"A Place to Learn; A Chance to Grow" Session 2022-23

VISION

To be a recognized as an Excellent Innovative Engineering Department through Academic Programme which develops leaders in Education and Research in Computer Science."

MISSION

 To create self-learning environment by facilitating leadership qualities, team-spirit and ethical responsibilities.

 To Strengthen department-industry collaboration and interaction with professional society through technical knowledge and internship program.

 To promote research and development with current techniques through well qualified resources in the area of computer science and wireless engineering.
