JD College students go Chogada Tara

We saw Garba fever overwhelm the students of JD College, where teachers happily danced along with the youngsters and in fact gave them a tough competition.

This is the best part of Indian festivals that they delete the gaps between people and different classes. Now youngsters are all set to get back to studies with a vengeance!

Nagpur.

Subject: Permission letter for conduction of "IEEE Day"

Respected Sir,

Department of Computer Science & Engineering and Information Intelligence, willing to conduct "IEEE Day" under Scohologamma Forum on 01-October- 2019.

As an integral part of the IEEE community, we are eager to organize this event to commemorate the achievements and contributions of the Institute of Electrical and Electronics Engineers (IEEE) to technology and innovation worldwide.

Your support is crucial to the success of this educational initiative.

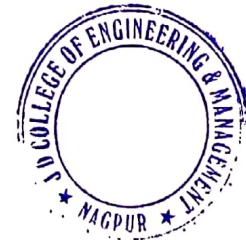

I request you to kindly permit for the same.

Thank you!

2. What topics or themes would you like to see covered during the event?
3. How did you hear about the Teacher's Day celebration?
4. Would you be interested in participating as a speaker, panelist, or workshop facilitator at the event?

Objectives:

1. One of the primary objectives of Teacher's Day is to recognize and appreciate the hard work, dedication, and contributions of teachers to the education and development of students.
2. It's a day to honour their tireless efforts and the profound impact they have on shaping the lives of individuals and communities.
3. Through various activities and events, Teacher's Day promotes collaboration, networking, and mutual support within the education community.
4. It raises awareness about the challenges and opportunities in the education sector and encourages stakeholders to support policies and initiatives that promote quality education for all.

Modalities:

Department of Computer Science & Engineering celebrated "Teacher's Day" on 05th October 2019 in Classroom VS-204, JDCOEM, Nagpur. The day started with a special assembly dedicated to teachers. Students gave speeches, performed skits or songs, and presented handmade cards or gifts to express gratitude. Decorated classrooms, corridors and common areas with banners, balloons and posters expressing appreciation for teachers. Organized informal sessions where students can interact with teachers outside the classroom. This was

including Q&A sessions, group discussions, or sharing personal anecdotes to strengthen teacher-student bonds. A special luncheon or tea party was organized for the teachers. Created a digital appreciation wall where students can post messages, photos, and videos expressing gratitude for their teachers.
