REPORT ON MOCKTEST CONDUCTED ON 15th And 16th JUNE,2020

J D College of Engineering & Management, Nagpur

Activity : Online Mocktest 1& Mocktest 2
Date : 15th & 16th June,2020
Time : 7:00 pm to 08:00 pm
Topic : MHT-CET Mocktest

• **Objective :**

eLearning has become the key to a new world of education. Now online learning is the most popular way of gaining knowledge. As the benefits of eLearning are increasing, the academies are also providing students with an online platform to prepare for their competitive exams. New technology has also made education interesting. There were days when we used to give exams and wait for days for the results. Now, through online test students can save time and get your results just after they complete the test.

Students can see instant feedbacks and can evaluate your performance. This will help the students to identify their weak areas and can start rectifying them before they sit for the main exams. The online mock test will aid the students to keep a track of their progress.

Activity Details :

Online Mocktest organized by CSE/IT Department on 15th and 16th June, 2020 in two slots for 12th Standard students. The Online Mocktest was successfully arranged on 15th and 16th June,2020 by the Department of CSE/IT. The directions were followed as per the academic policies of JDCOEM under the guidelines of Head of Department. Students get the information about:

1. eLearning has made learning and evaluation much easier with the online mock test.
2. online mock test is a convenient option to choose as they can take the test anywhere, anytime and on any device and can get prompt feedbacks and results.
3. The online mock test helps them to save the question papers on your hard drive for future reference. With the advanced technology, it has made possible for you to keep your important documents safe and save on your device for your reference in future.
4. These tests are designed to evaluate the preparation of the candidates; hence the answers of the students are evaluated based on the performance of the student in that exam. As these tests are marked automatically and immediately, the scope of any partiality is eliminated.

Jaidev Education Society's patronage and directions were followed while conduction this expert lecture and Hon. Principal, Dr. S.V.Sonekar had greeted the department for conduction such fruitful session in the department.
