The schemes of M. Tech. in Electronics Engineering approved by Board of Studies Computer science have been placed before the house for approval. The house unanimously approved the Scheme of M. Tech. in Electronics Engineering.

The house suggested changing the nomenclature of the program as "VLSI & Embedded System Design" if possible. College has to apply for change in nomenclature to DBATU and accordingly action will be taken from college.

Item No. 5 Inclusion of guidelines for Ph. D. course work.

In Scheme & Syllabus of Course work for Doctor of Philosophy, a credit of 3 is given for individual subject, it is equivalent to a 12 week online course.

If a research scholar does a course of 4 or 8 week then he/she has to complete the remaining 8 or 4 week course to score a credit of 03.

If a Research scholar fails in NPTEL online course exam, then the concerned BOS is empowered to conduct its re-exam.

The issue is kept before the house and house accepted and permits to make the changes in the Book of "Ordinance & Regulation 2019".

Item No. 6 To note the nominee of DBATU on Various Board of Studies.

As per the regulation of UGC one member is to be nominated on BOS from the affiliated University. The college has received letter from DBATU, about the nominee wide letter no. DBATU/AFFIL/0701/2021/316 dated 07th January 2021 and DBATU/AFFIL/VC Nominee/2402/2021/424 dated 24th February 2021. DBATU has nominated various academicians on BOS of JDcoem. The nomination is noted by the house.

Item No. 7 To approve the subject wise panel of external experts on the Research Recognition committee.

As per the clause number 13 of regulation 38, regarding the Research Recognition Committee (RRC) formation, various subject experts are identified in each subject. The corresponding list of experts was tabled before the house & house unanimously accepted it.

Item No. 8 To approve the Academic session for First year & Direct Second year (Diploma Student) under COVID situation.

VISION	MISSION
To be a Department providing high quality & globally competent knowledge of concurrent technologies in the field of Electronics and Telecommunication.	To provide quality teaching learning process through well developed educational environment and dedicated faculties. To produce competent technocrats of high standards satisfying the needs of all stakeholders.

Unfortunately we all are going through COVID pandemic situation, in which classes of first year & students of lateral entry could not be started on time. Hence we have the session of two & half month i.e. from 01/2/2021 to 30/4/2021 and from 02/5/2021 to 31/07/2021. It is not possible to complete 100% syllabus. All BOS recommended for completion of 70 to 75% syllabi. The house agreed on the present COVID situation and approved the Academic Session for first year and direct second year (Diploma Students).

Item No. 9 To approve the external co-supervisors for Ph. D Program under various Boards.

Dr. S. V. Dhoble, name is received from Basic Science board of studies for co-supervisor in Physics for Ph. D program. The house accepted the name.

Item No. 10 To approve the incentive policies.

As per the suggestion received from the experts in last meeting, the college formulates the incentive policies for the achievement of students & faculties. The house was agreed the need of such policies for promoting research culture in the college and & approved the policies. The college will put these policies to management for sanction.

Item No. 11 Any other matter with the permission of the Chair.

The officiating Principal listed the achievement of college with respect to patents, publications, awards etc. The house appreciates it.

The officiating principal summed up the deliberations followed by Vote of Thanks to the members from outside and the members present by the Dean academics, Dr. S. L. Haridas.
