Activity Details

The Department of Management Studies, J D College of Engineering & Management (JDCEM), Katol Road, Nagpur had organized an online panel discussion on Post Covid Challenges for Indian Industry on 17th May, 2020. Dr. Sanjay Kavishwar, Dean-Academics, DMSR Tirpude College, Chairman, Board of Studies (Business Administration & Management), RTMNU, CA Dr. Tejindra Singh Rawal, Partner, T S Rawal & Co. Nagpur and Mr Sudhir Mateti HR Head, Syntel Telecom, Pune were the panel members.

Dr. Kavishwar observed that the crisis is unprecedented and is likely to have colossal impact on the entire dynamics of the economy and industry. He then discussed the challenges for the education system and the role of digitization in delivery of contents.

Mr. Sudhir Mateti expressed his view on the impact of the pandemic on the recruitment scenario and advised the students to utilize this period to upskill and upgrade themselves as industries would be looking for candidates who would bring value to the table and stand out among the crowd..

Dr. Tejindra Singh Rawal felt that it is most important in the immediate scenario to keep the economy afloat and sufficient liquidity must be made available to achieve this. While he appreciated the supporting steps announced by the government for SMES, he also stressed that large industries must also be supported as they have the potential of creating a large number of jobs. He emphasized that the government should take bold steps and introduce reforms in labour laws, tax laws, FDI policies and other areas. In all, the laws must make it conducive for investment to flow into India in India.

The session was moderated by Dr. Swaranalata Philip, the head of the MBA department. Students and faculty from various colleges of Nagpur and other cities participated in the session.
