(An Autonomous Institute, with NAAC "A" Grade)

VISION	MISSION
To be a center of excellence imparting professional education satisfying societal and global needs.	Transforming students into lifelong learners through, quality teaching, training and exposure to concurrent technologies. Fostering conducive atmosphere for research and development through well equipped laboratories and qualified personnel in collaboration with global organizations

## INSTITUTIONAL DISTINCTIVENESS (2021-22)

### REACHING THE UNREACHED: CHAMPIONING INCLUSION

With its commitment to provide quality education to the weaker sections of the society, JDCEM offers generous scholarships and fee waivers to the students under the 'Reaching the Unreached' initiative. Additional fees waivers were given to students suffering financial constraints due to Covid. The teaching learning remained unhampered with digital tools like google meet, google classroom, google forms and whatsapp which guaranteed the continuation of academics. TGs actively engaged with the parents & students through online Parent teacher meets & phone calls to enquire about their well being & promote their mental health. Those experiencing high levels of emotional turbulence were provided assistance through counselling. The various Students Clubs and Forums that provide an opportunity to the students to showcase their talents transitioned to online activities. With the offline classes resuming from 2022, Sessions catering to soft skills, aptitude and reasoning skills of the students were conducted under the AICTE sponsored 'Skill and Personality Development Programme Centre for SC/ST Students (SPDC)' with sanctioned grant of Rs. 14,37,000. The regular slots of Library, TG, Sports as per the time table were also resumed. The placement figures are a testimony to the concerted efforts of Training & Placement Cell.
