Session 2019-20

REPORT ON WEBINAR ON DATED 6th MAY, 2020

J D College of Engineering & Management, Nagpur

Activity	**:**	Online Webinar
Date	**:**	6th May,2020
Time	**:**	1.30 pm to 03:00 pm
WeinarTopic	**:**	Awareness on Research and how to avoid Plagiarism.
Honorable Guest	**:**	Dr.Lakshamana Kumar Ramasamy

- **Objective :**

    Educational research is important because of contributing knowledge development, practical improvement, and policy information. Therefore, educators can use those research findings to improve their competences and teaching and learning process. It primarily focuses on improving its quality and is a search for knowledge .It shows how to make provision of solutions to problems in a scientific and methodical manner.

- **Activity Details** :

    This Webinar was organized for the students of all Semester CSE/IT students. Prof. Sonali Zunke welcome Webinar speaker Dr.Lakshamana Kumar Ramasamy , Hindustan College of Enginering and Technology, Coimbatore. He explains the importance of Research and tells that Research will help to understand any subject and its principals in much better and easier way which willencounter new questions and search for answers of those questions.   Research education professionals are always learning, finding out things, analyzing information, adapting their behavior according to information received, looking to improve and adapting to modern demands. Teachers can adapt it to fit the individual needs of their own pupils. Research methodologies give teachers the tools to   analyze and make informed decisions about their practice. Finally Prof.M.Baig gave vote of thanks .

    The guest lecture was attended by all present students along with a few faculty members of CSE /IT.
