5) Event details:

Department of EN/ETC of JDCOEM arranged an activity namely "Creative Quarantine". Due to Lockdown held during pandemic of Covid-19 the college remained closed, but still students were given an opportunity to showcase their hobbies, talents while sitting in their homes. This activity was held to engage students and give them a change from daily boring lockdown schedule. This event included activities like Poster making, Sketching and animated video making and the topic given was "Covid -19". The reason to give this topic was to aware students about Covid-19 and bring it out in every possible way they could. All students were at home as a result of which many students participated in this activity. This event was held under IETE Students Forum. Every student from every department was welcomed to participate in this event and we received a good response. Everyone brought their creativity out and showcased brilliantly. Everyone made good usage of their time and skills.

The event was successfully held under the co-ordination of IETECordinators and the IETE members. This event lasted for a whole day on 30th April 2020.
