Department of Electronics and Telecommunication of J D College of Engineering and Management, Nagpur which is the first Autonomous institute under Dr. Babaseheb Ambedkar Technological University, Lonere with NAAC 'A' grade, celebrated an **Shiv Swarajya Diwas** followed by story and dialogue competition with 2nd, 3rd and 4th year students under the banner of IETE student forum (ISF) on 6th June, 2022. Around 60 Students and 10 Faculty members were present.

This was the day when Chhatrapati Shivaji Maharaj was crowned in 1674. The event proved to be the watershed moment in Maratha history as it also marked the beginning of Hindavi Swarajya in India. It is also significant to know that on this day, Shivaji was given the title of 'Shakakarta' which means 'founder of an era' in English and 'Chhatrapati' (paramount sovereign). He also took the title of Haindava Dharmodhhaarak (protector of the Hindu faith) during his coronation ceremony in Raigad. Over the course of his life, Shivaji made history with some of the most significant battles of the Maratha empire. He is mostly known for expanding the Maratha empire and establishing a progressive civil rule with well-structured administrative organisations. He is also revered as the hero of Hindus as he revived ancient Hindu political traditions and court conventions during his rule as King.
