# Report on Orphanage Visit (The Joy of Giving)

Held on: 29/04/2023

Time: 11:00 am to 5:15 pm

Venue: Shaskiya Mulinche Balgruh, Katol Road,  
Nagpur

Geo tagged photos 2-4 (Collage)

### Rational/Concept of the event:

Under NSS, On 29<sup>th</sup> April 2023, the Schologamma Forum of CSE/AI Department visited Shaskiya Mulinche Balgrah, located in Sadar Nagpur, Maharashtra. The visit aimed to interact with the children and share knowledge with them. Orphanage visits provide an opportunity for individuals or groups to interact with the children and offer emotional support. Engaging in activities, playing games, or simply spending time with the children can have a positive impact on their emotional well-being.

### Activity mapping with PO:

PO--	PO 1	PO 2	PO 3	PO 4	PO 5	PO 6	PO 7	PO 8	PO 9	PO 10	PO 11	PO 12
Orphanage Visit			3			3	2	2	2			

### Pre event feedback:

- **Awareness and Interest:**
- Are you interested to be a part of committee for arranging orphanage visit? (Yes/No)
- **Information Clarity:**
- Do you think this orphanage visit plays important role in spreading happiness among orphans? (Yes/No)
- Any suggestions for events.
- What motivated you to arrange orphanage visit?

### Objectives:

1. The main objective is to bring joy and happiness among the children's and provide them an emotional support.
2. To enhance students' skills in view of the changing pace in competitive and technological world.
3. To spend quality time with the students and making them feel loveable and valued.
4. To raise the awareness about the challenges faced by children in need of care and protection.
5. To build empathy and compassion among students, so that they should appreciate what they have in life and motivate them to help other needy persons.

### Modalities:

On date 29th of April, the National Service Scheme conducted an orphanage visit to "SHASKIYA MULINCHE BALGRUH" with members from 2nd, 3rd and 4th year.

The purpose of the visit was to spend time with the children and provide emotional support to them. The event started near 12.30 p.m. and ended about 3.30 p.m. Members of National Service Scheme of CSE & AI Department with department Co-ordinator Prof. Rahul Bambodkar and Under the guidance of Prof. Dipali Pethe. We had performed many fun activities with them. The visit was successful and the children's were very happy and grateful for the student's presence and generosity.

The event was started by the Prof. Dipali Pethe by taking introduction of the children's i.e., what is their name and what they want to become in future or by inspiring them for their goals. Some children's told that in future they want to be a lecturer or police. Their passion motivate us to fulfil our dreams. Members of NSS Provided a speech on career guidance about scope of designing and architecture, given by Vaishnavi and Diksha.

Later on a game was played "Jadugar" V/S "Baazigar" by dividing the students into two teams. It was about guessing the names of song and movie.

And the winners of that game was:

1st rank Roshni

2nd rank Payal

3rd rank Ruchi

Mr. Harsh Kumar later on taught them beat boxing. And our event ended with some dance performance. Childrens were very active and they participated in dance very actively. We encouraged them to show their talent.

**No of attendees: 25**

**Financial implications: NIL**

**Post event publicity:** Status of Creation and circulation of post for whatsapp, instagram, etc.

**Post Event Feedback:**

1. Do you think, this visit plays important role in unlocking the talent of Orphanage Home?(Yes Or No)
2. Do you think orphanage visit spread happiness at Orphanage Home? (Yes Or No)
3. Do you think, the objective "The Joy of Giving" is achieved? (Agree / Disagree)
4. Any Suggestions?

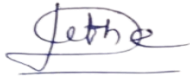

**Outcome:**

1. Positive emotional experiences for both visitors and the children, fostering a sense of joy, companionship, and support.
2. Increased awareness of the challenges faced by orphaned or abandoned children, leading to empathy and compassion.
3. Educational benefits for the children through organized workshops, tutoring sessions, or activities that promote learning and skill development.
4. Exposure to different perspectives, ideas, and cultural experiences that contribute to their personal growth and understanding of the world.

## NATIONAL SERVICE SCHEME

### Rational/Concept of the event:

**Altruism and Empathy :**The Joy of Giving is grounded in the belief that acts of kindness and generosity can create a ripple effect of positive emotions. It emphasizes the importance of understanding and empathizing with the needs and struggles of others.

**Personal Fulfillment:** There is a recognition that true joy comes not only from receiving but also from giving. People often experience a sense of fulfillment and satisfaction when they contribute to the well-being of others, fostering a positive outlook on life.

**Social Responsibility:** The concept emphasizes the idea that individuals and organizations have a social responsibility to contribute to the welfare of their communities. It encourages a mindset of giving back and making a positive difference in the world.

### Pre event feedback:

Students are excited for this program to interact with Diasble students.

Some questions are asked to students :

- 1) Do you have any creative ideas or suggestions for activities that could bring happiness to the disabled kids?  
Ans: They suggested many activities for little kids.
- 2) Are you open to working in teams for specific activities?  
Ans: YES.

### Objectives:

The main objectives of the event are

- To promote positive emotions and well-being among students, leading to a happier and more positive school environment.
- To provide students with stress relief and relaxation techniques, promoting better mental health and well-being

### Modalities: (How the event was conducted)

A NSS Activity was organized by the department of Electronics & Telecommunication Engineering of J D college of Engineering and Management on “Joy of Giving-Spreading Happiness”. Student Co-ordinators Pravesh Khawas, Khushi Yadav, Deepak Dahiwale, Shubham Kumbhare and Damini Athawale co-ordinated the event under the guidance of Prof. Akanksha Sontakke, Departmental NSS activity incharge and Prof. Kiran Khandare, Faculty ETC. Hon’ble Principal, JDCOEM, Dr. S.V. Sonekar, Respected Dean Students & Program Officer, NSS, Dr. Namrata Pradnyakar, Prof. Umesh Samarth (NSS College Coordinator), Prof. Gayatri A. Bhoyar (HOD, ETC) are the biggest motivation for the activity. The activity was held at “SNEHSAMPADA” Matimand Mula-Mulinchi Vishesh Niwasi Shala, Zingabai Takli, Nagpur-440030 on 9<sup>th</sup> April 2023 from 11:00 pm to 03:30 pm.

The main objective of the NSS activity was to spread happiness and promote well-being among the students at Matimand Mulanchi Shala. The activity aimed to encourage acts of kindness and compassion, enhance social skills, and foster a sense of community and connection among the students. As a part of activity, a variety of fun games were organized for the students to participate in. Also music and dance activities were organized for the students which helped them to relax, have fun, and express themselves creatively. The kids were super excited to tell us about their likes and dislikes. As a part of activity, we donated some toys and snacks were given to them. The NSS activity on spreading happiness among students was a great success. The students participated enthusiastically in the activities and had a great time.

### ABOUT

VIBRANCE 2023 is the most eagerly anticipated annual cultural fest of J.D. COLLEGE OF ENGINEERING AND MANAGEMENT where students are allowed to showcase their talents and grow. This cultural fest was being organized and supervised under Dr. Namrata Pradyakar who had looked into all the aspects of the fest. The theme of Vibrance 2023 was "India - Through Medieval Eyes" which displays the structures and architectures of India.

Team Vibrance conducted The Annual Sports of J.D. COLLEGE OF ENGINEERING AND MANAGEMENT under Vibrance 2023 for Faculty as well as Students with 11 Sports (9 Outdoor and 2 Indoor Sports) from 6<sup>th</sup> to 9<sup>th</sup> February 2023 for the first time. Team Vibrance also reintroduced Inventions 2023 with 14 new exciting games which was held on 10<sup>th</sup> February 2023. The main event Vibrance 2023 was held on 20<sup>th</sup> & 21<sup>st</sup> February 2023 which gave a platform to all the students to showcase their talent and bring out the best of them. This fest was organized by the Jaidley Education Society.

### PLANNING AND PREPARATION:

- Vibrance 2023 was supervised and conducted under the guidance of Dr. Namrata Pradyakar.
- With the foremost meeting with the students, Dr. Namrata Pradyakar chose Mr. Bhushan Agashe as the Student Coordinator and Mr. Rohit Dhongude as the Student Co-Coordinator of Vibrance 2023.
- On 20<sup>th</sup> November 2022, the first official meeting of Students was conducted forming the core committee of Vibrance 2023.
- The theme of Vibrance 2023 was decided as India-Through Medieval Eyes on 3<sup>rd</sup> December 2022.
- To raise funds for Vibrance 2023, The sponsors' committee looked for sponsors. Vivo Nagpur, NETW, Maa Sharda Caterers, etc were the sponsors of Vibrance 2023.
- The Hospitality committee designed beautiful invitations based on the theme for the chief guest.
- Some creative designs were pitched by the creative committee for the decoration on the campus.

- Invictus being an Inter-Collegiate event, the Committee started the publicity of the event. On 5<sup>th</sup> February 2023, Team Vibrance performed a Flashmob inside Nagpur Maha Metro Station, Sitabuldi for the promotions and sold House Tickets.
- Preparations of Invictus were done one day before the event. 52 Tents of Vivo were placed across the Campus for games and stalls of sponsors.
- After Invictus, we got to work for Vibrance. Visual Effects Committee designed banners to decorate the buildings of the campus.
- The creative committee prepared lanterns to hang between Phase 1 & and Phase 2 buildings. They placed bigger lanterns in the garden as per the discussion. Also covered are trees with lighting to match the aesthetics of the event.
- Mr. Shreyash Giri, Mr. Girish Rakshit & and our Alumni Mr. Nikhil Mishra created Vibrance letters using a Foam sheet which was later placed on the stage.
- The day before Vibrance, all the performances were practiced on stage to avoid any mistakes on the Main day.
- Stage marking of Persona rounds, preparation of gift hampers for Chief guests, decoration & and collection of trophies, placement of Vivo tents, electricity and water supply in the tents, painting of big water vase, decoration in front of stage using florals and Rangoli, etc was done one day before the event.
- A big thanks to our Alumni Mr. Aamir Meshram, Ms. Ashwini Doke, Mr. Nikhil Mishra, Ms. Raksha Swami, Mr. Chaitanya Sahare & Mr. Swapnil Dangare for helping us out in the planning & and preparation of the event.

### EXECUTION:

- The event started at 4.30 PM with an inauguration ceremony and lightning of lamp in the presence of our honourable management & and our judges, Mr. Dhaneshwar Sawariya & Mr. Prashant.
- The event started with Ganesh Vandana which was performed by our committee members.
- The event was followed by dance, drama, music, anchoring, and persona performances.
- Vibrance ended with the Mid-Year awards ceremony of the Student Club and prize distribution of Main Events of Vibrance & Persona.
- **Mr. Abhishek Mishra (3<sup>rd</sup> Year Mechanical) & Ms. Drishti Khandelwal (3<sup>rd</sup> Year ETC)** won the title of Mr. JD & Ms. JD respectively.
- Committee, Students, and faculties celebrated as the event ended successfully.

### OUTCOME:

- The event served as a platform for the students to showcase their skills and talent.
- Vibrance provided opportunities to the students from different departments and sessions to collaborate and work as a team.
- Committee members learned the skills of planning, coordination, and teamwork. As a committee member, we gained valuable skills in event management, communication, leadership, and problem-solving.
- After the event, students appreciated the performances and the event.
- Students created lasting memories that can be a highlight of their college experience, offering moments of joy, laughter, and entertainment.

**Activity: Saturday Sport Activity**

**Date: 04/06/2022**

**Time: 2 PM to 4 PM**

**Event: Volleyball (Male)**

**Event Venue: Play Ground No.1**

**Objective:** The primary objective of the volleyball - Male event is to promote team spirit, physical activity, and friendly competition among the Male students of J D College of Engineering & Management. This engaging sport aims to foster a sense of camaraderie and sportsmanship, providing an opportunity for participants to showcase their agility, precision, and teamwork.

**Introduction:** Welcome, participants, to the exhilarating Volleyball - Male event! We believe in the holistic development of our students, and what better way to achieve this than through a fun and competitive sports activity. This event is designed to not only test your physical prowess but also enhance your strategic thinking and coordination skills.

Experience a volleyball of excitement as teams of talented Male students compete in a challenge that combines speed, accuracy, and teamwork. The objective is simple yet thrilling: the players are played game as you can within the allotted time. This event encourages you to strategize with your teammates, communicate effectively, and, most importantly, have a great time.

## **Rules and Regulations:**

### **Teams:**

A standard volleyball team consists of six players on the court.

Teams may have a libero, a specialized defensive player who wears a different color jersey and has specific substitution rules.

### **Scoring:**

Volleyball matches are typically played as best-of-five sets.

The first team to reach 25 points (with a two-point advantage) wins a set.

The fifth set (if necessary) is played to 15 points.

### **Rotations:**

Players must rotate positions on the court after winning a rally and before serving.

Players rotate in a clockwise direction.

### **Service:**

The ball must be served from behind the end line.

The server has to wait for the referee's whistle before serving.

The serve must go over the net and into the opponent's court.

### **Hits:**

Each team is allowed a maximum of three consecutive contacts of the ball to return it to the opponent's side.

A player may not hit the ball twice consecutively (except in certain circumstances, such as a block).

### **Net Play:**

Players are not allowed to touch the net during play.

Blocking the opponent's attack is allowed, but contact with the ball must be above the net and within the player's own playing space.

### **Substitutions:**

Substitutions can be made freely, with players entering and exiting the game during stoppages in play.

### **Libero:**

The libero is a specialized player who can only play in the back row.

The libero is not allowed to attack the ball above the net's height, block, or attempt to block.

### **Timeouts:**

Each team is allowed a certain number of timeouts per set.

### **Challenges:**

Some volleyball matches may use video challenge systems to review certain decisions made by the referees.

## **Rules and Regulations:**

### **Team Composition:**

A standard tug of war team consists of eight members, but variations may exist based on specific event rules or organizational preferences.

### **Equipment:**

A tug of war rope, typically made of natural fiber, is used. The rope has a marker or center point, and the teams start on either side of this point.

### **Game Objective:**

The objective is for a team to pull the opposing team a predetermined distance, usually measured by a marked line or flag.

### **Tug of War Rope:**

The tug of war rope is marked with a colored ribbon or tape at the center, and this center mark must align with a marker on the ground.

### **Pulling Technique:**

Participants use a hand-over-hand pulling technique. The rope must pass through their hands, and the hands should not be interlocked. Specialized footwear may be used to enhance traction.

### **Starting Positions:**

Teams start with the rope taut and upright, with all team members behind the starting line.

### **Referee Commands:**

The referee gives commands to start and stop the pull. The start command initiates the pulling action, and the stop command is given when a team has pulled the opposition across the center marker or a predetermined line.

### **Winning the Pull:**

The team that successfully pulls the opposition a specified distance or over a marked line is declared the winner of that pull.

### **Match Format:**

Tug of war competitions often consist of multiple rounds, with teams accumulating points based on their performance in each round.

### **Sportsmanship:**

Tug of war emphasizes fair play and sportsmanship. Teams are expected to compete within the rules, and any violation may result in penalties.

### **Footwear:**

Principal  
Principal  
J.D. College of Engineering & Management  
Khandala, Maharashtra

Participants typically wear suitable footwear for traction, such as specialized shoes with cleats. However, rules may vary, and some events may have specific guidelines on footwear.

### **Weight Categories:**

In some competitions, weight categories may exist to ensure fair competition. Teams are grouped based on the total weight of the team members.

**Committee Members:** Prof. Amir Sayed, Prof. Mandara Isasare, Prof. Chetan Padole, Prof. Tuba Khan, Prof. Mittal Patne, Prof. Sujata Helonde, Prof. Tushar Joshi, Prof. Atul Gautam, Prof. Surendra Jogi, Prof. Shoeb Sheikh.

Experience a Chess (Female) is of excitement as teams of talented male students compete in a challenge that combines speed, accuracy, and teamwork. The objective is simple yet thrilling: the players are played game as you can within the allotted time. This event encourages you to strategize with your teammates, communicate effectively, and, most importantly, have a great time

### **Rules and Regulations:**

#### **Board Setup:**

The game is played on an 8x8 square board.

Each player starts with 16 pieces: one king, one queen, two rooks, two knights, two bishops, and eight pawns.

#### **Piece Movement:**

The king moves one square in any direction.

The queen can move diagonally, horizontally, or vertically any number of squares.

Rooks move horizontally or vertically any number of squares.

Bishops move diagonally any number of squares.

Knights move in an "L" shape: two squares in one direction and then one square perpendicular to that.

#### **Pawns:**

Pawns move forward but capture diagonally.

On their first move, pawns have the option to move forward two squares.

Pawns can promote to any other piece (except a king) when they reach the eighth rank.

#### **Check and Checkmate:**

The object of the game is to checkmate the opponent's king.

Check occurs when a king is under attack. The player must make a move to remove the threat.

Checkmate is when a king is in check, and there is no legal move to escape the threat.

#### **Stalemate:**

A stalemate occurs when a player has no legal moves and is not in check. The game is a draw.

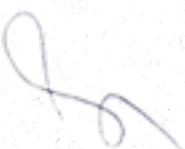

#### **Draws:**

Draws can also occur through insufficient material, threefold repetition, the fifty-move rule (no pawn moves or captures in the last fifty moves), or agreement between the players.

#### **Castling:**

Castling is a special move involving the king and a rook. It can only be done if neither piece has moved before, there are no pieces between them, and the king is not in check.

#### **En passant:**

  
Principal  
Principal  
J D College of Engineering & Management  
Khandala, Katol Road

Pawns have the option to capture en passant if they move two squares forward from their starting position and land beside an opponent's pawn.

**Chess Clock:** In tournament play, a chess clock is often used. Each player has a set amount of time to make all their moves.

Activity : Sport Activity

Date : 03/09/2022

Time : 2PM to 4PM

Event : Carrom Male

Event Venue : Sports Room

**Objective :** The primary objective of the Carrom - Male event is to promote team spirit, physical activity, and friendly competition among the Male students of J D College of Engineering & Management. This engaging sport aims to foster a sense of camaraderie and sportsmanship, providing an opportunity for participants to showcase their agility, precision, and teamwork.

**Introduction :** Welcome, participants, to the exhilarating Carrom - Male event! We believe in the holistic development of our students, and what better way to achieve this than through a fun and competitive sports activity. This event is designed to not only test your physical prowess but also enhance your strategic thinking and coordination skills.

Experience a burst of excitement as teams of talented Male students compete in a challenge that combines speed, accuracy, and teamwork. ## **Rules and Regulations:**

### **Setup:**

Place the carrom board on a flat surface.

Arrange the carrom men in a specific pattern within the circle (usually arranged alternately in the inner circle with a red carrom man in the center).

Position the striker on the baseline.

### **Objective:**

The main objective is to pocket all of your carrom men (either black or white) and then the queen before your opponent does.

### **Turns:**

Players take turns to strike the striker.

Players must pocket one of their carrom men into any pocket with each turn.

If a player fails to pocket a carrom man, their turn ends, and their opponent gets a turn.

### **Fouls:**

Fouls can occur if a player violates certain rules:

Foul lines: Striker must be placed within the front lines while striking.

Wrong pocket: If a player pockets their opponent's carrom man or the striker without pocketing one of their own.

Double touch: If the striker is touched more than once during a single strike.

No contact: If the striker fails to hit any carrom men on the board.

Striker in the pocket: If the striker is pocketed.

### **Queen:**

The queen is a special carrom man, usually the red one.

Players must pocket a carrom man after pocketing the queen.

If a player fails to do so, the queen is returned to the center of the board.

### **Winning:**

The player who pockets all of their carrom men and the queen first wins the game.

Alternatively, a player may win by accumulating a predetermined number of points.

### **Variations:**

There are many variations of carrom played around the world, with some rules differing based on cultural preferences or regional norms.

**Committee Members:** Prof.AmirSayed,Prof. Mandara Isasare, Prof.Chetan Padole, Prof.TubaKhan,Prof. Mittal Patne,Prof. Sujata Helonde,Prof. Tushar Joshi,Prof. Atul Gautam,Prof. Surendra Jogi,Prof. Shoeb Sheikh.

### Rules and Regulations:

1. Box cricket is a modified version of traditional cricket, often played in smaller spaces like parking lots or indoor facilities, using a smaller playing area.
2. The playing field is typically a rectangular space, and the game may be played with a soft or tennis ball, depending on the agreed-upon rules.
3. The number of players in a box cricket team can vary but is usually smaller than the traditional 11 players in regular cricket.
4. Instead of running between wickets, batsmen score runs by hitting boundaries or predetermined areas within the playing space.
5. Rules for box cricket can be flexible and may vary among players, but it generally follows the basic principles of cricket, including runs, wickets, and fair play.
