamma*" is to develop Leadership, Team Work, Communication Skill, Confidence, and Stage Daring within students and also make them aware of their responsibilities towards Society. Students of the Forum are given opportunities to attend workshops, arrange competitions and take part in different events to strengthen their technical skills.

The program inaugurated with lamp lightening by various dignitaries as Hon.Principal Dr. S.V Sonekar, Student Dean Dr. Namrata Pradnyakar , HOD of Mechanical Dept. Dr. B R Mahajan, HOD of CSE, IT & AI Dept. Prof. Supriya Sawwashere, Forum Incharge Prof. Nisha Dable and Student Co-coordinator Pranali Nitnaware.

After facilitation of guest, Forum Incharge Prof. Nisha Dable gives a brief speech to student about Schologamma forum and its vision.

Schologamma forum president Mr. Piyush Mehta addresses the student with his speech.

Later, the badge distribution ceremony was conducted and the badges were given by dignitaries to the following forum heads:

Posts	Name
President	Mr. Piyush Mehta
Vice-President	Ms. Pradnya Kotangale
Secretary	Mr. Latish Chambhare 
Treasurer	Ms. Rashi Wasnik  Principal J D College of Engineering & Management Khandala, Katol Road Nagpur-441501

After the badge distribution, **HOD of CSE, IT & AI Dept. Prof. Supriya Sawwashere** addresses the student by her speech.

Principal
J.B. College of Engineering & Management
Khandala, Katol Road
Nashik-441501

Student Dean Dr. Namrata Pradnyakar shares her words with the students and appreciated our **Rotary JDCOEM, Nagpur** team for winning the “*Rising Star Award*” at the ROTACON GOA 2022, an annual district Rotaract conference.

Then **Hon.Principal Dr. S.V Sonekar** tells the student about a beautiful story behind the name of “Schologamma” forum, All the student enjoys the speech very well.

The winners of the past week event conducted by the department of CSE, IT & AI named “**Logoticons**” and “**C- Programming Error finding**” contest also get awarded in this event.

Student of CSE and **Creative Co-head** of Schologamma forum Ms. Athira Nair perform a wonderful singing performance at the installation ceremony.

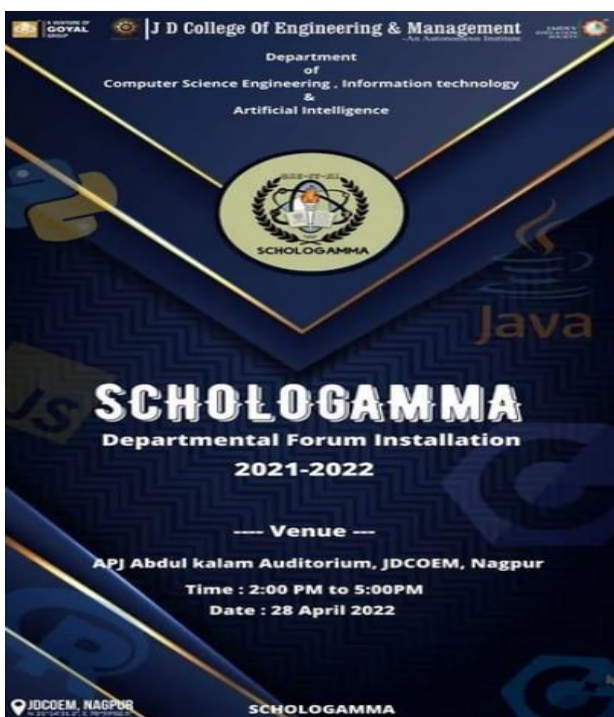

The **Vice-President** of Schologamma Ms. Pradnya Kotangale gives a vote of thanks to all the dignitaries, faculties, and student attendees of the events.

Then, the installation ceremony ended with the national anthem.

Head of ED (Entrepreneur Development Cell) Dr. B.R. Mahajan HOD. Mechanical Dept. took a session with students on “*Entrepreneurship as a carrier option*” in which he addresses the immense need for entrepreneur in today’s dynamic world.

Thus, the Schologamma installation ceremony ended successfully with the efforts of the forum team and advisors.

VISUAL ARTS CLUB
Report of event: - "Bollywood Day"

OBJECTIVES:

- The main objective of this event is to celebrate Bollywood Day with fun and joy.
- The main vision to design the lassi shop from traditional culture to next innovative business venture to provide memorable moments with colleagues, participants and faculties throughout the best unique types of lassi and other drinks.
- To serve quality and affordable drinks.

PLANNING & EXECUTION:

- We first arrange a meeting on 9th June 2022 to discuss the required things for our stall and to decide the location of the stall.
- As discussed in the meeting, we decided to locate our stall near the intersection between Vikramshilaa (Phase 1) and Takshila (Phase 2) buildings.
- On event day, we reached college at 9am and started the preparation of organizing our stall and the initial process of lassi making.
- The event started at sharp 12 noon on 10th June 2022.
- In our stall, we have the listed items :-
 - Lassi including different flavors
 - Fruit Flavor Drinks
 - Product selling like Perfumes
- 100+ glasses of Lassi and Fruit Flavour drinks has been sold.
- Then official photoshoot had been started for the whole event.
- Matka Lassi and Dry-fruit Lassi were the best sellers in the stall.
- Visual Arts Club members recorded and capture photos of their stall.
- Hygiene and cleanliness were maintained at our stall without harming any other college property at our location.
- We returned all the items that we had borrowed from the college and wrap-up the whole stall at 5pm.

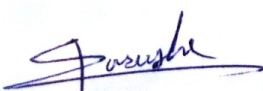

OUTCOME:

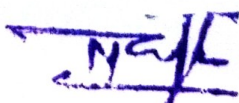

- We got to know the importance of group communication, Start ups and collaboration skills.
- We get inspiration and use our creativity to make our stall stand out of others which increases creativity.
- By taking part in such events participants are able to express their point of view around the society.

WHAT WENT WRONG:

- The stock of our stall is finished due to high demand so for a short span of time we are unable to serve our customers and because of the leftovers we lose some of our customers.
- We didn't get the desired amount of consumers at our stall.

Report of event: - "Creative Art and Craft"
Induction Program of 1st year

OBJECTIVES:

- The main objective of this event is to make students familiar with the graphic designing tools and it's concepts so they can think that it's a great career to choose.
- Our goal is to structure the entire session in such a way that students get the most out of it.
- Our goal is to impose an approach or concept that can inspire students which leads them to their next great idea so that they can actively participate.
- To brief the color theory to students.

PLANNING & EXECUTION:

- The event was started at sharp 12 pm live on Zoom with 262 students on 30th December 2021.
- The speaker of this entire session is the Head of Visual Arts Club Mr. Samir Rahangdale.
- The entire session is recorded and taken on the Zoom application.
- The Webinar was well attended by the students of 1st year department of JDCEM, Nagpur.
- At the beginning, the speaker discussed color theory and poster dimensions, which are important to understand before creating posters and E-Cards for any event.
- Canva, a beginner-friendly android and PC application, was used in this webinar.
- Afterwards, head taught about different types of formal and informal fonts and their effects and animation.
- Later on, he discussed the picture's effects and animation, as well as its import and export formats on Canva also in other applications like Adobe spark and Adobe Illustrator.
- After discussing all the important points, the speaker gave a small task to each and every student, which was to make a poster on New Year's Eve.
- By performing this activity, all the students in this session use their own creativity in order to complete the task.
- After examining most of the students' posters, the speaker also gave them some reference sites for different types of icons and fonts in order to explore this field.
- Later on, he also taught about different applications apart from Canva, like Adobe Spark, Adobe Illustrator, Adobe Photoshop, Corel Draw and so on to make E-contents for any event.
- At the end, the speaker wind out the session at precisely 1:54 pm.

OUTCOME:

- Participants were encouraged to exercise their creative minds and imaginations by using different applications like Canva, Adobe Illustrator, and so on in order to make a poster or e-card for any event.
- Each participant learned how to create a simple poster using Canva on any theme.
- Participants were encouraged to go for graphic designing.
- As a result of this webinar, JDCEM's YouTube channel has gained 45 new subscribers, and its Instagram account has gained 30 new followers.

PUBLICITY CLUB
REPORT ON ECOLUTION

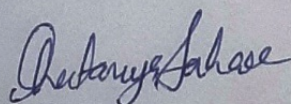

New Year Resolutions have become a trend in the past few years. Many people take these resolutions to bring a certain change in their lifestyle. New Year resolution can be washing away unwanted habits/thoughts from us and nurturing positive and new habits and disciplines as a part of life. Such a change can happen with a well-determined resolution. Resolution can be acceptance of good things that are difficult though and leave off the bad ones.

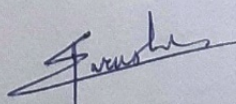

On 25th of December, the Publicity Club under the Student Club in collaboration with Rotaract club of J D College of Engineering and Management, Nagpur, organized an event 'Ecolution' at the Lourde Mata Mandir, Seminary Hills, Nagpur. The event started at 4 pm sharp.

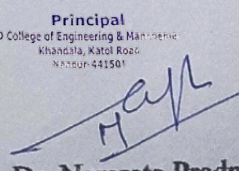

This event consisted of a public activity where they were told about the current ecological conditions of the planet and informed them about the ways they could contribute in saving it. The team approached the people and acknowledged them about the activity while the listeners actively participated in the initiative by undertaking numerous resolutions. After collecting the resolution on a note, a team member thanked the person with a chocolate bar. Nearly 71 people participated in this activity which surpassed the team's goal.

This event was led by the head of Publicity Club Mr. Chaitanya Sahare. The President of RAC JD, Rtr. Rutuja Thakre and Secretary Rtr. Amisha Dhabekar were also present at this event. 15 Members of the Publicity Club and 10 from the Rotaract club contributed to make the Ecolution team huge.

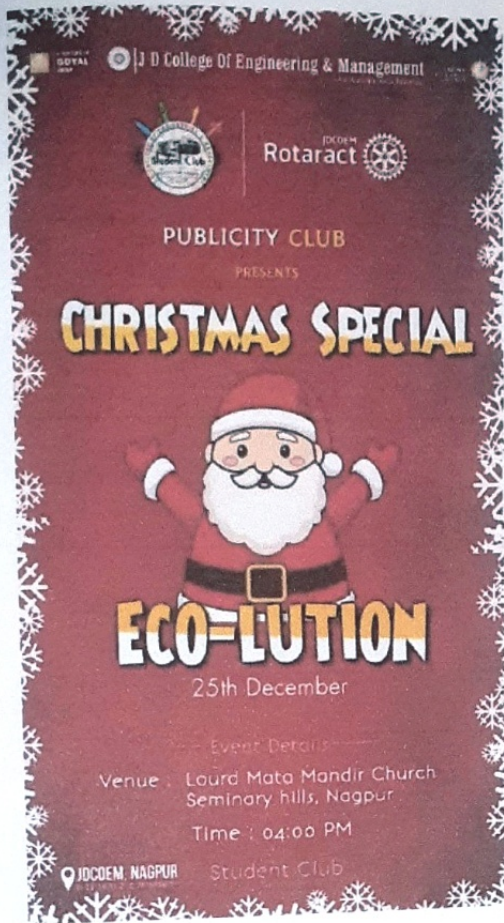

All the members of the team overcame the hesitance of talking to people. As engineers they delivered an important message to the people which influenced their thoughts. The members of both the clubs experienced interaction with public hence improving confidence in direct approach and interpersonal skills.

PROJECT REPORT

Wednesday 29th December, 2021 | 9 A.M Onwards

Name of the Activity : Cleanliness Awareness Drive
Project No. :03
Avenue of Service : Community Service
Project In-charge : Rtr. Tushar Funde and Rtr. Himanshu Patil

Brief About the Project:

On 29th December, 2021, Rotaract Club of JDCOEM, Nagpur, RID 3030, conducted "Cleanliness Awareness Drive", an initiative where we attempted to make villagers of Borgaon aware of the importance of cleanliness, its effects on our health, and how we can make our environment cleaner and more hygienic by performing a Nukkad Natak called "Hamara Kartavya". The street play was performed by 30 members of the Rotaract Club of JDCOEM, Nagpur. After the Street play, our members also cleaned the area accessible to us by picking up the garbage, which was later disposed of.

A few handmade posters were made for the event which we submitted to the nearby Government Primary School, so students can learn about the importance of cleanliness and hygiene through them as well as practice hygienic habits in their school and their day-to-day life.

We are hoping that through this activity they were able to understand the importance of cleanliness and were encouraged to make necessary changes in their day-to-day life to make their home and the environment cleaner.

The 'Cleanliness Awareness Drive' would promote the values of cleanliness, discipline, and respect for the environment in the children and educate and sensitize them about the importance of cleanliness for a healthy, socially responsible, economically dynamic, and progressive nation.

Venue : Borgaon, Kalmeshwar Road, Nagpur 441501
Duration of project : 09:00 to 13:00 (Four Hours)

Involvement of Members: The event was limited to 30 members of the Rotaract Club of JDCOEM.

Principal
JD College of Engineering & Management
Khandala, Katol Road
Nagpur-441501

Outcomes:

1. We were able to make villagers aware of the importance of cleanliness, and its effects on our health.
2. Villagers were encouraged to make necessary changes in their day-to-day life to make their homes and the environment cleaner.
3. We also cleaned the area accessible to us by picking up the garbage.
4. Students will be encouraged to practice hygienic habits in their school by the posters submitted by us.

Learnings:

1. Villagers learned about the importance of cleanliness, its effects on our health, and how we can make our environment cleaner and more hygienic.
2. The members learned about fellowship and teamwork.
3. Members through this event learned about professionalism and time management.

PUBLICITY CLUB × EVENT CLUB
REPORT ON GLAM FROM HEAVEN

A two-day Freshers Fest was organized by the Event Club under Student Club. On 1st of April, the club conducted mega events. The Club collaborated with the other clubs to conduct mega events of the fest. These events are Dance, Drama and Music which are conducted by their respective clubs. For the first time, The Publicity Club introduced Ramp Walk as a mega event in freshers fest.

The Publicity Club in collaboration with Event Club under the banner of Student Club organized 'Glam From Heaven' on the main day of the Freshers Fest. This event was seen for the first time in the fest. The theme for the contest was chosen as 'Angels and Demons'.

The auditions for the contest were conducted on 25th of March, 2022, by the Publicity Club. The judges for the audition round were Prof. Saleha Khan, T&P Department, J D College of Engineering and Management, Nagpur, and Mr. Chaitanya Sahare, Head Publicity Club.

The Participants were groomed and trained for ramp walk from 26th to 31st of March. Mr. Chaitanya Sahare and Ms. Raksha Swami undertook the responsibility for training the participants.

Mr. Ayman Ahmad and Ms. Saniya Sood were declared as the winners of the Contest. They were presented with trophies and certificates.

This contest was a great success as the participants enjoyed the process of grooming and training. The participants gained confidence and developed personality during the period. The final show was a very eye pleasing scene for the audience.

Date: 21st Nov 2021

Report of event:- "Happiness wall"
(A Smile Sharing Event)

OBJECTIVES:

- Our aim is to visit Orphans house to meet orphaned children.
- To provide orphaned children loving home environment.
- To look for an amazing inspiration which shows the beautiful bond between students and nature.
- To encourage children's to plant at least one plant to reduce the effect of deforestation.

PLANNING & EXECUTION:

- We first decides to visit an orphan homes near in KATOL ROAD, NAGPUR
- We have organized a social event name as Happiness wall.
- Poster will be made by Visual Arts Club for the publicity of the event.
- We sent the Google link to everyone for donating a certain amount for this event for orphans children's. We've got better responses.
- We reached orphanage at 12 PM and event was started at 1 PM.
- We introduced our college, about students club, and Creative and Visual Arts club.
- We makes some creative crafts. And also played some games there.
- There were 19 children in Bal Sadan (an orphanage).
- There were 15 members present at the event including Heads and Co-heads of both clubs.
- Student club mentor Nikhil Mishra was present at Bal Sadan.
- Prof. Simran Jhambia mam also joined us.
- We have gave some food, napkins and Sanitizer to each children.
- Lastly we have done plantation at the surrounding of Bal Sadan.
- At 3PM everyone leave Bal Sadan and going to their home.

OUTCOME:

- Orphans children's were inspire with innovative ideas and creativity inside there.
- They also encourage to "Go green and clean" by doing Plantation.
- By participating in this event, students were developed the skills of volunteering because it enables them to give back to their local community or help people who are in need.

WHAT WENT WRONG:

- As we have planned for event on 21st of November 2021 but some students lives outer village and that's why they are unable to attend this event.

Report of event: - “जगाचा पोशिंदा”
(A Social Event)

OBJECTIVES:

- The main objective of this event is to honor and acknowledge the contribution of farmers in our lives.
- The idea behind this event to providing agricultural knowledge to students.
- To encouraged farmers to use organic fertilizers and help “Go Green and Clean”.
- To brief new techniques and feasible way of farming.
- To make short documentary film of event.

PLANNING & EXECUTION:

- We first arrange a meeting to decide to go in farm nearby our college.
- We decided to go on 23th December on the occasion of Farmers Day.
- As per discussion, we reached farm at 11AM.
- We had a roll call of members with their club name, phone number & signature.
- Firstly we met farm owner and introduce our college and about the event then we met labors who work in Farms.
- We introduced our college students and club members one by one.
- Prof. Simran Jhambia Ma'am and Dr. Namrata Pradnyakar Ma'am were also present in the event.
- Then we encourage the farmers about conversing their daily life style.
- We played games with them such as "Passing the Pass".
- Music club members including teachers helped the farmers & workers in their farm.
- A photo session held while working with the farmers.
- Afterwards, Visual Arts Club organized an emergency event called “Chaupal Charcha” which is a group discussion in the presence of farmers and workers in that we discussed about various techniques of organic farming it's pros and cons, how today's digital technology help farmers for example there is app called “Krishi Yojna” which gives all the necessary information related to agriculture and farmers scheme, we counselling them about various studies in the field of agriculture, and we also give them some sort of idea of how they can reach more and more potential customers so that they could get more profit.
- The motive of this emergency event is to interact students with farmers.
- To live a day as a farmer & to understand value of things produced by themselves & utilize them without wasting a bit Motto of Music Club.
- At last we greet farmers and workers by giving fruits such as Banana, Apple, Grapes, Indian plum etc. to them.
- All members had their lunch before going back to their houses.

Principal
J D College of Engineering & Management
Khandala, Katol Road
Nagpur-441501

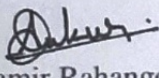

- Again, a roll call to check all members were present at their allocated spot and were safe & sound.
- Visual Arts Club members recorded complete session for short documentary.
- Event were ended at 3PM.

OUTCOME:

- Students were encouraged to grow for organic farming which is very nature friendly.
- Students get to know the working style of farmers and what advanced techniques & technologies can be used to make a better farm.
- Due to this event, Students were encourage to use organic fertilizer in their farm for eruption of soil whose family were engaged in farming.
- Farm work for adults is thought to provide exercise, fresh air, opportunities for problem solving, appreciation for land and animals, and satisfaction in one's work.
- By the end of this event we just want to prove that Agriculture, in particular, offers many opportunities for youth to develop work skills and benefit from farm life.
- A short documentary film based on event has made.

WHAT WENT WRONG:

- Music Club forgot to add name of Visual Arts Club in some poster for promotion of event.
- There is a lack of time management during event.
- Music Club head didn't prepared introduction of event in Marathi.
- Without informing to Club Head, a member of Music Club brought many students for event from Civil Engineering department, they all comes under Student Club but belong to different clubs.
- Were lack of discipline during event due to sudden increase in participants.

Session 2021-22

PROJECT REPORT

Wednesday 29th December, 2021 | 9 A.M Onwards

Project No.:03

Name of the Activity: Cleanliness Awareness Drive

Avenue of Service: Community Service

Project In-charge: Rtr. Tushar Funde and Rtr. Himanshu Patil

Brief About the Project:

On 29th December, 2021, Rotaract club of JDCOEM, Nagpur, RID 3030, conducted "Cleanliness Awareness Drive", an initiative where we attempted to make villagers of Bargaon aware of the importance of cleanliness, its effects on our health, and how we can make our environment cleaner and more hygienic by performing a Nukkad Natak called "Hamara Kartawa". The street play was performed by 30 members of the Rotaract Club of JDCOEM, Nagpur. After the Street play, our members also cleaned the area accessible to us by picking up the garbage, which was later disposed of.

A few handmade posters were made for the event which we submitted to the nearby Government Primary School, so students can learn about the importance of cleanliness and hygiene through them as well as practice hygienic habits in their school and their day-to-day life.

We are hoping that through this activity they were able to understand the importance of cleanliness and were encouraged to make necessary changes in their day-to-day life to make their home and the environment cleaner.

The 'Cleanliness Awareness Drive' would promote the values of cleanliness, discipline, and respect for the environment in the children and educate and sensitize them about the importance of cleanliness for a healthy, socially responsible, economically dynamic, and progressive nation.

Venue: Borgaon, Kalmeshwar Road, Nagpur 441501

Duration of project: 09:00 to 13:00 (Four Hours)

Involvement of Members: The event was limited to 30 members of the Rotaract Club of JDCOEM.

Outcomes:

- We were able to make villagers aware of the importance of cleanliness, and its effects on our health.
- Villagers were encouraged to make necessary changes in their day-to-day life to make their homes and the environment cleaner.
- We also cleaned the area accessible to us by picking up the garbage.
- Students will be encouraged to practice hygienic habits in their school by the posters submitted by us.

Learnings:

- Villagers learned about the importance of cleanliness, its effects on our health, and how we can make our environment cleaner and more hygienic.
- The members learned about fellowship and teamwork.
- Members through this event learned about professionalism and time management.

PUBLICITY CLUB
REPORT ON STARTUP FEST

Today Startups are being widely recognised as important engines for growth and jobs generation. Through innovation and scalable technology, startups can generate impactful solutions, and thereby act as vehicles for socio-economic development and transformation.

The Publicity club under Student Club organized a 'Startup Fest' on 10th of June, 2022. Many startups from the college participated in this fest and displayed their products and ideas on a larger scale.

The fest took place in the presence of our Guest, Shri S.M. Bang, Director, Jaidev Education Society, Shri Avinash Dorsatwar, Executive Director, Jaidev Education Society, Shri S.V. Sonekar, Principal, J D College of Engineering and Management, Dr. Namrata Pradnyakar, Dean Student, and Dr. Ujwala Dange, Dean Admin. The event was hosted by Mr. Chaitanya Sahare, Head Publicity Club.

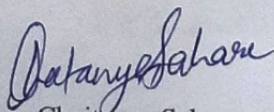

Publicity of this event was done in the flash-mob which took place on 7th of June. Help desks were setup in the college campus at various locations to get a brief about the event. To take it on a larger scale classroom publicity was also took place.

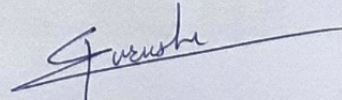

Along with the startups the clubs under Student Club were asked to setup a stall each. 12 clubs from the Student Club were seen on the day. The stalls were either Food and Beverage or Game stalls. The newest clubs i.e. Robotics Club, Coding Club and Gaming Clubs also setup their stalls.

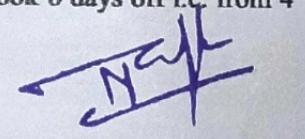

The Best Start-up award was given to Mr. Ved Upadhye, 2nd Year AI Department, for his Brand 'Viscoty'. Other startups also got exposure from the students and faculties of the college.

The event ended by 4:00 pm and all the supplies taken from the college were returned on the same day.

All the participants in this fest learned about business. They got a lot of exposure from the college. The brands that took part got a lot of promotion. All the members learned to execute a mega scale event in lesser time. The members of the Publicity team took 6 days off i.e. from 4th to 9th of June to successfully execute this event.

VISUAL ARTS CLUB
Report of event: - "Treasure Hunt"

OBJECTIVES:

- The main objective of this event was to celebrate Fresher's Fest 2K22.
- To get groups try to complete challenges by working as a team.
- To help students to understand the importance of communication skills, teamwork and cooperation.
- To develop new skills and strengthen and reinforce other skills such as leadership, communication and problem solving.
- To practice physical as well as mental strength.

PLANNING & EXECUTION:

- Event was conduct on 31st March, the 1st day of Fresher's Fest 2K22
- Event started at sharp 10:45 in college premises.
- The Event's theme was based on pirates.
- Entry fee was Rs.50 per member. We have received 136 entries.
- The sequencing of the hints was varied for each team. There will be no possibility of a mismatch. Clues were hidden throughout the college campus.
- There were 5 rounds in the competition. Each team must solve the clue in order to qualify to the next round. There were 26 teams in the first round. There were 10 teams in the 2nd round. There were 5 teams in the 3rd round. Only 2 teams were selected in the 4th round. Finally, in the 5th round, the winning squad emerged. We wanted a single winner in the end, so we set up some puzzles and gave the winner team a surprise clue.
- Half of the teams were qualify for the next round, while the other half was eliminated.
- Only two teams was get selected for the last round, in which they will have to find the treasure of Pirates.
- Sanket Choudhary of 1st year AI branch had completed all of the clues and earned the title of the winner!
- Mr. Sudhanshu Purushe, The Head of Students Club was playing the role of captain who was leading the event.
- Participation certificates was provided to all participants, and prize was given to the winner.

OUTCOME:

- Students learned the value of effective communication and teamwork skills while working as a team to solve the puzzles.
- Student's developed skills such as leadership, communication and analytical thinking.
- To increase student's problem-solving abilities as well as their reading and comprehension abilities.
