Transforming students into lifelong learners through, quality teaching, training and exposure to concurrent technologies.</li><li>2. Fostering conducive atmosphere for research and development through well equipped laboratories and qualified personnel in collaboration with global organizations.</li></ol>

### GUIDELINES FOR MOOCS

1. Every student admitted to B. Tech. Program has to successfully complete minimum **TWO** Massive Online Open Courses (MOOC) available on SWAYAM/NPTEL portal to become eligible for the award of B. Tech. degree.
2. The credit points of MOOCs earned by the student shall be transfer in the grade sheet of Semester IV (one course) and VIII semester (one course).
3. The student has liberty to complete minimum one course at any time during I (first) to III (third) semester, credit of which will transfer in the IV semester grade sheet.
4. The student has liberty to complete another minimum one course at any time during IV (fourth) to VII (seventh) semester, credit of which will transfer in the VIII (eighth) semester grade sheet.
5. In view of choice based credit system (CBCS) the student is free to opt for any course available on the portal during the said semester provided the course has minimum two credits.
6. The institute shall provide the list of courses (**with minimum 2 credits each**) available on the portal in the beginning of each semester to students by various medium of communication.
7. A student may select the course (**with minimum 2 credits each**) of his/her choice from the available courses and register for the same.
8. A student also has required to appear and successfully complete the online examination of the MOOC opted by him/her.
9. The successful completion of minimum TWO such MOOC courses comprising of total 4 credit points is mandatory for every student to become eligible for the award of degree.
10. If a student has completed a MOOC carrying more than 2 credits, then only 2 credits shall be considered and be shown in the grade sheet of IV th sem & VIII th sem against such course.
11. These TWO courses are different than the courses offered by the department under 20% to 40% subjects mentioned in the curriculum.
