An Autonomous Institute, with NAAC "A" Grade
Department of Civil Engineering
2020-21

VISION

To be a well-known center for shaping professional leaders of Global Standards in Civil Engineering

MISSION

1. Provide quality education and excellent learning Environment for overall development of students.
2. Making Sustainable efforts for integrating academics with Industry.

Feedback Parameters

Sr. No.	Question
01	Whether the teaching/ session plan, syllabus and the hand-outs of the course were given In the semester.
02	Whether the teacher has informed about the course material (question bank, books, worksheets etc) and location of its availability?)
03	The topics are taught with basic concepts and examples.
04	The teacher encourages students to think and ask doubts.
05	The topics taught till now are well understood by me.
06	The teacher has good oral communication, blackboard writing and presentations in the classroom
Faculty Specific	
01	The teacher is regular and punctual in engaging the classes.
02	The teacher has good class control during teaching
03	The teacher always shows a decent and impartial behavior towards the students.
04	The teacher is always available for guidance, doubts, clarification of queries in times other than regular lectures

Action taken Report

An Action Taken Report (ATR) for academic student feedback is a document that outlines the steps and actions taken by an educational institution or department in response to feedback received from students. This report helps demonstrate that the institution takes student feedback seriously and is committed to making improvements based on their input.

Following are the criteria's for of action taken on Academic Student Feedback:

Sr. No	Action Taken Criteria	Percentage
01	Appreciation	75% & Above
02	Satisfactory	60% to 74%
03	Warning/ Unsatisfactory	Below 60%

According to above criteria's Letters issued to the concern faculties.
