## REPORT

**Activity Name: Republic Day celebration 26 January 2022**

### AWARD CEREMONY

**Date 26/01/2022**

• **Objective:**

1. Engineering students participated in the 'Best from Waste' and 'Waste to Wealth' competitions held on **20 January 2022 and 21 January 2022**. The objective of the competition was

- Creating love for the environment by making the best from waste and waste to wealth using recyclables.
- Using their imagination and creativity to create innovative things.
- To develop a sense of love for the environment.
- To spread awareness about the protection of environment.

2. Engineering students participated in 'Online Quiz' competition held on **22nd January 2022**. The objective of the competition was

- Online quiz improves or expands one's knowledge of Independence Day.
- Quiz competition enables students to think from different angles or simply to think 'out of the box'.
- To develop more love for Indian culture.
- To respect our freedom fighter.

3. Engineering students participated in 'Dance, Singing, and Play' competition held on **24 January 2022**. The objective of the competition was

- Improve talent skills by dancing, singing, playing Independence Day.
- Dancing and singing helps the students to understand their hobbies.
- To gain trust and to encourage others to show their talents

4. Engineering students participated in the 'Story telling' competition held on **25 January 2022**.

The objective of the competition was

- Storytelling enhances your Independence Day talent.
- Storytelling contests help students understand to know more about freedom fighter.

5. Engineering students participated in the 'Award Ceremony' held on **26 January 2022**.

The objective of 'Award Ceremony' was

- Award ceremony recognition inspires people.
- The award ceremony helps students feel that their work is valued.
- To gain trust.
- Encouraging others to show their talents

**Activity Details:** On the occasion of Republic Day celebration students of first year department have presented parade, which includes one commander, four pilots, one hand player and sixteen battalion members. And following activity conduct for period of 20 Jan to 26 Jan and award ceremony for all events winner declared for 26 Jan 2022

**Best from Waste and Waste to Wealth** were organized for the students of the first year department. Best from Waste was organized on 20/01/2022 and 21/01/2022 with great enthusiasm in the Basic Science and Humanities Department. The day resonated with enthusiasm and smiles spread all around. The competition was open to all engineering students. used his imagination and creativity to create innovative things. The students used broken bangles, plastic bottles, waste nails, peanut shells, pearls, old thermocol glasses, old CDs etc. All these things which are useless in our day to day life were used in a creative way and different things were made from them. Students made cloth dolls, wall hangings with bangles, dolls from tea sieves, night lamps from bottles and paper flowers in an artistic manner.

**The quiz** is a very powerful activity that can meet a range of learning needs, from simple, multiple choice knowledge tests to complex, self-assessment tasks with detailed feedback.

**Dancing, singing, drama and storytelling** have an important role in our culture. We will find music present in many aspects of our lives: theatre, television, movies, worship, holidays, celebrations and government and military celebrations. In homes, music can be part of our family cultures—a natural part of our daily experiences.

Students will get a break and a festivity to take their mind off everyday tasks, allowing them to see the bigger picture. Also, they will have the opportunity to discuss the importance of their work and the achievements of awards. Online gathering and sharing experiences is a very powerful tool of encouragement.

There is a lot of cooperation of all the students to organize all the activities. In-charge of the program First Year forum (AJEET), Mr. Sagar Kathalkar worked hard for the successful conduct of the program. It was indeed a proud day for the teachers based on the love and attention they received from their students.

All the activity was organized by all the first year students as well as the faculty members.

- **Committee Members:**All Faculties of Basic Sciences and Humanities Departments

# Report on "Teachers Day Celebration"

Held on : 05 / 09 / 2021

Time : 1:00 pm To 4:00 pm

Venue : VS 104

**Concept of the event:**

Department of Electronics and Telecommunication of J D College of Engineering and Management, Nagpur which is the first autonomous institute under Dr. Babaseheb Ambedkar Technological University, Lonere with NAAC 'A' grade celebrated the Teachers Day on 5<sup>th</sup> September, 2021 at VS 104.

The aim of the "Teachers Day Celebration" program to honour teachers for their guidance and help. It is also celebrated to commemorate the birthday anniversary of Dr Sarvepalli Radhakrishnan, who became the president of India in 1962. It is a day to celebrate not only how teachers are transforming education but also to reflect on the support they need to fully deploy their talent and vocation, and to rethink the way ahead for the profession globally.
