Action taken Report

An Action Taken Report (ATR) for academic student feedback is a document that outlines the steps and actions taken by an educational institution or department in response to feedback received from students. This report helps demonstrate that the institution takes student feedback seriously and is committed to making improvements based on their input.

Following are the criteria's for of action taken on Academic Student Feedback:

Sr. No	Action Taken Criteria	Percentage
01	Appreciation	75% & Above
02	Satisfactory	60% to 74%
03	Warning/ Unsatisfactory	Below 60%

According to above criteria's Letters issued to the concern faculties.
