Session 2020-21

**VISION**

To evolve as a center that provides excellent learning and research environment for nurturing future management professionals.

**MISSION**

1. To develop in the students strong domain knowledge and a passion for lifelong learning.
2. To develop managerial and leadership skills in the students along with a strong sense of ethics, social responsibilities and Professional values.

Date: 17/11/2020

NOTICE

This is to inform all the students of MBA that Department of Management Studies is organising National constitution Day on 26/11/2020. The details are as follows:

.DATE: 26/11/2020

TIME: 3:00 PM TO 4:00 PM

TOPIC: National constitution Day

Note: All students are hereby instructed to attend compulsorily.

(HOD-MBA)

REPORT ON NATIONAL CONSTITUTION DAY

CONDUCTED BY: DEPARTMENT OF MBA

DATE OF EVENT: 26<sup>TH</sup> NOV 2022

TIME: 3:00 PM TO 4:00 PM

MODE: Online

Department of Management Studies conducted an event of National Constitution Day on 26<sup>th</sup> NOV 2020 From 3:00 PM TO 4:00 PM. National Constitution Day is a reminder that despite our culturer differences, we are all humans and we share the same goal of building a strong and prosperous community. Prof. Anjali Chandak organised the event to make students aware about challenges faced by communities. All the students enjoyed the event and got to clarity about National constitution Day.

Event Coordinator: Prof. Shoeb Sheikh & Prof. Anjali Chandak

# Report on World Water Day

Held on : 22/03/2021

Time: 11 onwards

Mode : Google Meet

Link: [:https://meet.google.com/cia-nctj-hgf](https://meet.google.com/cia-nctj-hgf)

## Concept of the event:

- Familiarize students with the water and its necessity.
- Help students understand the importance of water.
- It is about taking action to tackle the global water crisis.

- A core focus of World Water Day is to support the achievement of Sustainable Development.

#### Objectives:

The main objective of the day is to inspire people around the world to learn more about water-related issues in the world and to take appropriate steps to make a difference.

The theme for this year is 'Accelerating the change to solve the water and sanitation crisis'.

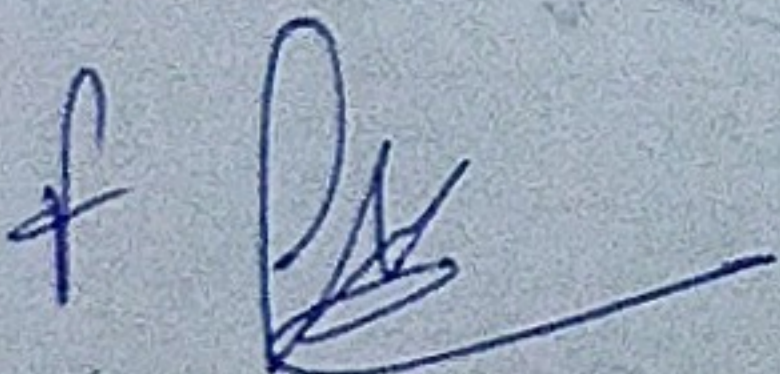

#### Modalities: (How the event was conducted):

- "World water day " program has been successfully executed under the guidance of Prof. Atika A. Ingole, Head of the Department, Civil Engineering, JDCOEM, Nagpur and all faculty members of Civil Engineering Department.
- The event has conducted from **11:00 AM** on **22/03/2023**.
- The guest of the event was Dr.S.V.Sonekar ,Principal, JDCOEM, Nagpur and all the departmental faculties.
- The event started with the Lighting of Lamp followed by Saraswati Mantra by all the faculty members of Civil Engineering.
- Head of the Department, Prof. Atika A. Ingole, delivered speech on the importance of water worldwide.
- Prof. Atul D. Gautam, HoD, have enlightened all the students and gave a brief information about the world wide water .
- After the short break of 20 min, from **2:00 PM** various fun activities such as (Dumb charades, Passing the action and words, etc) have been conducted for the students.
- Vote of Thanks was given by Prof. Tejasvini Junghare, Faculty Civil Engineering by ending the World Water Day Programme.

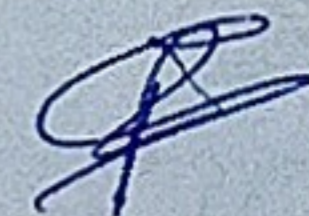

No of attendees: 114

#### Outcome:

- Students will be aware about the importance of water and its sensible use.
- World Water Day celebrates water and raises awareness of the 2.2 billion people living without access to safe water. It is about taking action to tackle the global water crisis. A core focus of World Water Day is to **support the achievement of Sustainable Development Goal 6: water and sanitation for all by 2030.**

## INTERNATIONAL HAPPINESS DAY

Held on :20/03/2021

Time:12pm onwards

Mode : Google Meet

Link: [:https://meet.google.com/cia-nctj-hgf](https://meet.google.com/cia-nctj-hgf)

Photos:

## Concept of the event:

- The International Day of Happiness, observed annually on March 20th, underscores the significance of happiness as a fundamental human pursuit, advocating for holistic well-being encompassing physical, mental, and emotional health.
- It garners global recognition as an event endorsed by the United Nations, urging individuals, communities, and governments worldwide to prioritize happiness and well-being in their policies and daily endeavors.
- Emphasizing the importance of social connections, the day encourages acts of kindness and the cultivation of supportive networks, essential for fostering overall happiness and life satisfaction.

## Objectives:

- To raise awareness about the importance of happiness and well-being as universal human goals, highlighting their significance in leading fulfilling lives.
- To encourage individuals, communities, and governments worldwide to take concrete actions to prioritize happiness and well-being in their policies, programs, and daily activities.
- To advocate for broader societal goals such as environmental sustainability, social justice, and economic equality as essential components of overall happiness and well-being.
- To celebrate the diversity of cultures, traditions, and perspectives worldwide, recognizing that happiness can be experienced and expressed in various ways across different communities and individuals.

## Modalities:

- The guest of honor was Prof. Atika Ingole, HoD, Civil Engineering, JDCOEM, Nagpur, accompanied by all departmental faculties.
- The event began with the lighting of the lamp followed by the recitation of the Saraswati Mantra by all faculty members, symbolizing enlightenment and wisdom.
- Prof. Atika Ingole and all faculty members were felicitated by the students of 3rd year and Final year, expressing gratitude for their guidance and support.
- Prof. Tina Khandale, Assistant Professor, provided an insightful overview of the Civil Engineering Department and the ACES Forum to all 2nd-year students present.
- Prof. Atika Ingole, HoD, enlightened the students with valuable information about the department and its offerings.
- Following a short break, various engaging activities such as Dumb Charades, Passing the Action and Words, etc., were organized for the 2nd-year students, promoting laughter and camaraderie.
- The event concluded with a vote of thanks delivered by Prof. Archana Mahajan, Class Incharge, 2nd Year, Civil Engineering, expressing gratitude to all participants for their active involvement in making the Induction Programme a success.

- Overall, the International Happiness Day celebration served as a platform to promote happiness, foster social connections, and create a positive and inclusive environment within the Civil Engineering Department at JDCOEM, Nagpur.

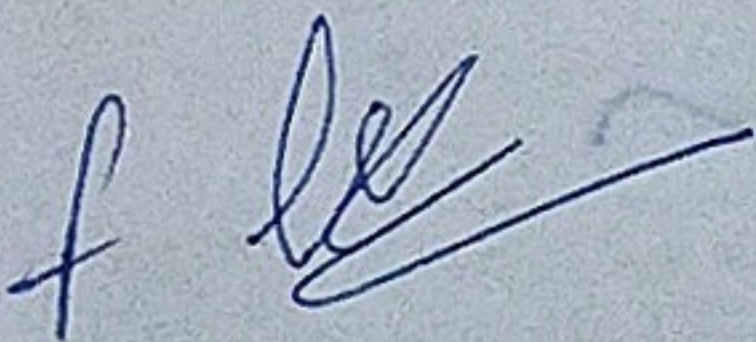

#### Financial implications:

- Organizing events such as seminars, workshops, or community gatherings to celebrate International Happiness Day may involve expenses related to venue rental, equipment rental, decorations, and catering.
- Inviting guest speakers, performers, or experts to contribute to the event may incur costs such as honorariums, travel expenses, accommodation, and fees for their services.
- Providing resources or incentives for volunteers who assist in organizing and facilitating the event, including training, refreshments, or appreciation gifts, could be a financial consideration.
- Seeking sponsorship or securing funding from external sources such as businesses, organizations, or government grants to support the event's expenses could be considered to alleviate financial burdens.

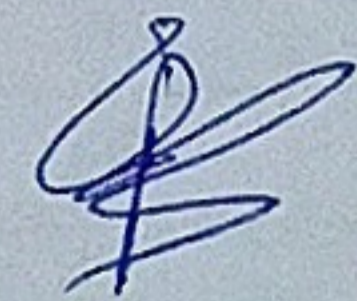

Post event publicity: Status of Creation and circulation of post for WhatsApp, Instagram, news for the media etc.

#### Outcome:

- Celebrating International Happiness Day can raise awareness about the importance of happiness and well-being as essential aspects of human life. It can help individuals recognize the significance of positive emotions, resilience, and social connections in leading fulfilling lives.
- International Happiness Day celebrations often involve activities that encourage social interaction, collaboration, and support networks. As a result, individuals may strengthen their social connections and build meaningful relationships with others.
- International Happiness Day can inspire policymakers and organizations to prioritize well-being in their policies and programs, leading to initiatives that address societal conditions, promote mental health, and tackle social inequalities.

# Report on Kalpana Chawla's birth anniversary celebration

Held on :17/03/2021

Time:12.30pm onwards

Mode : Google Meet

Link :<https://meet.google.com/cia-nctj-hgf>

## **Rational/Concept of the event:**

- Commemorating Chawla's achievements inspires others to strive for excellence.
- The event educates about Chawla's journey and promotes appreciation for STEM fields.
- Chawla's story highlights the importance of diversity and inclusion in STEM.
- Celebrating Chawla encourages creativity and boldness in pursuits.

## **Objectives:**

- To pay tribute to Kalpana Chawla's remarkable achievements and contributions to aerospace engineering, space exploration, and female empowerment.
- To inspire students and aspiring scientists/engineers to emulate Chawla's determination, perseverance, and passion for knowledge and exploration.
- To promote interest and participation in science, technology, engineering, and mathematics (STEM) fields, particularly among young women, in honor of Chawla's groundbreaking career in aerospace engineering.
- To promote cultural exchange and understanding by celebrating the diverse backgrounds and achievements of individuals like Kalpana Chawla, who have made significant contributions to society and human progress.

## **Modalities:**

- Prof. Atika Ingole delivered an opening speech, initiating the event and stressing the importance of commemorating Kalpana Chawla's birth anniversary. Her words stirred attendees to contemplate Chawla's enduring legacy and impact.
- Faculty members performed traditional customs, including lighting a lamp and reciting the Saraswati Mantra, as a mark of respect for Kalpana Chawla's dedication to knowledge and enlightenment. These rituals imbued the event with a sense of solemnity and reverence.
- Students from various academic years expressed their appreciation to Prof. Atika Ingole, faculty members, and Kalpana Chawla, acknowledging their guidance and inspiration. This fostered a spirit of unity and gratitude within the department.
- Assistant Professor Prof. Tina Khandale and Prof. Atika Ingole shared insights into Kalpana Chawla's life and accomplishments, emphasizing her pivotal role in aerospace engineering and science. Their presentations motivated students to emulate Chawla's resilience and pursue excellence in their own endeavors.
- Engaging workshops and interactive sessions were organized to honor Kalpana Chawla's legacy and stimulate creativity among students. Participants were encouraged to explore themes related to space exploration, scientific inquiry, and women's empowerment through artistic and hands-on activities.
- Prof. Archana Mahajan delivered the closing remarks, extending gratitude to all participants for their enthusiastic participation in celebrating Kalpana Chawla's birth anniversary. Her expressions of appreciation inspired attendees to uphold Chawla's legacy of determination and excellence.
- The event concluded with a brief summary and reflection on the significance of commemorating Kalpana Chawla's life. Attendees were encouraged to contemplate Chawla's pioneering spirit and to strive for excellence in their personal and professional pursuits.

- Overall, the event was conducted with reverence, motivation, and a focus on honoring Kalpana Chawla's enduring legacy while urging attendees to embody her values of determination, exploration, and excellence.

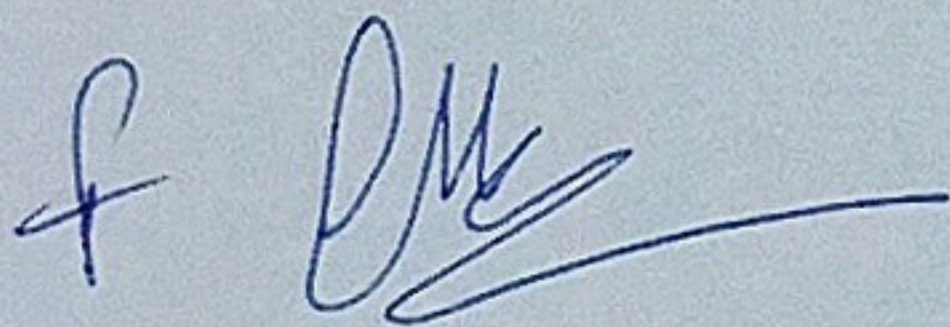

#### **Financial implications:**

- This encompasses costs associated with organizing the event, such as venue rental, equipment rental (e.g., audio-visual equipment), decorations, and printing of promotional materials.
- Offering tokens of appreciation, awards, or commemorative items to speakers, organizers, or attendees may involve expenses.
- Administrative expenses, including staff salaries, transportation costs, and miscellaneous supplies, contribute to the overall budget of the event.
- Allocating funds for contingency plans or insurance coverage to mitigate potential risks or liabilities associated with the event is essential for financial planning.

**Post event publicity:** Status of Creation and circulation of post for WhatsApp, Instagram, news for the media etc.

#### **Outcome:**

- Attendees are inspired by Chawla's remarkable achievements and pioneering spirit, motivating them to pursue their aspirations with determination and courage.
- The event educates participants about Chawla's life story, her contributions to aerospace engineering, and the importance of STEM education, fostering a deeper appreciation for science, technology, engineering, and mathematics.
- The celebration empowers women and girls by showcasing Chawla as a trailblazer in a traditionally male-dominated field, inspiring them to break barriers and pursue careers in aerospace, engineering, and other STEM disciplines.

# Report on World Health day

Held on :7/04/2021

Time:12pm onwards

Mode: Google Meet

Link: [:https://meet.google.com/cia-nctj-hgf](https://meet.google.com/cia-nctj-hgf)

## Rational/Concept of the event:

- World Health Day raises awareness about worldwide health issues, educating people on prevention and resources.
- It emphasizes ensuring all individuals have access to essential healthcare services and addresses factors like poverty and education affecting health.
- Encourages healthy behaviors like physical activity, balanced nutrition, and avoiding harmful substances for disease prevention.
- Highlights the importance of building strong health systems to respond effectively to global health emergencies, such as pandemics and natural disasters.

## Objectives:

- The objective of celebrating World Health Day is to raise awareness about the importance of global health and to mobilize action to address health issues that affect people worldwide.
- This annual event serves as a platform to highlight specific health themes or challenges, advocate for policies that promote health equity and access to healthcare services, and encourage individuals and communities to prioritize their health and well-being.
- Additionally, World Health Day aims to foster collaboration among governments, healthcare organizations, non-governmental organizations, and individuals to work towards achieving universal health coverage and improving health outcomes for all people, regardless of their socioeconomic status, ethnicity, or geographical location.

## Modalities:

- The World Health Day festivities at JDCOEM, Nagpur, kicked off with an opening address by Prof. Atika Ingole, Head of the Civil Engineering Department, alongside all faculty members as honored guests, underlining the department's commitment to overall well-being.
- Following traditional customs, faculty members lit a lamp and recited the Saraswati Mantra, symbolizing enlightenment and invoking blessings for academic prosperity.
- Expressing gratitude, third and final-year students extended their thanks to Prof. Atika Ingole and the faculty, deepening the connection between students and staff.
- Assistant Professor Prof. Tina Khandale offered an insightful overview of the Civil Engineering Department and the ACES Forum to second-year students, shedding light on departmental activities and opportunities.
- Prof. Atika Ingole provided valuable information about the department and its offerings, empowering students to make informed decisions regarding their academic journey.
- Engaging activities like Encourage expression through art by organizing workshops where participants can engage in activities like painting, drawing, or crafting related to health and well-being themes. This can be a creative way to explore and communicate health messages.
- Prof. Archana Mahajan concluded the event with a heartfelt vote of thanks, appreciating the active participation of all attendees in fostering a positive learning environment.
- In summary, the celebration acted as a platform to promote wellness, cultivate social connections, and enhance inclusivity within the Civil Engineering Department at JDCOEM, Nagpur, underscoring the importance of holistic well-being and community support in academic and personal development.

No of attendees: 121 Students

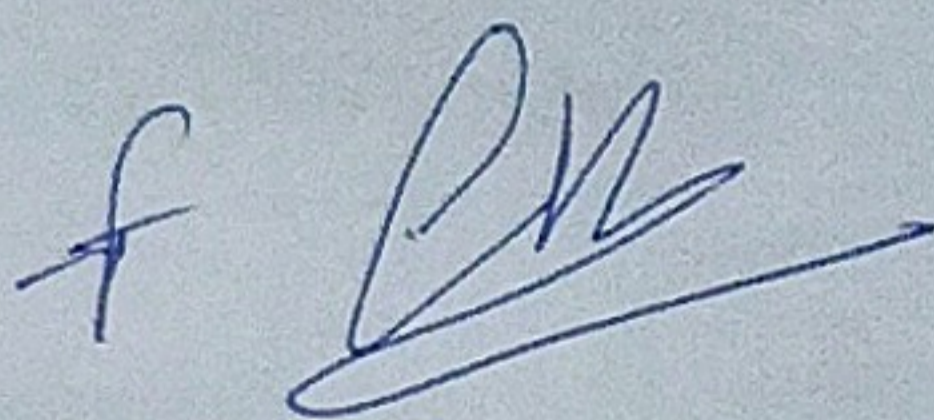

Financial implications:

- Organizing events such as seminars, workshops, or community gatherings to celebrate International Happiness Day may involve expenses related to venue rental, equipment rental, decorations, and catering.
- This includes expenses associated with venue rental, equipment rental (such as sound systems, projectors), decorations, and logistics (transportation, parking arrangements).
- Costs related to designing and printing promotional materials such as banners, flyers, posters, and brochures to raise awareness about the event and its objectives.
- Providing refreshments or catering services for attendees, especially if the event spans several hours or includes meals.
- Costs associated with renting or purchasing equipment for presentations, audiovisual displays, and live streaming services if the event is broadcasted online.

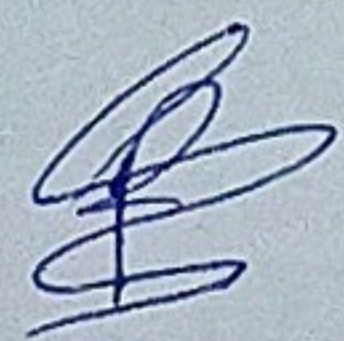

Post event publicity: Status of Creation and circulation of post for WhatsApp, Instagram, news for the media etc.

Outcome:

- World Health Day celebrations often lead to heightened awareness among individuals and communities about specific health issues, preventive measures, and available resources.
- Events may facilitate the sharing of knowledge and information among participants, including insights from experts, personal experiences, and best practices related to health promotion and disease prevention.
- World Health Day activities may inspire individuals to adopt healthier behaviors and lifestyles, such as increasing physical activity, improving dietary habits, quitting smoking, or seeking timely medical care.
- Post-event evaluations and assessments can provide insights into the effectiveness of World Health Day celebrations, identifying successes, areas for improvement, and lessons learned for future planning and implementation.

- Costs related to designing and printing promotional materials such as banners, flyers, posters, and brochures to raise awareness about the event and its objectives.
- Providing refreshments or catering services for attendees, especially if the event spans several hours or includes meals.
- Costs associated with renting or purchasing equipment for presentations, audiovisual displays, and live streaming services if the event is broadcasted online.

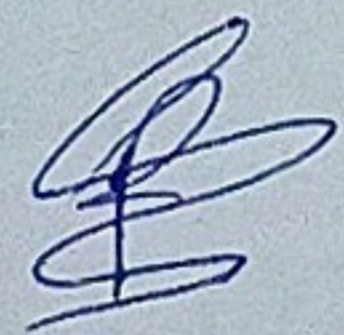

Post event publicity: Status of Creation and circulation of post for WhatsApp, Instagram, news for the media etc.

Outcome:

- World Health Day celebrations often lead to heightened awareness among individuals and communities about specific health issues, preventive measures, and available resources.
- Events may facilitate the sharing of knowledge and information among participants, including insights from experts, personal experiences, and best practices related to health promotion and disease prevention.
- World Health Day activities may inspire individuals to adopt healthier behaviors and lifestyles, such as increasing physical activity, improving dietary habits, quitting smoking, or seeking timely medical care.
- Post-event evaluations and assessments can provide insights into the effectiveness of World Health Day celebrations, identifying successes, areas for improvement, and lessons learned for future planning and implementation.
