VISION	MISSION
To be a center of excellence imparting professional education satisfying societal and global needs.	Transforming students into lifelong learners through, quality teaching, training and exposure to concurrent technologies. Fostering conducive atmosphere for research and development through well equipped laboratories and qualified personnel in collaboration with global organizations

## INSTITUTIONAL DISTINCTIVENESS (2022-23)

### REACHING THE UNREACHED: CHAMPIONING INCLUSION

Committed to providing quality education to the weaker sections of the society, JDcoem offers generous scholarships and fee waivers to the students under the 'Reaching the Unreached' initiative. An enabling environment is created by providing support in the form of Teacher Guardians, who act as mentors to the students and offer them emotional and academic support. Feedbacks on academics and other processes are taken from the students at regular intervals through informal interactions with them by the authorities. The institute practices an "Open Door Policy" for the students, wherein the students can approach any authority without any hesitation. Regular slots for Soft skills, Library & TG are an integral part of the time table. Weekly two hours for sports is ingrained in the time table for all round development of students' personality. Students Clubs at the college level and student forums at the departmental level provide an opportunity to the students to showcase their talents right from conceptualizing to execution of various events. Regular training sessions conducted by the in house trainers in conjunction with outside experts/ training partners plays an indispensable role in making the students industry ready.
